(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1415

(1) Registration Number and date of grant: - **REG/2017/1415 & 11/14/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sebki Mahto, Village: Sarlakala, PO: Gola, Dist: Ramgarh Jharkhand**

(3) Denomination of the variety: **Kali**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Solanum melongena* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Brinjal**

(5) Parentage and geographical location of the variety: **NA and Village: Sarlakala, PO: Gola, Dist: Ramgarh**

(6) Details of the distinguishing features or the characteristics: - **Flower size large, fruit patches present and fruit ribs strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1459

(1) Registration Number and date of grant: - **REG/2017/1459 & 7/8/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hooghly Vegetable Growers Producers Co. Ltd., Village: Beleswar, PO: Basna, Block: Balagarh, PS: Balagarh, Dist: Hooghly-712501 West Bengal**

(3) Denomination of the variety: **CHAITALI**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Lagenaria siceraria*** **(Mol.) Standl.**

Category/Type of variety/Common name: **Farmer / Typical/ Bottle Gourd**

(5) Parentage and geographical location of the variety: **NA and Village: Beleswar, PO: Basna, Block: Balagarh, PS: Balagarh, Dist.: Hooghly-712501 West Bengal**

(6) Details of the distinguishing features or the characteristics: - **Fruit shape in longitudinal section round.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1460

(1) Registration Number and date of grant: - **REG/2017/1460 & 12/16/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hooghly Vegetable Growers Producers Co. Ltd., Village: Beleswar, PO: Basna, Block: Balagarh, PS: Balagarh, Dist: Hooghly-712501 West Bengal**

(3) Denomination of the variety: **PARUL**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Cucurbita moschata*** **Duch. Ex Poir.**

Category/Type of variety/Common name: **Farmer / Typical/ Pumpkin**

(5) Parentage and geographical location of the variety: **NA and Village: Beleswar, PO: Basna, Block: Balagarh, PS: Balagarh, Dist.: Hooghly-712501 West Bengal**

(6) Details of the distinguishing features or the characteristics: - **Long seed length**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1461

(1) Registration Number and date of grant: - **REG/2017/1461 & 6/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ramkrishna Vivekananda Trust, Village: Harinakhali, PO: Nimdangi, Block: Pursura, PS: Pursura, Dist: Hooghly-712414 West Bengal**

(3) Denomination of the variety: **HARINA**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Capsicum annuum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Chilli**

(5) Parentage and geographical location of the variety: **NA and Village: Harinakhali, PO: Nimdangi, Block: Pursura, PS: Pursura, Dist.: Hooghly-712414 West Bengal**

(6) Details of the distinguishing features or the characteristics: - **Medium intensity of green colour in leaf and absence of fruit curvature.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1464

(1) Registration Number and date of grant: - **REG/2017/1464 & 12/16/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sree Durga Farmers Club, Village: Ektarpur, PO: Ektarpur, Block: Balagarh, PS: Balagarh, Dist: Hooghly-712123 West Bengal**

(3) Denomination of the variety: **MAKHRA**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Solanum melongena* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Brinjal**

(5) Parentage and geographical location of the variety: **NA and Village: Ektarpur, PO: Ektarpur, Block: Balagarh, PS: Balagarh, Dist: Hooghly-712123 West Bengal**

(6) Details of the distinguishing features or the characteristics: - **Weak fruit creasing of calyx.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1615

(1) Registration Number and date of grant: - **REG/2017/1615 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hedungbe Michui, Poilwa Namci, B.P.O. Poilwa Namci, Dist: Peren-797002 Nagaland**

(3) Denomination of the variety: **POIMIMA**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Cucurbita moschata Duch. Ex Poir.***

Category/Type of variety/Common name: **Farmer / Typical/ Pumpkin**

(5) Parentage and geographical location of the variety: **NA and Poilwa Namci, B.P.O. Poilwa Namci, Dist.: Peren-797002 Nagaland**

(6) Details of the distinguishing features or the characteristics: - **Uniform fruit skin colour pattern.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1616

(1) Registration Number and date of grant: - **REG/2017/1616 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hedungbe Michui, Poilwa Namci, B.P.O. Poilwa Namci, Dist: Peren-797002 Nagaland**

(3) Denomination of the variety: **MASANG**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Cucurbita moschata*** **Duch. Ex Poir.**

Category/Type of variety/Common name: **Farmer / Typical/ Pumpkin**

(5) Parentage and geographical location of the variety: **NA and Poilwa Namci, B.P.O. Poilwa Namci, Dist.: Peren-797002 Nagaland**

(6) Details of the distinguishing features or the characteristics: - **Short leaf blade length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1617

(1) Registration Number and date of grant: - **REG/2017/1617 & 6/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Dziesebeituo Hezhatsu, Teichuma Village, Dist: Kohima-797001 Nagaland**

(3) Denomination of the variety: **SHITHO CHUSEI**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Capsicum annuum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Chilli**

(5) Parentage and geographical location of the variety: **NA and Teichuma Village, Dist: Kohima-797001 Nagaland**

(6) Details of the distinguishing features or the characteristics: - **Medium length of plant first internode and very thin pericarp thickness of fruit.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1621

(1) Registration Number and date of grant: - **REG/2017/1621 & 6/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ragupat Singh, S/o Late Sh. Sitaram, Village: Samathal, PO: Sayodara (Bilari), Dist: Muradabad-244411 Uttar Pradesh**

(3) Denomination of the variety: **Kartikia**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo* (L.) Hepper**

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village: Samathal, PO: Sayodara (Bilari), Dist: Muradabad-244411 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Long plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1672

(1) Registration Number and date of grant: - **REG/2017/1672 & 7/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajnikant Keshabhai Patel, 68, Jivan Jyoti Society, Mehgraj Road, Modasa, Dist: Arvalli-383315 Gujarat**

(3) Denomination of the variety: **BHAIRAV-1**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo (L.) Hepper***

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and 68, Jivan Jyoti Society, Mehgraj Road, Modasa, Dist.: Arvalli-383315 Gujarat**

(6) Details of the distinguishing features or the characteristics: - **Erect plant growth habit.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1700

(1) Registration Number and date of grant: - **REG/2017/1700 & 12/19/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gramin Khadya Samprabhuta Samooha, Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(3) Denomination of the variety: **GEHUN LAL MUNDIYA (GKSS Gehun-1)**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(6) Details of the distinguishing features or the characteristics: - **Red grain colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1702

(1) Registration Number and date of grant: - **REG/2017/1702 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gramin Khadya Samprabhuta Samooha, Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(3) Denomination of the variety: **GEHUN JHUNSIA (GKSS Gehun-3)**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(6) Details of the distinguishing features or the characteristics: - **Pale green foliage colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1703

(1) Registration Number and date of grant: - **REG/2017/1703 & 10/17/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gramin Khadya Samprabhuta Samooha, Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(3) Denomination of the variety: **JAU SURI LOCAL (6-rowed) (GKSS Jau-1)**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Hordeum vulgare*** **L.**

Category/Type of variety/Common name: **Farmer / Typical/ Barley**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(6) Details of the distinguishing features or the characteristics: - **Medium peduncle length and awnletted awn type.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1704

(1) Registration Number and date of grant: - **REG/2017/1704 & 10/17/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gramin Khadya Samprabhuta Samooha, Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(3) Denomination of the variety: **JAU SURI LOCAL (4-rowed) (GKSS Jau-2)**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Hordeum vulgare*** **L.**

Category/Type of variety/Common name: **Farmer / Typical/ Barley**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(6) Details of the distinguishing features or the characteristics: - **Lemma pigmentation absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1705

(1) Registration Number and date of grant: - **REG/2017/1705 & 10/17/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gramin Khadya Samprabhuta Samooha, Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(3) Denomination of the variety: **JAU SURI LOCAL KALA (GKSS Jau-3)**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Hordeum vulgare* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Barley**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(6) Details of the distinguishing features or the characteristics: - **Short awn length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1706

(1) Registration Number and date of grant: - **REG/2017/1706 & 4/3/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gramin Khadya Samprabhuta Samooha, Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(3) Denomination of the variety: **MASUR SURI LOCAL BHURA (GKSS Masur-1)**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris*** **(L.)Medik**

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Suri, Dist: Almora-263678 Uttarakhand**

(6) Details of the distinguishing features or the characteristics: - **Presence of stem pigmentation, late time of flowering, short plant height and seed testa mottling absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1707

(1) Registration Number and date of grant: - **REG/2017/1707 & 4/3/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gramin Khadya Samprabhuta Samooha, Village & PO: Suri (Block: Tarikhet), Dist: Almora-263678 Uttarakhand**

(3) Denomination of the variety: **MASUR SURI LOCAL KALA (GKSS Masur-2)**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris*** **(L.)Medik**

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Suri, Dist: Almora-263678 Uttarakhand**

(6) Details of the distinguishing features or the characteristics: - **Presence of stem pigmentation, short plant height, small seed size and orange cotyledon colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1768

(1) Registration Number and date of grant: - **REG/2017/1768 & 6/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Patel Vineshbhai Natvarlal Cheldas, Village: Biliya, Block: Siddhapur, Distt: Patan Gujarat**

(3) Denomination of the variety: **Biliya Marcha**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Capsicum annuum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Chilli**

(5) Parentage and geographical location of the variety: **NA and Village: Biliya, Block: Siddhapur, Distt: Patan Gujarat**

(6) Details of the distinguishing features or the characteristics: - **Medium curvature of fruit intensity and strong sinuation of pericarp in fruit.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1769

(1) Registration Number and date of grant: - **REG/2017/1769 & 12/4/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Patel Prakashbhai Babubhai, Village: Madhopura, Post: Dethali, Ta: Siddhapur, Dist: Patan-384151 Gujarat**

(3) Denomination of the variety: **Dungari Phuli**

(4) Name of:

Family: **Amaryllidaceae**

Genus & Species: ***Allium cepa* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Onion**

(5) Parentage and geographical location of the variety: **NA and Village: Madhopura, Post: Dethali, Ta: Siddhapur, Dist.: Patan-384151 Gujarat**

(6) Details of the distinguishing features or the characteristics: - **Bulb: Time of maturity (from date of sowing): Medium & Foliage: Intensity of green colour: Light.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1797

(1) Registration Number and date of grant: - **REG/2017/1797 & 8/14/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Leela Ram Sahu, Village: Ghuma, Post: Darg, Tehsil: Kurud, Dist: Dhamtari-493885 Chhattisgarh**

(3) Denomination of the variety: **NIRANJAN BHATA**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Solanum melongena* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Brinjal**

(5) Parentage and geographical location of the variety: **NA and Village: Ghuma, Post: Darg, Tehsil: Kurud, Dist.: Dhamtari-493885 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Early (<60 days) flowering time (days after seed sowing).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1823

(1) Registration Number and date of grant: - **REG/2017/1823 & 11/29/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ritu Devi, Village: Murlidih, Panchayat: Pandubathen, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **RITUR**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village: Murlidih, Panchayat: Pandubathen, Block & Dist.: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Very strong culm waxiness of neck (peduncle).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1824

(1) Registration Number and date of grant: - **REG/2017/1824 & 11/29/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bilasi Devi, Village: Murlidih, Panchayat: Pandubathen, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **BILASE**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village: Murlidih, Panchayat: Pandubathen, Block & Dist: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Strong flag leaf waxiness of blade and very long ear length (excluding awns and scurs).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1825

(1) Registration Number and date of grant: - **REG/2017/1825 & 11/29/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Yashoda Devi, Village: Murlidih, Panchayat: Pandubathen, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **SHODA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village: Murlidih, Panchayat: Pandubathen, Block & Dist: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Long plant length (excluding awns/scurs) and dark grain colouration with phenol.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2018/588

