## Annexure

### 1. Adequacy of internal audit system

Authority has no separate internal audit department due to shortage of regular staff. However the internal audit for the year 2012-13 was conducted by Chartered Accountant.

### 2. Adequacy of internal control system

There is a deficient Internal Control System in the authority as is evident from the following observations.

The authority is giving grants-in-aid/subsidies to various DUS Centres, Referral Labs, training centres and others and accounting the same as advance to these centres. On receipt of audited utilization certificate from the respective DUS Centres and others, actual expenditure incurred is debited to the respective accounts. Audit observed that as per Annexure C, E, G and 1 of the Accounts, the amount of advances ranging from Rs. 65 lakh to Rs. 2.53 crore were lying outstanding with these centres due to following discrepancies:

1. In many cases advances to these centres were given without proper verification of U.C.s. and without proper assessment of requirement.
2. In spite of sufficient amount of the opening balance lying unspent with the training centres, fresh advances were given which were further left unspent resulting into unnecessary blockade of funds.

The Authority needs to evolve an effective financial control system for accounting and utilisation of these advances. Proper monitoring/reviewing is also required to keep the blocking of funds at the minimum.

### 3. System of physical verification of fixed assets

The physical verification of fixed assets for the year 2012-13 had been conducted.

### 4. System of physical verification of inventory

The physical verification of stationery and consumables etc. had been conducted up to March 2013.

### 5. Regularity in payment of statutory dues

No payment over six months in respect of statutory dues like Income tax, sales tax, service tax, customs duty etc. were outstanding as on 31.3.2013.
