WEB-NOTICE ON EXTANT NOTIFIED VARIETIES/HYBRIDS

With effect from February, 2019, all the applicants applying for registration under Extant notified category for varieties/hybrids should enclose close-up photographs of high resolution (3"x3" size) of the traits which are distinguishable showcasing the distinction between the candidate variety and reference varieties. Applications will not be considered for registration if high resolution photographs of specific visually recordable distinguishing characters are not submitted along with the application form.