(1) Registration Number and date of grant: - **REG/2018/588 & 10/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Agrigenetics Inc., C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(3) Denomination of the variety: **DS2288**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TSIH008 X 7SH382 and Dow AgroScience India Pvt. Ltd., Survey No. 708 (P), Village-Dabilpur, Medchal mandal, Ranga Reddy District, Pin-501401, Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of anthers is absent and tassel attitude of lateral branches is straight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **09.02.2018**

Certificate of Registration REG/2018/591

(1) Registration Number and date of grant: - **REG/2018/591 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099, Karnataka**

(3) Denomination of the variety: **MM9168**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **MZ14S006N X MZ14S036N and Maize Research Centre, Metahelix Life Science Ltd., Huskoor Village, Post-Arudmallige, Taluqa- Dodballapur, District- Banglore Rural, Pin- 561203, Karnataka, India.**

(6) Details of the distinguishing features or the characteristics: **Leaf angle between blade and stem is small and ear colour of top of grain is yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **07.06.2017**

Certificate of Registration REG/2018/592

(1) Registration Number and date of grant: - **REG/2018/592 & 20/09/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **MM9488**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **MZ14S037N X MZ14S064N and Maize Research Centre, Metahelix Life Science Ltd., Huskoor Village, Post-Arudmallige, Taluqa- Dodballapur, District- Banglore Rural, Pin- 561203, Karnataka, India.**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of brace root is present and ear number of rows of grains is many.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **18.10.2017**

Certificate of Registration REG/2018/595

(1) Registration Number and date of grant: - **REG/2018/595 & 15/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH1KTF**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Other (Inbred line)/ Maize**

(5) Parentage and geographical location of the variety: **PHF0D/PHW0N and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches is narrow and ear number of rows of grain is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2018/596

(1) Registration Number and date of grant: - **REG/2018/596 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P1899**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH1KTF X PH1BFW and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Ear anthocyanin colouration of glumes of cob is dark purple and kernel shape is toothed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Male parent(PH1BFW) exploited for the development of hybrid P1855 (REG/2014/1772).**

Certificate of Registration REG/2018/622

(1) Registration Number and date of grant: - **REG/2018/622 & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3378**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH49CW X PH43J9 and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is curved and ear anthocyanin colouration of glumes of cob is light purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **15.05.2019**

Certificate of Registration REG/2018/623

(1) Registration Number and date of grant: - **REG/2018/623 & 15/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH49CW**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Other (Inbred line)/ Maize**

(5) Parentage and geographical location of the variety: **PH27AC/PH1136 and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Ear anthocyanin colouration of glumes of cob is dark purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2018/624

(1) Registration Number and date of grant: - **REG/2018/624 & 15/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-**

Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, **Telangana**

(3) Denomination of the variety: **PH43J9**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Other (Inbred line)/ Maize**

(5) Parentage and geographical location of the variety: **PH2RBG/PHM6M and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of anthers is absent and ear colour of top grain is orange.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2018/625

(1) Registration Number and date of grant: - **REG/2018/625 & 15/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH2RBF**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Other (Inbred line)/ Maize**

(5) Parentage and geographical location of the variety: **PHM6T/PH1CH0 and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf width of blade is broad and ear diameter without husk is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2018/626

(1) Registration Number and date of grant: - **REG/2018/626 & 15/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH43G7**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Other (Inbred line)/ Maize**

(5) Parentage and geographical location of the variety: **PH9TJ/PHGMG and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is curved and ear colour of top grain is yellow with cap.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2018/627

(1) Registration Number and date of grant: - **REG/2018/627 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3304**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH2RBF X PH43G7 and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf angle between blade and stem small, tassel anthocyanin colouration at base of glume absent and tassel attitude of lateral branches straight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **15.05.2019**

Certificate of Registration REG/2018/630

(1) Registration Number and date of grant: - **REG/2018/630 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC8161**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **HJ168Z X D0423Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India.**

(6) Details of the distinguishing features or the characteristics: **Anthocyanin colouration of glume cob is light purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **24.05.2016**

Certificate of Registration REG/2018/631

(1) Registration Number and date of grant: - **REG/2018/631 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC9150**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **D9411Z X D3401Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India.**

(6) Details of the distinguishing features or the characteristics: **Absence of anthocyanin colouration of anthers of tassel & white anthocyanin colouration of glumes of cob of ear.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **11.11.2015**

Certificate of Registration REG/2018/632

(1) Registration Number and date of grant: - **REG/2018/632 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC9149**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **BG853Z X H1620Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India.**

(6) Details of the distinguishing features or the characteristics: **Conical shape of ear and yellow with cap colour of top of grain of the ear.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **05.05.2015**

Certificate of Registration REG/2018/670

(1) Registration Number and date of grant: - **REG/2018/670 & 08/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Monsanto India Limited, M/s Monsanto India Ltd., 5th Floor, Ahura Centre 96, Mahakali Caves Road, Andheri (East), Mumbai-400093**, **Maharashtra**

(3) Denomination of the variety: **DKC9178**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **B7293Z X G7055Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India.**

(6) Details of the distinguishing features or the characteristics: **Small leaf angle between blade and stem (on leaf just above upper ear).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **10.06.2017**

Certificate of Registration REG/2018/671

(1) Registration Number and date of grant: - **REG/2018/671 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC9165**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **B9368Z X B1274Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India.**

(6) Details of the distinguishing features or the characteristics: **Absence of anthocyanin colouration of brace roots, light purple anthocyanin colouration of glume of cob.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **11.11.2016**

Certificate of Registration REG/2018/672

(1) Registration Number and date of grant: - **REG/2018/672 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC8171**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **H5683Z X B8935Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India.**

(6) Details of the distinguishing features or the characteristics: **Leaf angle between blade and stem is small, colour of top of grain of ear is orange.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **23.10.2017**

Certificate of Registration REG/2019/61

(1) Registration Number and date of grant: - **REG/2019/61 & 15/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **University of Agricultural Sciences, Director of Research, University of Agricultural Sciences, Dharwad-580005**, **Karnataka**

(3) Denomination of the variety: **DHKN 563**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **DHKN507-1-2-B-B-B and UAS, Dharwad, Karnataka**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches is wide, tassel attitude of lateral branches is curved and ear shape is cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2019/62

(1) Registration Number and date of grant: - **REG/2019/62 & 21/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **University of Agricultural Sciences, Director of Research, University of Agricultural Sciences, Dharwad-580005**, **Karnataka**

(3) Denomination of the variety: **DHKN 509**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **DHKN505-3-3-B-B-B and UAS, Dharwad, Karnataka**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is drooping and tassel angle between main axis and lateral branches is wide.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2019/64

(1) Registration Number and date of grant: - **REG/2019/64 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H.No 1-8-201 to 203, Flat No. 208,209, Ashoka My Home Chambers, SP Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **214IM01874**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **IN-WW569 X IN-WW581 and R&D Station, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches of tassel is wide & colour of top of grain of ear is orange.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2019/65

(1) Registration Number and date of grant: - **REG/2019/65 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, GMR Complex, 5-225/1/A, First Floor, Manikya Reddy Colony, Gundlapochampally, Kompally, Hyderabad-500100, Telangana**

(3) Denomination of the variety: **MM 2033**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **203651 X 203429 and R&D Farm, Mahindra Agri solutions Ltd, Village- Brahmanapally Farm, Mandal-Tupran, Dist.- Medak, Pin-502334, State- Telangana.**

(6) Details of the distinguishing features or the characteristics: **Absence of tassel anthocyanin colouration at base of glume of cobs and yellow with cap colour of top of grain.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2019/67

(1) Registration Number and date of grant: - **REG/2019/67 & 07/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Super Seeds Pvt. Ltd., Mr. Ashwani Kumar Garg, 32, New Anajmandi, Hisar-125001, Haryana**

(3) Denomination of the variety: **SUPER 6768**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **SP5022 X GP149 and R&D Farm, Village- Manoharabad, Taluka- Toopran, Mandal- Toopran, Dist- Ranga Reddy, State- Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume (in middle third of main axis) is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2019/68

(1) Registration Number and date of grant: - **REG/2019/68 & 08/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Super Seeds Pvt. Ltd., Mr. Ashwani Kumar Garg, 32, New Anajmandi, Hisar-125001**, **Haryana**

(3) Denomination of the variety: **SUPER 777**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **SP5022 X GP226 and R&D Farm, Village- Manoharabad, Taluka- Toopran, Mandal- Toopran, Dist- Ranga Reddy, State- Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of anthers (in middle third of main axis on fresh anthers) is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2019/87

(1) Registration Number and date of grant: - **REG/2019/87 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Limagrain (Thailand) Co. Ltd., 1126/2 Vanit 2 Building, 27th Floor, Room No. 2701 and 2704, Phetchaburi Tat Mai Road, Makkasan, Ratchathewi, Bangkok-10400, Thailand**

(3) Denomination of the variety: **TH-SYB21514**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **30Y87-B-4-2-3-4-2-1 X Takfa 1 and R&D Station, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is straight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/31 H

(1) Registration Number and date of grant: - **REG/2020/31 H & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3344**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH27AC X PH1B26 and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of brace root is absent and tassel anthocyanin colouration of anthers is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Hybrid not commercialised. Male parent PH1B26 exploited for the development of other hybrid (P3399; REG/2015/1010).**

Certificate of Registration REG/2020/32 H

(1) Registration Number and date of grant: - **REG/2020/32 H & 17/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3526**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH177S X PH459P and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Plant ear placement is low and ear anthocyanin colouration of glumes of cob is dark purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **24.09.2020**

Certificate of Registration REG/2020/33 H

(1) Registration Number and date of grant: - **REG/2020/33 H & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(3) Denomination of the variety: **X35M284**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH2A7R X PH45A1 and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Narrow tassel angle between main axis and lateral branches & straight tassel attitude of lateral branches (in lower third of tassel).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/34 H

(1) Registration Number and date of grant: - **REG/2020/34 H & 20/09/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **X35M019**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH27AC X PH459S and Pioneer Hi-Bred Private Limited, 3rd Floor, Babukhan's Millennium Centre, 6-3-1099/1100, Raj Bhavan Road, Somajiguda, Hyderabad-500082, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches is wise and ear anthocyanin colouration of glumes of cob is light purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. The female parent (PH27AC) used for development of other hybrid (P3302; REG/2017/2266) & (P3378; REG/2018/622) which was first sold on 23/04/2013.**

Certificate of Registration REG/2020/36 H

(1) Registration Number and date of grant: - **REG/2020/36 H & 10/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMMH 8842**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TM800301 X TM800110 and R&D, Trimurti Plant Sciences Pvt. Ltd., Village- Ramayapalli, Taluka-Toopran,Mandal- Manoharabad, Dist.- Medak, Pin code- 502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of brace root is absent and ear colour of top of grain is orange.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. The male parent (TM800110) used for development of other hybrid (TMMH809; REG/2013/958) which was first sold on 23/04/2013**

Certificate of Registration REG/2020/55 H

(1) Registration Number and date of grant: - **REG/2020/55 H & 10/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Super Seeds Pvt. Ltd., Mr. Ashwani Kumar Garg, 32, New Anajmandi, Hisar-125001**, **Haryana**

(3) Denomination of the variety: **SUPER 6030**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **SP134 X SP131 and R&D Farm, Village- Manoharabad, Taluka- Toopran, Mandal- Toopran, Dist- Ranga Reddy, State- Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of brace roots is absent and kernel shape is indented.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/56 H

(1) Registration Number and date of grant: - **REG/2020/56 H & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Super Seeds Pvt. Ltd., Mr. Ashwani Kumar Garg, 32, New Anajmandi, Hisar-125001**, **Haryana**

(3) Denomination of the variety: **SUPER 1177**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **M27 X M28 and R&D Farm, Village- Manoharabad, Taluka- Toopran, Mandal- Toopran, Dist- Ranga Reddy, State- Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Plant ear placement is high and ear anthocyanin colouration of glumes of cob is white.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/62 H

(1) Registration Number and date of grant: - **REG/2020/62 H & 06/08/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H. NO 1-8-201, Flat No 208, 209, Ashoka my Home Chambers, SP Road, Secunderabad- 500003**, **Telangana**

(3) Denomination of the variety: **LG 36515**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **INWW592 X TH-SYB21408 and R&D Station, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Ear shape is conical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/63 H

(1) Registration Number and date of grant: - **REG/2020/63 H & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H. NO 1-8-201, Flat No 208, 209, Ashoka my Home Chambers, SP Road, Secunderabad- 500003**, **Telangana**

(3) Denomination of the variety: **LG36511**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TH-SYB21514 X IN-WW642 and R&D Station, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf angle between blade and stem (on leaf just above upper ear) small, stem anthocyanin colouration of brace roots present and tassel anthocyanin colouration at base of glume (in middle third of main axis) absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/73 H

(1) Registration Number and date of grant: - **REG/2020/73 H & 12/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy District-501401**, **Telangana**

(3) Denomination of the variety: **NMH-8352**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **NM-199 X NM-718 and R&D Centre, Nuziveedu Seeds Ltd, Kandlakoya Farm, Ranga Reddy District, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Conico-cylindrical shape of ear and light purple anthocyanin colouration of glumes of cob.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **15.05.2018**

Certificate of Registration REG/2020/75 H

(1) Registration Number and date of grant: - **REG/2020/75 H & 12/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, No. 5-225/1/A, GMR Complex, Gundlapochampalli, Manikya Reddy Colony, Medchal Mandal, Kompally, Hyderabad-500100**, **Telangana**

(3) Denomination of the variety: **MM 2050**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **203651 X 203645 and R&D Farm, Mahindra Agri solutions Ltd, Village- Brahmanapally Farm, Mandal-Tupran, Dist.- Medak, Pin-502334, State- Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of glumes excluding the base is present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **The female parent (203651) of cand. variety used for development of hybrid MM2033 (REG/2019/65) and exploited hybrid first sold on 05.06.2019.**

Certificate of Registration REG/2020/81 H

(1) Registration Number and date of grant: - **REG/2020/81 H & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **ADV 759**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **330089 X 330090 and R&D Farm (UPL Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123)**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume is present and kernel shape is indented.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **14.07.2019**

Certificate of Registration REG/2020/81 P1

(1) Registration Number and date of grant: - **REG/2020/81 P1 & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **330089**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **T12010-1 and R&D Farm (UPL Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123).**

(6) Details of the distinguishing features or the characteristics: **Tassel attitute of lateral branches is curved.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Developed hybrid (ADV 759; REG/2020/81) first sold on 14.07.2019**

Certificate of Registration REG/2020/81 P2

(1) Registration Number and date of grant: - **REG/2020/81 P2 & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **330090**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**

Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **T12015-1 and R&D Farm (UPL Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123)**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of brace root is present and tassel attitute of lateral branches is curved.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Developed hybrid (ADV 759; REG/2020/81) first sold on 14.07.2019.**

Certificate of Registration REG/2020/82 H

(1) Registration Number and date of grant: - **REG/2020/82 H & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **ADV 757**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **330093 X 330094 and R&D Farm (UPL Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123)**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches is wide, tassel attitude of lateral branches strongly curved, kernel shape is round.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **20.09.2019**

Certificate of Registration REG/2020/82 P1

(1) Registration Number and date of grant: - **REG/2020/82 P1 & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **330093**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **T12004-1 and R&D Farm (UPL Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123)**

(6) Details of the distinguishing features or the characteristics: **Kernel row arrangement is spiral.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Develop Hybrid (ADV 757; REG/2020/82 H) first sold on 20.09.2019.**

Certificate of Registration REG/2020/82 P2

(1) Registration Number and date of grant: - **REG/2020/82 P2 & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **330094**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **T12012-2 and R&D Farm (UPL Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123)**

(6) Details of the distinguishing features or the characteristics: **Kernel row arrangement is spiral.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Develop Hybrid (ADV 757; REG/2020/82 H) first sold on 20.09.2019.**

Certificate of Registration REG/2020/83 H

(1) Registration Number and date of grant: - **REG/2020/83 H & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **ADV 764**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Zea mays*** **L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **330104 X 330105 and Advanta Enterprises Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches is wide and ear shape is conical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/83 P1

(1) Registration Number and date of grant: - **REG/2020/83 P1 & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **330104**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays*** **L.**
Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **T12011-1 and Advanta Enterprises Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123**

(6) Details of the distinguishing features or the characteristics: **Ear colour of top of grain is orange.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/83 P2

(1) Registration Number and date of grant: - **REG/2020/83 P2 & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **330105**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **T12014-2 and Advanta Enterprises Limited, Agricultural Research Station, Hydalu Village, Mylanahalli Post, Nelmangala Taluk, Bangalore Rural-562123**

(6) Details of the distinguishing features or the characteristics: **Ear colour of top of grain is orange.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/84 H

(1) Registration Number and date of grant: - **REG/2020/84 H & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KMH8322**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **KM19SX001 X KM19SY003 and R&D Centre of the company, Village- Gowraram, Wargal Mandal, Dist.- Medak, Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches is wide.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **01.06.2020**

Certificate of Registration REG/2020/85 H

(1) Registration Number and date of grant: - **REG/2020/85 H & 10/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KMH8333**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **KM19SX002 X KM19SY004 and R&D Centre of the company, Village- Gowraram, Wargal Mandal, Dist.- Medak, Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is strongly curved.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **02.06.2020**

Certificate of Registration REG/2020/96 H

(1) Registration Number and date of grant: - **REG/2020/96 H & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMMH 824**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TM800354 X TM800669 and R&D, Trimurti Plant Sciences Pvt. Ltd., Village- Ramayapalli, Mandal- Manoharabad, Dist.- Medak, Pin code- 502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Ear anthocyanin colouration of glumes of cob is dark purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **14.01.2020**

Certificate of Registration REG/2020/129

(1) Registration Number and date of grant: - **REG/2020/129 & 17/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH12JB**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **PH3BT/PHC2T//PHBNF/PHA0W and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Plant ear placement medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Develop Hybrid (P3546; REG/2014/632) first sold on 23.05.2013**

Certificate of Registration REG/2020/130

(1) Registration Number and date of grant: - **REG/2020/130 & 20/09/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PHD1A**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **PH282/PH3RW and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of glumes excluding the base absent, ear placement medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Develop Hybrid (P3441; REG/2011/464) first sold on 2305.05.2011.**

Certificate of Registration REG/2020/131

(1) Registration Number and date of grant: - **REG/2020/131 & 14/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH13W8**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **PHC2M/PHDAK and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Anthocyanin colouration of anthers is absent and the tassel attitude of lateral branches is curved.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Develop Hybrid (P3542; REG/2014/634) first sold on 26.06.2012.**

Certificate of Registration REG/2020/132

(1) Registration Number and date of grant: - **REG/2020/132 & 17/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH113K**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **PH6HR/PH8GJ and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Ear anthocyanin colouration of glumes of cob light purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Develop Hybrid (P3546; REG/2014/632 and P3533; REG/2014/633) sold on 25.05.2013.**

Certificate of Registration REG/2020/133

(1) Registration Number and date of grant: - **REG/2020/133 & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH1DTV**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **PH8GJ/PHF99 and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium ear diameter without husk.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Develop Hybrid (P3504; REG/2020/135) first sold on 09.11.2018**

Certificate of Registration REG/2020/134

(1) Registration Number and date of grant: - **REG/2020/134 & 03/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **PH15K8**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **PH7W0/PHBEJ and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Small leaf angle between leaf and stem, late time of anthesis, anthocyanin colouration of anthers absent, late time of silk emergence, orange colour of top of grain, toothed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Develop Hybrid (P3533; REG/2014/633) first sold on 23.05.2013.**

Certificate of Registration REG/2020/135 H

(1) Registration Number and date of grant: - **REG/2020/135 H & 10/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3504**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH1DTV X PH2A7R and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is straight and tassel anthocyanin colouration of anther is present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **09.11.2018**

Certificate of Registration REG/2020/154 H

(1) Registration Number and date of grant: - **REG/2020/154 H & 12/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **University of Agricultural Sciences, GKVK, Bangalore-560065**, **Karnataka**

(3) Denomination of the variety: **MAH-14-5**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **CAL1443 X CML451 and Zonal Agricultural Research Station, V.C. Farm, Mandya (UAS, Bangalore)**

(6) Details of the distinguishing features or the characteristics: **Straight leaf attitude of blade, late time of anthesis, anthocyanin colouration at base of glume absent, dense density of spikelets, anthocyanin colouration of sheath present, conico cylindrical ear shape and round.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **25.06.2019**

Certificate of Registration REG/2020/166 H

(1) Registration Number and date of grant: - **REG/2020/166 H & 19/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Worldmark 1, 2nd Floor (West Wing, Aerocity, Vasant Kunj, New Delhi-110037**, **Delhi**

(3) Denomination of the variety: **BIOSEED 9788**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **BIY02 X BZ384-nm and Bioseed Research India's Research Farm, Mokila village, Shankarpally mandal, Ranga reddy district, Andhra Pradesh, India**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches in lower third of tessel straight, kernel shape indented.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **23.04.2019**

Certificate of Registration REG/2020/309 H

(1) Registration Number and date of grant: - **REG/2020/309 H & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Worldmark 1, 2nd Floor (West Wing, Aerocity, Vasant Kunj, New Delhi-110037, Delhi**

(3) Denomination of the variety: **BIOSEED 9546**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **BZ388-nm X PCI001-nm and Bioseed Research India's Research Farm, Mokila village, Shankarpally mandal, Ranga reddy district, Andhra Pradesh, India**

(6) Details of the distinguishing features or the characteristics: **Ear shape is conical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **21.05.2016**

Certificate of Registration REG/2020/309 P1

(1) Registration Number and date of grant: - **REG/2020/309 P1 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Worldmark 1, 2nd Floor (West Wing, Aerocity, Vasant Kunj, New Delhi-110037, Delhi**

(3) Denomination of the variety: **BZ388-nm**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **Derivative of population POPB-9901 and Bioseed Research India's Research Farm, Mokila village, Shankarpally mandal, Ranga reddy district, Andhra Pradesh, India**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis narrow, lateral branches is narrow and kernel row arrangement (middle of ear) straight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Develop Hybrid [BIOSEED 9546; REG/2020/309] first sold on 21.05.2016.**

Certificate of Registration REG/2020/310 H

(1) Registration Number and date of grant: - **REG/2020/310 H & 22/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Director of Research, Tamil Nadu Agricultural University, Tamil Nadu Agricultural University, Coimbatore-641003**, **Tamil Nadu**

(3) Denomination of the variety: **VGIH-I (Va MH-12014)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **UMI1200 X VIM357 and Departments of millets, CPBG, TNAU, Coimbatore- 641003**

(6) Details of the distinguishing features or the characteristics: **Broad leaf width of blade and conical cylindrical ear shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/310 P2

(1) Registration Number and date of grant: - **REG/2020/310 P2 & 22/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Director of Research, Tamil Nadu Agricultural University, Tamil Nadu Agricultural University, Coimbatore-641003**, **Tamil Nadu**

(3) Denomination of the variety: **VIM 357**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **DMR_WN 0872192-3 (DMR) and Maize Research Station, TNAU, Vagarai-624613**

(6) Details of the distinguishing features or the characteristics: **Drooping leaf attitude of blade, conical cylindrical ear shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2020/312 H

(1) Registration Number and date of grant: - **REG/2020/312 H & 14/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **JK Agri Genetics Ltd, 1-10-177, 4th Floor, Varun Towers, Begumpet, Hyderabad-500016**, **Telangana**

(3) Denomination of the variety: **JKMH 4510**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **JMZ0416 X JMZ0476 and R&D Department, JK Agri Genetics Ltd., Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is straight and kernel shape is toothed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **21.06.2012**

Certificate of Registration REG/2021/0041 H

(1) Registration Number and date of grant: - **REG/2021/0041 H & 03/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **Central Maize VL 55 (FH3605)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **V-407 X V-405 and ICAR-VPKAS, Mall Road, Almora-263601, Uttrakhand**

(6) Details of the distinguishing features or the characteristics: **Wide leaf angle between blade and stem (on leaf just above upper ear), drooping leaf attitude of blade, sparse tassel density of spikelets, wide tassel angle between main axis and lateral branches.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **03.11.2017**

Certificate of Registration REG/2015/1443 P1

(1) Registration Number and date of grant: - **REG/2015/1443 P1 & 03/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **V-407**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **V373 X CML173 and ICAR-VPKAS, Mall Road, Almora-263601, Uttrakhand**

(6) Details of the distinguishing features or the characteristics: **Broad leaf width of blade, medium ear diameter and clindrical ear shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Develop Hybrid [Central Maize VL 55 (FH3605)] sold on 03.11.2017**

Certificate of Registration REG/2015/1442 P1

(1) Registration Number and date of grant: - **REG/2015/1442 P1 & 03/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **V-405**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **KH-581 (OP from trial no. 72 Kharif 2001) and ICAR-VPKAS, Mall Road, Almora-263601, Uttrakhand**

(6) Details of the distinguishing features or the characteristics: **Broad leaf width of blade, medium ear diamter and cylindrical ear shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Develop Hybrid [Central Maize VL 55 (FH3605)] sold on 03.11.2017**

Certificate of Registration REG/2021/0053 H

(1) Registration Number and date of grant: - **REG/2021/0053 H & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMMH 2841**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TM800126 X TM800037 and R&D, Trimurti Plant Sciences Pvt. Ltd., Village- Ramayapalli, Mandal- Manoharabad, Dist.- Medak, Pin code- 502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Ear anthocyanin colouration of glumes of cob is light purple and kernel shape is toothed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **22.10.2019**

Certificate of Registration REG/2021/0103 H

(1) Registration Number and date of grant: - **REG/2021/0103 H & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, H.No. 02-076/3/302, 3rd Floor, Saibaba Complex, PetBasheerabad, Quthbullapur Mandal, Secunderabad-500067, Medchal Dist**, **Telangana**

(3) Denomination of the variety: **MM 2122**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **203651 X 203701 and R&D Farm, Mahindra Agri solutions Ltd, Village- Brahmanapally Farm, Mandal-Tupran, Dist.- Medak, Pin-502334, State- Telangana.**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is straight and kernel shape is toothed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Female parent (203651) exploited for development of hybrid (MM2033; REG/2019/65) and developed hybrid first sold on 05.06.2019**

Certificate of Registration REG/2021/0104 H

(1) Registration Number and date of grant: - **REG/2021/0104 H & 13/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H. NO 1-8-201 to 203, Flat No 208, 209, Ashoka my Home Chambers, SP Road, Secunderabad- 500003**, **Telangana**

(3) Denomination of the variety: **LG36611**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**

Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TH-SYA21514 X AZC79 and R&D Station, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is straight and leaf width of blade is broad.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Female parent (TH-SYB21514; REG/2019/87) applied to authority on 20.05.2019**

Certificate of Registration REG/2021/0105 H

(1) Registration Number and date of grant: - **REG/2021/0105 H & 06/08/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H. NO 1-8-201 to 203, Flat No 208, 209, Ashoka my Home Chambers, SP Road, Secunderabad- 500003**, **Telangana**

(3) Denomination of the variety: **LG36505**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TH-SYA21514 X IN-WW640 and R&D Station, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glumes is absent and ear shape is conical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0148 H

(1) Registration Number and date of grant: - **REG/2021/0148 H & 06/08/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H. NO 1-8-201 to 203, Flat No 208, 209, Ashoka my Home Chambers, SP Road, Secunderabad- 500003**, **Telangana**

(3) Denomination of the variety: **LG36601**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **IN-WW592 X IN-WW640 and R&D Station, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Plant ear placement is high and ear colour of top of grain is orange.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Female parent exploited for development of other hybrid (LG36608; REG/2019/66), which was applied to the authority on 03/05/2019**

Certificate of Registration REG/2021/0149 H

(1) Registration Number and date of grant: - **REG/2021/0149 H & 13/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H. NO 1-8-201 to 203, Flat No 208, 209, Ashoka my Home Chambers, SP Road, Secunderabad- 500003**, **Telangana**

(3) Denomination of the variety: **215IM16350**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **IN-WW592 X IN-WW595 and R&D Station, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Plant ear placement is long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Female parent (IN-WW592) exploited for development of other hybrid (LG36608; REG/2019/66), which was applied to the authority on 03/05/2019**

Certificate of Registration REG/2021/0151 H

(1) Registration Number and date of grant: - **REG/2021/0151 H & 16/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **IQMH 202 (LQMH-2) (IIMRQPMH-1601)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **DQL2209 X DMRQPM 106 and ICAR-IIMR, Ludhiana**

(6) Details of the distinguishing features or the characteristics: **Ear shape is cylindrical and many ear number of rows of grains.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **29.01.2021**

Certificate of Registration REG/2021/0151 P1

(1) Registration Number and date of grant: - **REG/2021/0151 P1 & 16/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DQL 2209**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **P61C1-BBB-46-BBB and ICAR-IIMR, Ludhiana**

(6) Details of the distinguishing features or the characteristics: **Absent tassel anthocyanin colouration of anthers (in middle third of main axis on fresh anthers).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Develop Hybrid [IQMH 202 (LQMH-2) (IIMRQPMH-1601)] first sold on 29.01.2021.**

Certificate of Registration REG/2021/0151 P2

(1) Registration Number and date of grant: - **REG/2021/0151 P2 & 16/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DMRQPM 106**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **CLQRCY40 and ICAR-IIMR, Ludhiana**

(6) Details of the distinguishing features or the characteristics: **Cylindrical ear shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Develop Hybrid [IQMH 202 (LQMH-2) (IIMRQPMH-1601)] first sold on 29.01.2021.**

Certificate of Registration REG/2021/0152 H

(1) Registration Number and date of grant: - **REG/2021/0152 H & 16/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **IQMH 203 (LQMH-1705) (IIMRQPMH-1705)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **DQL2192 X DMRQPM106 and ICAR-IIMR, Ludhiana**

(6) Details of the distinguishing features or the characteristics: **Orange ear colour of top of grain, toothed kernel shape and large kernel weight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0152 P1

(1) Registration Number and date of grant: - **REG/2021/0152 P1 & 16/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DQL 2192**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **Su2Su2O2O2-comp-BBB-1-1-1 and ICAR-IIMR, Ludhiana**

(6) Details of the distinguishing features or the characteristics: **Small ear diameter withour husk (in middle).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0161 H

(1) Registration Number and date of grant: - **REG/2021/0161 H & 06/08/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, GMR Complex, No. 5-225/1/A, First Floor, Manikya Reddy Colony, Gundlapochampally, Kompally, Hyderabad-500100, Telangana**

(3) Denomination of the variety: **MM 2424**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **203519 X 203429 and R&D Farm, Mahindra Agri solutions Ltd, Village- Brahmanapally Farm, Mandal-Tupran, Dist.- Medak, Pin-502334, State- Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches is wide and ear shape is conical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0191 H

(1) Registration Number and date of grant: - **REG/2021/0191 H & 18/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **Ladhowal Popcorn Hybrid 2 (LPCH 2) IMHP 1535 (Hybrid)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **JP8 X Dpcl 292 and Regional Maize Research & Seed Production Centre, Begusarai, Bihar/ ICAR-IIMR, Ludhiana, Punjab**

(6) Details of the distinguishing features or the characteristics: **Kernel poppiness is present, yellow ear colour top of grain and conical ear shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0191 P2

(1) Registration Number and date of grant: - **REG/2021/0191 P2 & 18/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **Dpcl 292**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **CML292/HKI4C4P and Regional Maize Research & Seed Production Centre, Begusarai, Bihar/ ICAR-IIMR, Ludhiana, Punjab**

(6) Details of the distinguishing features or the characteristics: **Medium 1000 kernel weight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0192 H

(1) Registration Number and date of grant: - **REG/2021/0192 H & 27/03/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **Ladhowal Popcorn Hybrid 3 (LPCH 3) IMHP 1540 (Hybrid)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **Dpcl15-90 X Dpcl117 and Regional Maize Research & Seed Production Centre, Begusarai, Bihar/ ICAR-IIMR, Ludhiana, Punjab.**

(6) Details of the distinguishing features or the characteristics: **Kernel popiness is present, ear colour top of grain is yellow and number of rows of grains is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0192 P1

(1) Registration Number and date of grant: - **REG/2021/0192 P1 & 27/03/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **Dpcl 15-90**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **HKI4C4B X CML269-1 and Regional Maize Research & Seed Production Centre, Begusarai, Bihar/ ICAR-IIMR, Ludhiana, Punjab.**

(6) Details of the distinguishing features or the characteristics: **Ear shape is conical and number of rows of grains is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0193 H

(1) Registration Number and date of grant: - **REG/2021/0193 H & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **Ladhowal Quality Maize Hybrid 1 (LQMH 1) (IMHQPM 1530) (Hybrid)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **IML343-1 X HKI163 and Regional Maize Research & Seed Production Centre, Begusarai, Bihar/ ICAR-IIMR, Ludhiana, Punjab.**

(6) Details of the distinguishing features or the characteristics: **Wide leaf angle between blade and stem, wide tassel angle between main axis and lateral branches, medium tassel length of main axis above lowest side branch, medium plant ear placement, yellow colour of top of grain, presence of ear anthocyanin colouratio**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0201 H

(1) Registration Number and date of grant: - **REG/2021/0201 H & 27/03/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa Super Sweet Corn 2 (ASKH1)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-SWT016 X PMI-SWT017 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is drooping, kernel sweetness is present, kernel shape is shrunken and number of rows of grains is many.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0201 P1

(1) Registration Number and date of grant: - **REG/2021/0201 P1 & 27/03/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-SWT016**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **Pusa-RIL-91-sel-sh2sh2 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Kernel shape is shrunken.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0201 P2

(1) Registration Number and date of grant: - **REG/2021/0201 P2 & 27/03/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-SWT017**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **CM140/DMR-sh2sh2 donor and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Ear diameter is small.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0202 H

(1) Registration Number and date of grant: - **REG/2021/0202 H & 27/03/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa Super Sweet Corn 1 (ASKH 4)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-SWT019 X PMI-SWT020 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Conical ear shape, kernel sweetness is present, kernel shape shrunken and many number of rows of grains.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0202 P1

(1) Registration Number and date of grant: - **REG/2021/0202 P1 & 27/03/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-SWT019**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **CM140/DMR-SBS-2317-sh2sh2 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Shrunken kernel shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0202 P2

(1) Registration Number and date of grant: - **REG/2021/0202 P2 & 27/03/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-SWT020**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **DQPM03-102/Priya and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Kernel sweetness present**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0222 H

(1) Registration Number and date of grant: - **REG/2021/0222 H & 16/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa HQPM-5 Improved (APQH5)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-PV6 X PMI-PV5 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Being an EDV of IV HQPM-5 has distinguishing character as high Provitamin A (6.77µg/g)**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0222 P1

(1) Registration Number and date of grant: - **REG/2021/0222 P1 & 16/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-PV6**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **HKI163/HP704-22 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Improved for Provitamin A (7.38 ppm) compared to normal maize 1-2 ppm and absent stem anthocyanin colouration of brace root.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0222 P2

(1) Registration Number and date of grant: - **REG/2021/0222 P2 & 16/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-PV5**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **HKI161/HP704-23 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Improved for Provitamin A (7-8 ppm) compared to normal maize 1-2 ppm.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0223 H

(1) Registration Number and date of grant: - **REG/2021/0223 H & 16/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa HM-4 Improved (AQH-4)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-Q1 X PMI-Q2 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Present tassel anthocyanin colouration of glumes excluding base yellow with cap ear colour of top of grain and present kernel opaqness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0223 P1

(1) Registration Number and date of grant: - **REG/2021/0223 P1 & 16/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-Q1**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **HKI1105/CML161 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of anthers (in middle third of main axis on fresh anthers) is absent, ear anthocyanin colouration of silks present and kernel opaqueness present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0223 P2

(1) Registration Number and date of grant: - **REG/2021/0223 P2 & 16/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-Q2**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **HKI323/HKI161 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Present tassel anthocyanin colouration at base of glume and present kernel opaqueness and PMI-Q2 possesses high lysine (3.48%) and high tryptophan (0.78%) in endosperm protein compared to normal maize <0.6% tryptophan and <2.5% lysine).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0228 H

(1) Registration Number and date of grant: - **REG/2021/0228 H & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa HM-9 Improved (AQH-9)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-Q1 X PMI-Q3 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Present tassel anthocyanin colouration of anthers (in middle third of main axis on fresh anthers), present ear anthocyanin colouration of silks (days of emergence), yellow with cap ear colour of top of grain and present kernel opaqness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0228 P2

(1) Registration Number and date of grant: - **REG/2021/0228 P2 & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012**, **Delhi**

(3) Denomination of the variety: **PMI-Q3**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **HKI1128/HKI193-1 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Yellow with cap ear colour of top of grain and present kernel opaqness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0229 H

(1) Registration Number and date of grant: - **REG/2021/0229 H & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa Vivek QPM-9 Improved (APQH-9)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-PV1 X PMI-PV2 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **High provitamin A (8.15 µg/g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0229 P1

(1) Registration Number and date of grant: - **REG/2021/0229 P1 & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-PV1**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **VQL1/HP465-43 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Possesses high provitamin A (4-5 ppm) compared to normal maize (1-2 ppm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0229 P2

(1) Registration Number and date of grant: - **REG/2021/0229 P2 & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-PV2**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **VQL2/HP465-41 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Possesses high provitamin A (4-5 ppm) compared to normal maize (1-2 ppm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0230 H

(1) Registration Number and date of grant: - **REG/2021/0230 H & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa Vivek Hybrid-27 Improved (APH-27)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-PV3 X PMI-PV4 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **High provitamin A (5.49 µg/g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0230 P1

(1) Registration Number and date of grant: - **REG/2021/0230 P1 & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-PV3**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **V335/HP465-30 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Improved for provitamin A (4-5 ppm) compared to normal maize (1-2 ppm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0230 P2

(1) Registration Number and date of grant: - **REG/2021/0230 P2 & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-PV4**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **V345/HP465-35 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Improved for provitamin A (4-5 ppm) compared to normal maize (1-2 ppm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0231 H

(1) Registration Number and date of grant: - **REG/2021/0231 H & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa HQPM-7 Improved (APQH7)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-PV7 X PMI-PV5 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **High Provitamin A (7.10 µg/g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0231 P1

(1) Registration Number and date of grant: - **REG/2021/0231 P1 & 19/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **PMI-PV7**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **HKI193-1/HP704-23 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Improved for provitamin A (7-8 ppm) compared to normal maize (1-2 ppm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2021/0232 H

(1) Registration Number and date of grant: - **REG/2021/0232 H & 20/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa HM-8 Improved (AQH-8)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-Q1 X HKI 161 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Absent tassel anthocyanin colouration at base of glume (in middle third of main axis), curved tassel attitude of lateral branches (in lower third of tassel), yellow with cap ear colour of top of grain and high lysine (4.18%) and tryptophan (1.06 %) in end**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **05.10.2007**

Certificate of Registration REG/2021/0232 P2

(1) Registration Number and date of grant: - **REG/2021/0232 P2 & 20/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **HKI 161**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **CML161 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Kernel opaqueness present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Develop Hybrid [Pusa HM-8 Improved (AQH-8)] first sold on 05.10.2007.**

Certificate of Registration REG/2013/203

(1) Registration Number and date of grant: - **REG/2013/203 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401**, **Telangana**

(3) Denomination of the variety: **PRCH-742 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-39 /PSCP-04 BG-II, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Dense seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/204

(1) Registration Number and date of grant: - **REG/2013/204 & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401**, **Telangana**

(3) Denomination of the variety: **PRCH-135 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P3812 BG-II /PC-P102, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Dense seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/205

(1) Registration Number and date of grant: - **REG/2013/205 & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401**, **Telangana**.

(3) Denomination of the variety: **PRCH-1166 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P102 BG-II /NC-2051, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Present flower petal spot.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/206

(1) Registration Number and date of grant: - **REG/2013/206 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, B Block, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **PRCH-7777 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P711 GMS /NC-1207 BG-II, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Embedded flower stigma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/207

(1) Registration Number and date of grant: - **REG/2013/207 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri District-501401**, **Telangana**

(3) Denomination of the variety: **PRCH-2257 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-102 BG-II /NC-2153 BG-II, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Dense plant stem hairiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/208

(1) Registration Number and date of grant: - **REG/2013/208 & 15/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri District-501401**, **Telangana**

(3) Denomination of the variety: **PRCH-7776 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P711 (GMS) /NC-1207 BG-II, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Excellent fibre uniformity (%).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/209

(1) Registration Number and date of grant: - **REG/2013/209 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, B Block, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **PRCH-7799 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-173 BGII /NC-1167, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Very high ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Sold on 17.04.2013**

Certificate of Registration REG/2013/210

(1) Registration Number and date of grant: - **REG/2013/210 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, B Block, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **PRCH-739 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1108/1 BG-II/NC-185, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Yellow flower petal colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/211

(1) Registration Number and date of grant: - **REG/2013/211 & 06/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor,**

Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401, **Telangana**

(3) Denomination of the variety: **PRCH-711 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P3812 BGII /NC-1185, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour yellow, boll weight of seed cotton/boll medium and seed fuzz dense.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/212

(1) Registration Number and date of grant: - **REG/2013/212 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District) 500100**, **Telangana**

(3) Denomination of the variety: **PRCH-731 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1108/1 BG-II/NC-91, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Exerted flower stigma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/213

(1) Registration Number and date of grant: - **REG/2013/213 & 15/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri District-501401**, **Telangana**

(3) Denomination of the variety: **PRCH-732 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-156/1 BG-II /NC-1185, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Very bold seed index (100 seed wt. in gram).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/214

(1) Registration Number and date of grant: - **REG/2013/214 & 07/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri District-501401**, **Telangana**

(3) Denomination of the variety: **PRCH-733 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1108/1 BG-II /NC-1185, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Medium boll weight of seed cotton/boll (g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/215

(1) Registration Number and date of grant: - **REG/2013/215 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor,**

Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401, **Telangana**

(3) Denomination of the variety: **PRCH-737 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-91 BG II /NC-1051, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Present flower petal spot.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/218

(1) Registration Number and date of grant: - **REG/2013/218 & 14/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri District-501401**, **Telangana**

(3) Denomination of the variety: **PSCP 38 BG-I**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-38 /BG-I Donor line, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Round boll shape and open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/222

(1) Registration Number and date of grant: - **REG/2013/222 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100, Telangana**

(3) Denomination of the variety: **PSCP-02 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-02 /Event Mon 15985 (BGII Donor line), R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Boll opening open.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/224

(1) Registration Number and date of grant: - **REG/2013/224 & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri District-501401**, **Telangana**

(3) Denomination of the variety: **PSCP-04 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-04 /BG-II Donor line, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Fibre fineness is fine.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/225

(1) Registration Number and date of grant: - **REG/2013/225 & 14/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri District-501401**, **Telangana**

(3) Denomination of the variety: **PSCP 36 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP 36 /BGII Donor line, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Yellow flower petal colour and cream flower pollen colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/227

(1) Registration Number and date of grant: - **REG/2013/227 & 14/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri District-501401**, **Telangana**

(3) Denomination of the variety: **PSCP-33 BG-I**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP- 33 /BG-I Donor line, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Open boll opening & very bold seed index 100 seed wt. in gram).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/229

(1) Registration Number and date of grant: - **REG/2013/229 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, B Block, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **PRCH-746 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSC-33 BG-I /PSC-02 BG-II, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Bold seed index 100 seed wt. in gram.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/230

(1) Registration Number and date of grant: - **REG/2013/230 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401**, **Telangana**

(3) Denomination of the variety: **PRCH-752 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-35 BGI /PSCP-04 BG-II, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Flower pollen colour yellow and fibre fineness fine.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/231

(1) Registration Number and date of grant: - **REG/2013/231 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, B Block, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **PRCH-753 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-36 BG-II /PSCP-04 BG-II, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Yellow flower pollen colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/232

(1) Registration Number and date of grant: - **REG/2013/232 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, B Block, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **PRCH-754 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-39 /PSCP-16 BG-II, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Yellow flower petal colour & medium fibre fineness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/233

(1) Registration Number and date of grant: - **REG/2013/233 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, B Block, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **PRCH-757 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-102 BG-II /NC-183, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Leaf shape is digitate (okra).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The male parent NC-183, Reg/2009/200, (VCK) of candidate hybrid has been already applied on 22.04.2009**

Certificate of Registration REG/2013/234

(1) Registration Number and date of grant: - **REG/2013/234 & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401**, **Telangana**

(3) Denomination of the variety: **PRCH-758 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-38 BGII /PSCP-02 BGII, R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Flower pollen colour cream.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/241

(1) Registration Number and date of grant: - **REG/2013/241 & 24/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, 273, Kamarajanar Road, Attur, Salem (Dt.)-636102**, **Tamil Nadu**

(3) Denomination of the variety: **RCH773 BGII**

(4) Name of: Family: **Malvaceae**

Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC 370 /RC 112/B, R&D Green House at 35 A, Naranapuram, Kallanatham, Attur, Salem District, Tamil Nadu**

(6) Details of the distinguishing features or the characteristics: **Medium seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.04.2012**

Certificate of Registration REG/2013/247

(1) Registration Number and date of grant: - **REG/2013/247 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **BIO 7213-2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **CH00102 BGII /CH05045 BGII, Research Farm, Aurangabad (MH) & Shankar Pally (TS)**

(6) Details of the distinguishing features or the characteristics: **Cream flower pollen colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.06.2012**

Certificate of Registration REG/2013/272

(1) Registration Number and date of grant: - **REG/2013/272 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, #8-2-277/45, 1st Floor, UBI Colony, Road No.3, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **PC-P6507/1 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P6507 /BG-II Donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Hypocotyl pigmentation is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The cand. variety has exploited for development of hybrid: PCH-9609 Bt2 sold:08.05.2011**

Certificate of Registration REG/2013/274

(1) Registration Number and date of grant: - **REG/2013/274 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-5040/1 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-5040 /NC-71BG-II, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Medium tall plant height and open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The cand. variety NC-5040/1 BG-II has exploited for development of hybrid: NCS-9015 Bt2 sold: 01.10.2010**

Certificate of Registration REG/2013/275

(1) Registration Number and date of grant: - **REG/2013/275 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-160/3 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-160 /NC-71 BGII, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Hypocotyl pigmentation absent and boll opening open.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.04.2013**

Certificate of Registration REG/2013/276

(1) Registration Number and date of grant: - **REG/2013/276 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-160/2 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-160 /NC-71 BG-II, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour cream**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-160/2 BG-II has exploited for development of hybrid NCS-8899 BG-II and Hybrid Sold on 01.08.2013**

Certificate of Registration REG/2013/295

(1) Registration Number and date of grant: - **REG/2013/295 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy District-501401**, **Telangana**

(3) Denomination of the variety: **NC-160/4 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-160 /NC-71 BG-II, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Sparse plant stem hairiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-160/4 BG-II has exploited for development of hybrid: NCS 9002 BG-II & Hybrid sold 05.05.2011**

Certificate of Registration REG/2013/328

(1) Registration Number and date of grant: - **REG/2013/328 & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, 273, Kamarajanar Road, Attur, Salem (Dt.)-636102**, **Tamil Nadu**

(3) Denomination of the variety: **RCH659BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC 396/RC 380, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Plant height (cm) tall.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **05.06.2012**

Certificate of Registration REG/2013/340 H

(1) Registration Number and date of grant: - **REG/2013/340 H & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, 273, Kamarajanar Road, Attur, Salem (Dt.)-636102**, **Tamil Nadu**

(3) Denomination of the variety: **RCH386BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC 375 /RC 376, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Boll weight of seed cotton/boll large.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/430

(1) Registration Number and date of grant: - **REG/2013/430 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-152 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-152 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Small seed index (100 seed wt. in gm) & good fibre uniformity (%).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-152 Bt2 has exploited for development of hybrid: NCS-858 Bt2 and hybrid sold 07.05.2009**

Certificate of Registration REG/2013/431

(1) Registration Number and date of grant: - **REG/2013/431 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-160 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-160 /NC-71Bt (Bt donor line), R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Very high ginning % and average fibre uniformity (%).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-160 Bt has exploited for development of hybrid: NCS 904 Bt and Hybrid sold 07.04.2010**

Certificate of Registration REG/2013/432

(1) Registration Number and date of grant: - **REG/2013/432 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-173 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-173 /NC-71 Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Dense seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-173 Bt exploited for development of hybrid: NCS 901 Bt and Hybrid sold 31.03.2010**

Certificate of Registration REG/2013/433

(1) Registration Number and date of grant: - **REG/2013/433 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-113 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-113 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Semi open boll opening & medium ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: NCS-861 Bt2 and hybrid sold 18.05.2009**

Certificate of Registration REG/2013/434

(1) Registration Number and date of grant: - **REG/2013/434 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-107 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-107 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Bold seed index (100 seed wt.)**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: NCS-866 Bt2 and hybrid sold 02.06.2009**

Certificate of Registration REG/2013/435

(1) Registration Number and date of grant: - **REG/2013/435 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-159 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-159 /NC-71Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Absent hypocotyl pigmentation & medium seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-159 Bt has exploited for development of hybrid: NCS 858 Bt2, & Hybrid sold 07.05.2009**

Certificate of Registration REG/2013/436

(1) Registration Number and date of grant: - **REG/2013/436 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-0707 BG-I**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **FC-0707 /NC-71 Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour yellow and flower stigma embedded.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2013/437

(1) Registration Number and date of grant: - **REG/2013/437 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-152 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-152 /NC-71Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Medium leaf hairiness and medium tall plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-152 Bt exploited for development of hybrid: NCS 905 Bt & Hybrid sold 08.04.2010**

Certificate of Registration REG/2013/438

(1) Registration Number and date of grant: - **REG/2013/438 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-106 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-106 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Dense plant stem hairiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: NCS-863 Bt2 & sold 03.06.2009**

Certificate of Registration REG/2013/439

(1) Registration Number and date of grant: - **REG/2013/439 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-216 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-216 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Dense seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-216 Bt2 exploited for development of hybrid: NCS-862 Bt2 and hybrid sold: 18.05.2009**

Certificate of Registration REG/2013/440

(1) Registration Number and date of grant: - **REG/2013/440 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-160 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-160 /NC-71 Bt2 (Bt2 donor line), R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Leaf appearance is cup.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The cand. variety NC-160 Bt2 has exploited for development of hybrid: NCS-9030 Bt2 sold: 16.06.2010**

Certificate of Registration REG/2013/441

(1) Registration Number and date of grant: - **REG/2013/441 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-158 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-158 /NC-71Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Sparse leaf hairiness & medium seed index (100 seed wt. in gm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-158 Bt has exploited for development of hybrid: NCS 1915 Bt, & Hybrid sold 26.04.2011**

Certificate of Registration REG/2013/442

(1) Registration Number and date of grant: - **REG/2013/442 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy District-501401**, **Telangana**

(3) Denomination of the variety: **NC-158 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-158 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Fibre fineness fine.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: NCS 9028 Bt2 & Hybrid sold 16.06.2010**

Certificate of Registration REG/2013/443

(1) Registration Number and date of grant: - **REG/2013/443 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **NC-173 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-173 /NC-71 Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Medium seed index.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-173 Bt2 exploited for development of hybrid: NCS 855 Bt2 & Hybrid sold 20.05.2009**

Certificate of Registration REG/2013/444

(1) Registration Number and date of grant: - **REG/2013/444 & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-1171 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1171 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Exerted flower stigma and very high ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-1171 Bt2 exploited for development of hybrid: NCS-929 Bt2 & Hybrid sold 26.05.2010**

Certificate of Registration REG/2013/445

(1) Registration Number and date of grant: - **REG/2013/445 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-112 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-112 /NC-71Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Cup leaf appearance.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The cand. variety exploited for development of hybrid: NCS-862 Bt2 & sold 18.05.2009**

Certificate of Registration REG/2013/446

(1) Registration Number and date of grant: - **REG/2013/446 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-170 Bt2**

(4) Name of: Family: **Malvaceae**

Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-170 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Weak fiber strength.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: NCHB-9902 Bt2 & sold 13.07.2010**

Certificate of Registration REG/2013/448

(1) Registration Number and date of grant: - **REG/2013/448 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-126 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-126 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Round boll shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: NCS-867 Bt2 & sold 18.05.2010**

Certificate of Registration REG/2013/449

(1) Registration Number and date of grant: - **REG/2013/449 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-142 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-142 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Cup leaf appearance & very bold seed index.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-142 Bt2 exploited for development of hybrid: NCS-950 Bt2 and hybrid sold: 31.05.2010**

Certificate of Registration REG/2013/450

(1) Registration Number and date of grant: - **REG/2013/450 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy District-501401**, **Telangana**

(3) Denomination of the variety: **NC-1154 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1154 /NC-71Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Embedded flower stigma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-1154 Bt exploited for development of hybrid: NCS 856 Bt2 sold 07.05.2009**

Certificate of Registration REG/2013/451

(1) Registration Number and date of grant: - **REG/2013/451 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-1130 Bt2**

(4) Name of: Family: **Malvaceae**

Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1130 /NC-71 Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Leaf appearance cup.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: NCHB 991Bt2 sold 12.08.2011**

Certificate of Registration REG/2013/452

(1) Registration Number and date of grant: - **REG/2013/452 & 10/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri Dist (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **NC-130 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-130 /NC-71 Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Leaf appearance cup.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety NC-130 Bt has been exploited for development of hybrid NCS-1912 Bt and hybrid already applied on 20.10.2010**

Certificate of Registration REG/2013/453

(1) Registration Number and date of grant: - **REG/2013/453 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy District-501401**, **Telangana**

(3) Denomination of the variety: **NC-156 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-168 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety has been exploited for development of hybrid NCS-9014 Bt2 and hybrid sold 23.05.2010**

Certificate of Registration REG/2013/454

(1) Registration Number and date of grant: - **REG/2013/454 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-167 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-167 /NC-71 Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **High ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The cand. variety NC-167 Bt2 exploited for development of hybrid: NCS 9024 Bt2 & hybrid applied 20.08.2011**

Certificate of Registration REG/2013/456

(1) Registration Number and date of grant: - **REG/2013/456 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-201 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-201 /NC-71 Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Fibre fineness is fine.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration REG/2013/458

(1) Registration Number and date of grant: - **REG/2013/458 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-156/1 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-156 /NC-71 Bt2 donor line, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Ginning % high and fibre length (2.5% span length) (mm) medium long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration REG/2013/461

(1) Registration Number and date of grant: - **REG/2013/461 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-1154 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1154 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **High ginning (%).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety exploited for development of hybrid: NCS 9011 Bt2 & Hybrid sold 16.04.2012.**

Certificate of Registration REG/2013/462

(1) Registration Number and date of grant: - **REG/2013/462 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-168 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-168 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Medium boll wt. of seed cotton/boll (g) & average fibre uniformity.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The cand. variety NC-168 Bt2 exploited for development of hybrid: NCHB-9904 Bt2 and applied on 12.08.2011**

Certificate of Registration REG/2013/463

(1) Registration Number and date of grant: - **REG/2013/463 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**

(3) Denomination of the variety: **NC-99 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-99 /NC-71 Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Boll prominence of tip is blunt.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration REG/2013/464

(1) Registration Number and date of grant: - **REG/2013/464 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **NC-102 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-102 /NC-71 Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted and fibre length extra long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration REG/2013/472

(1) Registration Number and date of grant: - **REG/2013/472 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-91 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-91 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Fine fibre fineness (micronaire value).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: PPRCH-737 BG-II & sold 09.05.2012**

Certificate of Registration REG/2013/479

(1) Registration Number and date of grant: - **REG/2013/479 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC-1108 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1108 /NC-71Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Cup leaf appearance.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: NCS-860 Bt2 and sold 30.05.2009**

Certificate of Registration REG/2013/1285

(1) Registration Number and date of grant: - **REG/2013/1285 & 14/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal Malkajgiri- (Formerly Rangareddy) Dist.-501401**, **Telangana**

(3) Denomination of the variety: **PC-P281**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **LRA 5166 //(NCGP-321/NCGP-664))-10-7-5-3-1, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Small seed index 100 seed weight in gram.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety exploited for development of hybrid: PCH-404 Bt and sold 05.05.2010**

Certificate of Registration REG/2014/444

(1) Registration Number and date of grant: - **REG/2014/444 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal Malkajgiri Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P1512 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P1512 /Event Mon 531 (Donor Line), R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness dense.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-2270 Bt and hybrid sold on 03.06.2006.**

Certificate of Registration REG/2014/448

(1) Registration Number and date of grant: - **REG/2014/448 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal Malkajgiri Dist.-500100**, **Telangana**

(3) Denomination of the variety: **PC-P1512 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-1512 /Bt2 Donor line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness dense and boll shape round.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-2270 Bt2 and hybrid sold on 01.04.2009.**

Certificate of Registration REG/2014/450

(1) Registration Number and date of grant: - **REG/2014/450 & 05/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, #8-2-277/45, 1st Floor, UBI Colony, Road No.3, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **PC-P761**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Inbred Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PABCGP 089)-11-4-3-3-1) /MCU 7, R&D, Prabhat Agri Biotech Ltd**

(6) Details of the distinguishing features or the characteristics: **Medium boll wt. of seed cotton/boll in gm, and medium seed index (100 seed wt. in gram).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid: PCH-877 Bt2, sold on 08.04.2010**

Certificate of Registration REG/2014/452

(1) Registration Number and date of grant: - **REG/2014/452 & 18/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, #8-2-277/45, 1st Floor, UBI Colony, Road No.3, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **PC-P951 Bt**

(4) Name of: Family: **Malvaceae**

Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Inbred Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P951 /Bt doner line, R&D, Prabhat Agri Biotech Ltd**

(6) Details of the distinguishing features or the characteristics: **Embedded flower stigma and dense seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid: PCH-403 Bt & hybrid sold: 19.05.2010)**

Certificate of Registration REG/2014/455

(1) Registration Number and date of grant: - **REG/2014/455 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P211 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P211 /Event Mon 15985 (Bt2 Donor Line), R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Very low ginning %**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety exploited for development of hybrid PCH-887 Bt2 and hybrid sold on 18.05.2010.**

Certificate of Registration REG/2014/456

(1) Registration Number and date of grant: - **REG/2014/456 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P601 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P601 /(Bt Donor Line), R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-1413 Bt and hybrid sold on 29.05.2010.**

Certificate of Registration REG/2014/457

(1) Registration Number and date of grant: - **REG/2014/457 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P251 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P251 /Bt2 Donor Line (MON 15985 Event), R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-878 Bt2 and hybrid sold on 31.03.2010.**

Certificate of Registration REG/2014/458

(1) Registration Number and date of grant: - **REG/2014/458 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P251 Bt**

(4) Name of: Family: **Malvaceae**

Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P251 /Bt Donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Seed index (100 seed wt. in gram) medium and fibre fineness (micronaire value) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-401 Bt and hybrid sold on 07.05.2010.**

Certificate of Registration REG/2014/459

(1) Registration Number and date of grant: - **REG/2014/459 & 21/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, #8-2-277/45, 1st Floor, UBI Colony, Road No.3, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **PC-P601**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Inbred Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P601 /(PABCGP-547/HS 6)-128-6-2-1, Prabhat Agri Biotech Ltd**

(6) Details of the distinguishing features or the characteristics: **Medium tall plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid: PCH-405 Bt, Reg/2010/80) and sold: 05.05.2010**

Certificate of Registration REG/2014/460

(1) Registration Number and date of grant: - **REG/2014/460 & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P661**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Inbred Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PABCGP-036 /Abadhita, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness sparse and plant stem hairiness sparse.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-1410 Bt) and hybrid sold on 07.05.2010.**

Certificate of Registration REG/2014/461

(1) Registration Number and date of grant: - **REG/2014/461 & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal Malkajgiri Dist.-500100**, **Telangana**

(3) Denomination of the variety: **PC-P801 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P801 /Event Mon 15985 (Bt2 Donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Ginning % very high.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-205 Bt) and hybrid sold on 11.06.2008**

Certificate of Registration REG/2014/462

(1) Registration Number and date of grant: - **REG/2014/462 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal Malkajgiri Dist.-500100**, **Telangana**

(3) Denomination of the variety: **PC-P17 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P17 /Event Mon 15985 (Bt2 Donor Line), R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Plant height semi dwarf and flower stigma embedded.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-115 Bt2 and hybrid sold on 05.06.2009.**

Certificate of Registration REG/2014/464

(1) Registration Number and date of grant: - **REG/2014/464 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P371 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P371 /Event Mon 15985 (Bt2 Donor Line), R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Very small seed index 100 seed wt. in gram.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety exploited for development of hybrid PCH-877 Bt2 and hybrid sold on 08.04.2010.**

Certificate of Registration REG/2014/465

(1) Registration Number and date of grant: - **REG/2014/465 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P661 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P661 /Event Mon 15985 (Bt2 Donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Plant growth habit semi spreading.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-9613 Bt2 and hybrid sold on 12.05.2011**

Certificate of Registration REG/2014/466

(1) Registration Number and date of grant: - **REG/2014/466 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P761 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P761 /Bt2 Donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Plant stem hairiness medium & fibre fineness (Micronaire value) fine.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety exploited for development of hybrid PCH-879 Bt2 and hybrid sold on 26.06.2009**

Certificate of Registration REG/2014/467

(1) Registration Number and date of grant: - **REG/2014/467 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100**, **Telangana**

(3) Denomination of the variety: **PC-P311 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P311 /Event Mon 15985 (Bt2 Donor Line), R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Boll weight of seed cotton/boll (g) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-882 Bt2 and hybrid sold on 16.06.2009**

Certificate of Registration REG/2014/468

(1) Registration Number and date of grant: - **REG/2014/468 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100**, **Telangana**

(3) Denomination of the variety: **PC-P951 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P951 /Bt2 Donor line, R&D farm, farm, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Embedded flower stigma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety exploited for development of hybrid PCH-876 Bt2 and hybrid sold on 26.06.2009.**

Certificate of Registration REG/2014/471

(1) Registration Number and date of grant: - **REG/2014/471 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal Malkajgiri Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P061 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P061 /Bt2 Donor line, R&D farm, farm, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Sparse leaf hairiness**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety exploited for development of hybrid PCH-9611 Bt2 and hybrid sold on 08.05.2011**

Certificate of Registration REG/2014/473

(1) Registration Number and date of grant: - **REG/2014/473 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal Malkajgiri Dist.-500100**, **Telangana**

(3) Denomination of the variety: **PC-P8011 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P761 /Bt2 donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Fibre uniformity % good.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety exploited for development of hybrid PCH-9605 Bt2 and hybrid sold on 08.05.2011.**

Certificate of Registration REG/2014/474

(1) Registration Number and date of grant: - **REG/2014/474 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal Malkajgiri Dist.-500100**, **Telangana**

(3) Denomination of the variety: **PC-P621 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P621 /Bt2 donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted and flower pollen colour cream.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-885 Bt2 and hybrid sold on 25.02.2010.**

Certificate of Registration REG/2014/475

(1) Registration Number and date of grant: - **REG/2014/475 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal Malkajgiri Dist.-500100**, **Telangana**

(3) Denomination of the variety: **PC-P621 Bt**

(4) Name of: Family: **Malvaceae**

Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P621 /Bt donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-1411 Bt and hybrid sold on 07.05.2010.**

Certificate of Registration REG/2014/476

(1) Registration Number and date of grant: - **REG/2014/476 & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal Malkajgiri (Formerly Rangareddy), Dist.-500100, Telangana**

(3) Denomination of the variety: **PC-P861**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Inbred Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **G Cot 100 /(PABCGP-046)-13-9-5-2-1, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-407 Bt and hybrid sold on 05.05.2010.**

Certificate of Registration REG/2014/477

(1) Registration Number and date of grant: - **REG/2014/477 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, #8-2-277/45, 1st Floor, UBI Colony, Road No.3, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **PC-P701Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P701 /Bt2 donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Bold seed index 100 seed wt.in gram**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-1410 Bt and hybrid sold on 29.05.2010**

Certificate of Registration REG/2014/478

(1) Registration Number and date of grant: - **REG/2014/478 & 05/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, #8-2-277/45, 1st Floor, UBI Colony, Road No.3, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **PC-P211**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Inbred Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **(G Cot 100 x DS 28)-12-6-4-2-1 /PABCGP-998, R&D, Prabhat Agri Biotech Ltd**

(6) Details of the distinguishing features or the characteristics: **Cup leaf appearance and medium flower time of flowering (50% of plant with at least on open flower).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid: PCH-409 Bt, Reg/2010/79, sold on 12.06.2008**

Certificate of Registration REG/2014/479

(1) Registration Number and date of grant: - **REG/2014/479 & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100**, **Telangana**

(3) Denomination of the variety: **PC-P651 Bt2**

(4) Name of: Family: **Malvaceae**

Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PC-P651 /Bt2 donor Line, R&D Centre, Dabilpur- Village, Medak- Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Plant height very tall & boll weight of seed cotton/boll (g) large.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Cand. variety was exploited for development of hybrid PCH-888 Bt2 and hybrid sold on 27.06.2009.**

Certificate of Registration REG/2014/767

(1) Registration Number and date of grant: - **REG/2014/767 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri - 413722, Dist-Ahmednagar, Maharashtra**

(3) Denomination of the variety: **RHC-0717**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **K-03 /01-16-26-28-48-18, MPKV-Rahuri**

(6) Details of the distinguishing features or the characteristics: **Seed fuzz medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/768

(1) Registration Number and date of grant: - **REG/2014/768 & 03/03/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Director of Research**

Rahuri - 413722, Dist- Ahilyanagar, Maharashtra

(3) Denomination of the variety: **RHH-0622**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RHC-0688 /RHC-004, Cotton Improvement Project, MPKV Rahuri.**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The female parent RHC-0688 (Extant) of candidate hybrid was already applied on 28.11.2011**

Certificate of Registration REG/2014/769

(1) Registration Number and date of grant: - **REG/2014/769 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri - 413722, Dist-Ahmednagar**, **Maharashtra**

(3) Denomination of the variety: **RHCb-011**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium barbadense* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Selection from GB.9802 /GB.9802, MPKV-Rahuri**

(6) Details of the distinguishing features or the characteristics: **Seed fuzz sparse.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration REG/2014/826 H

(1) Registration Number and date of grant: - **REG/2014/826 H & 20/09/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Solar Agrotech Pvt Ltd, Bhaichand Mehta Industrial Estate, B/h Krishna Park Hotel, NH-27, Vavdi, Rajkot-360004**, **Gujarat**

(3) Denomination of the variety: **MAHASANGRAM BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **560 BG /8810 BGII, Research Farm, Rajkot, (Gujarat)**

(6) Details of the distinguishing features or the characteristics: **Very high ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.05.2010**

Certificate of Registration REG/2014/828 H

(1) Registration Number and date of grant: - **REG/2014/828 H & 03/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Solar Agrotech Pvt Ltd, Bhaichand Mehta Industrial Estate, B/h Krishna Park Hotel, NH-27, Vavdi, Rajkot-360004, Gujarat**

(3) Denomination of the variety: **SARJU BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **101 BG /8832 BGII, Research Farm, Rajkot, (Gujarat)**

(6) Details of the distinguishing features or the characteristics: **Open boll opening, high ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **08.05.2011**

Certificate of Registration REG/2014/829 H

(1) Registration Number and date of grant: - **REG/2014/829 H & 20/09/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Solar Agrotech Pvt Ltd, Bhaichand Mehta Industrial Estate, B/h Krishna Park Hotel, NH-27, Vavdi, Rajkot-360004, Gujarat**

(3) Denomination of the variety: **SOLAR 77 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **8895 BGII /S-515, Research Farm, Rajkot, (Gujarat)**

(6) Details of the distinguishing features or the characteristics: **Medium boll weight of seed cotton/boll (g) & very high ginning (%).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **23.04.2010**

Certificate of Registration REG/2014/830 H

(1) Registration Number and date of grant: - **REG/2014/830 H & 20/09/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Solar Agrotech Pvt Ltd, Bhaichand Mehta Industrial Estate, B/h Krishna Park Hotel, NH-27, Vavdi, Rajkot-360004, Gujarat**

(3) Denomination of the variety: **SOLAR 66 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **Extant (VCK)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **560 BG /651 BGII, Research Farm, Rajkot, (Gujarat)**

(6) Details of the distinguishing features or the characteristics: **Cup leaf appearance & pointed boll prominence of tip.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **08.05.2009**

Certificate of Registration REG/2014/831 H

(1) Registration Number and date of grant: - **REG/2014/831 H & 20/09/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Solar Agrotech Pvt Ltd, Bhaichand Mehta Industrial Estate, B/h Krishna Park Hotel, NH-27, Vavdi, Rajkot-360004**, **Gujarat**

(3) Denomination of the variety: **SOLAR 76 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **8805 BGII /109 BG, Research Farm, Rajkot, (Gujarat)**

(6) Details of the distinguishing features or the characteristics: **Yellow flower pollen colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **02.05.2011**

Certificate of Registration REG/2014/910

(1) Registration Number and date of grant: - **REG/2014/910 & 21/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RC467**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC148 /RC20T, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Medium seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The cand. variety exploited for development of hybrid: RCH-653 BG-II applied on 15.02.2013**

Certificate of Registration REG/2014/1018

(1) Registration Number and date of grant: - **REG/2014/1018 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **Pinaka (MH 5343 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COBX110054 /COBD110423, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Good fibre uniformity.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **10.05.2013**

Certificate of Registration REG/2014/1019

(1) Registration Number and date of grant: - **REG/2014/1019 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **Ajooba (MH 5361 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COBX110033 /COBD110423, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Good fibre uniformity.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **10.05.2013**

Certificate of Registration REG/2014/1202

(1) Registration Number and date of grant: - **REG/2014/1202 & 10/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Green Gold Seeds Pvt Ltd, Gut No. 65, Narayanpur Shivar, Waluj, Tq: Gangapur, Dist: Aurangabad-431133**, **Maharashtra**

(3) Denomination of the variety: **GOLD VARDAN BGII (GBCH 95 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **G-28-10 (Non Bt) /GH-72 (Bt), R&D Narayanpur Shivar, Waluj, TQ. Gangapur, Dist. Aurangabad.**

(6) Details of the distinguishing features or the characteristics: **Embedded flower stigma & large boll weight of seed cotton/boll (g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.05.2012**

Certificate of Registration REG/2014/1203

(1) Registration Number and date of grant: - **REG/2014/1203 & 10/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Green Gold Seeds Pvt Ltd, Gut No. 65, Narayanpur Shivar, Waluj, Tq: Gangapur, Dist: Aurangabad-431133**, **Maharashtra**

(3) Denomination of the variety: **GOLD KAVITA BGII (GBCH 90 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **G-13 (Non Bt) /GH-933 (Bt), R&D Narayanpur Shivar, Waluj, TQ. Gangapur, Dist. Aurangabad.**

(6) Details of the distinguishing features or the characteristics: **Dense seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **28.05.2012**

Certificate of Registration REG/2014/1204

(1) Registration Number and date of grant: - **REG/2014/1204 & 10/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Green Gold Seeds Pvt Ltd, Gut No. 65, Narayanpur Shivar, Waluj, Tq: Gangapur, Dist: Aurangabad-431133**, **Maharashtra**

(3) Denomination of the variety: **GOLD KUBER BGII (GBCH 85 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **G-2-5 (Non Bt) /GH-11-1 (Bt), R&D Narayanpur Shivar, Waluj, TQ. Gangapur, Dist. Aurangabad.**

(6) Details of the distinguishing features or the characteristics: **Large boll weight of seed cotton/boll (g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.05.2012**

Certificate of Registration REG/2014/1296 H

(1) Registration Number and date of grant: - **REG/2014/1296 H & 06/08/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH-111 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KCL-113 /JC-348 BGII, R&D Farm, Gowraram, Kaveri Seed Company Ltd.**

(6) Details of the distinguishing features or the characteristics: **Good fibre uniformity (%).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/1297

(1) Registration Number and date of grant: - **REG/2014/1297 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH-144 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KCL-41 /KCS-189 BG II, R&D Farm, Gowraram District, Telangana**

(6) Details of the distinguishing features or the characteristics: **Excellent fibre uniformity (%).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/1299

(1) Registration Number and date of grant: - **REG/2014/1299 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH-711 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KCS-374 BG II /KCS-285-2, R&D Farm, Gowraram District, Telangana**

(6) Details of the distinguishing features or the characteristics: **Dense plant stem hairiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/1720

(1) Registration Number and date of grant: - **REG/2014/1720 & 03/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCL-9**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KGPGH-108 /Supriya, R&D Farm, Gowraram District, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf appearance flat.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/1724

(1) Registration Number and date of grant: - **REG/2014/1724 & 22/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCL-13**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **LK861 /L389, R&D Farm, Gowraram District, Telangana**

(6) Details of the distinguishing features or the characteristics: **Compact plant growth habit embedded flower stigma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/1729

(1) Registration Number and date of grant: - **REG/2014/1729 & 14/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCL-25**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RCH 20 F1 /Ankur 651 F1, R&D Farm, Gowraram District, Telangana**

(6) Details of the distinguishing features or the characteristics: **Flat leaf appearance.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/1734

(1) Registration Number and date of grant: - **REG/2014/1734 & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCL-20**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Surabi /Sahana, R&D Farm, Gowraram District, Telangana**

(6) Details of the distinguishing features or the characteristics: **Semi-dwarf plant height and compact (spreading <30cm) plant growth habit.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/2143

(1) Registration Number and date of grant: - **REG/2014/2143 & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082, Telangana**

(3) Denomination of the variety: **TMC 500040**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Selection from Hybrid No.-14 (50014) /-, R&D Centre, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Medium seed index.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/2392

(1) Registration Number and date of grant: - **REG/2014/2392 & 14/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RC461**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC064 /RC45SB, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Exerted flower stigma and cream fibre colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.09.2014**

Certificate of Registration REG/2015/216

(1) Registration Number and date of grant: - **REG/2015/216 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, 174, Sathyamurthy Road, Ramnagar, Coimbatore-641009**, **Tamil Nadu**

(3) Denomination of the variety: **RCH602 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC 354 /RC 379, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Medium plant stem hairiness and very tall plant height (cm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.03.2014**

Certificate of Registration REG/2015/327

(1) Registration Number and date of grant: - **REG/2015/327 & 27/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Green Gold Seeds Pvt Ltd, Gut No. 65, Narayanpur Shivar, Waluj, Tq: Gangapur, Dist: Aurangabad-431133**, **Maharashtra**

(3) Denomination of the variety: **GOLD VITTHAL BGII (GBCH 8888BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **GH 11-1 Bt /G-26, R&D Centre Gangapur, Aurangabad**

(6) Details of the distinguishing features or the characteristics: **Spreading plant growth habit and open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **28.05.2012**

Certificate of Registration REG/2015/1066

(1) Registration Number and date of grant: - **REG/2015/1066 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Crystal Crop Protection Ltd, B-95, Wazirpur Industrial Area, Wazirpur, Delhi-110052**, **Delhi**

(3) Denomination of the variety: **SP7149 BGII (FIRST CLASS)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid & Trangenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **BT 203 /C 10768, Cotton Research farm in at various location across India**

(6) Details of the distinguishing features or the characteristics: **Ginning % very high.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **17.05.2013**

Certificate of Registration REG/2015/1067

(1) Registration Number and date of grant: - **REG/2015/1067 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Crystal Crop Protection Ltd, B-95, Wazirpur Industrial Area, Wazirpur, Delhi-110052**, **Delhi**

(3) Denomination of the variety: **SP7517 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Hybrid & Trangenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **C1078 BGII /C 10294, Cotton Research farm in at various location across India, Aurangabad (MH) and Hyderabad (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **16.07.2015**

Certificate of Registration REG/2015/1868

(1) Registration Number and date of grant: - **REG/2015/1868 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, 174, Sathyamurthy Road, Ramnagar, Coimbatore-641009**, **Tamil Nadu**

(3) Denomination of the variety: **RC507**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium barbadense* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC270 /RC45BGI, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Plant growth habit spreading (>60 cm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2015/1869

(1) Registration Number and date of grant: - **REG/2015/1869 & 14/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RC505**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium barbadense* L.**
Category/Type of variety/Common name: **New/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC270 /Line 45 E BGI, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Absent plant stem pigmentation and medium fibre fineness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2016/20

(1) Registration Number and date of grant: - **REG/2016/20 & 11/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahyco Private Limited, 19 Raj Mahal, 4th Floor, 84 Veer Nariman Road, Mumbai-400020**, **Maharashtra**

(3) Denomination of the variety: **MRC 7388 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **C 5022 BG-II /C 312 CA, Mahyco Research Farms (MH)**

(6) Details of the distinguishing features or the characteristics: **Flower stigma embedded**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **26.05.2015**

Certificate of Registration REG/2016/304

(1) Registration Number and date of grant: - **REG/2016/304 & 28/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Bioseed Research India A Division of DCM Shriram Ltd., Plot No. 234, B-Block, Kavuri Hills, Phase-II, Hyderabad-500033**, **Telangana**

(3) Denomination of the variety: **BIO 545I0**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Other (Inbred Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Selction of F2 population of NZHH-515 /-, Bio Research India a division of DCM Ltd.**

(6) Details of the distinguishing features or the characteristics: **Yellow flower petal colour, yellow flower pollen colour and dense seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid: BIO 6165-2 BG II and sold on 07.05.2015**

Certificate of Registration REG/2016/305

(1) Registration Number and date of grant: - **REG/2016/305 & 04/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Bioseed Research India A Division of DCM Shriram Ltd., Plot No. 234, B-Block, Kavuri Hills, Phase-II, Hyderabad-500033, Telangana**

(3) Denomination of the variety: **BIO 6165-2 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **BIO 60254I2 /BIO 545I0, Research Farm, Aurangabad (MH) & Shankar Pally (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour yellow and boll opening open.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **BIO 6165-2 BGII was commercialized as BIOSEED 100.BGII on 07.05.2015**

Certificate of Registration REG/2016/438

(1) Registration Number and date of grant: - **REG/2016/438 & 14/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahyco Private Limited, 19 Raj Mahal, 4th Floor, 84 Veer Nariman Road, Mumbai-400020**, **Maharashtra**

(3) Denomination of the variety: **C 5722**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic (Inbred Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **C Mon 531.90/C 5175 BG II /C 5022, Mahyco Research Farms (MH)**

(6) Details of the distinguishing features or the characteristics: **Absent leaf petiole pigmentation and absent plant stem pigmentation.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **26.05.2015**

Certificate of Registration REG/2016/456

(1) Registration Number and date of grant: - **REG/2016/456 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **Aatish (MH 5360 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCX110055B /COCD110423B, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Good fibre uniformity.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **18.05.2015**

Certificate of Registration REG/2016/707

(1) Registration Number and date of grant: - **REG/2016/707 & 14/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Bioseed Research India A Division of DCM Shriram Ltd., Plot No. 234, B-Block, Kavuri Hills, Phase-II, Hyderabad-500033**, **Telangana**

(3) Denomination of the variety: **BIO 512412**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic (Inbred Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **5007 /MIC-512.01, Research Farm, Aurangabad (MH) & Shankar Pally (TS)**

(6) Details of the distinguishing features or the characteristics: **Medium seed index 100 seed wt. in grams.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid: BIO GHY60-2 BG II & hybrid sold 13.05.2016**

Certificate of Registration REG/2016/708

(1) Registration Number and date of grant: - **REG/2016/708 & 08/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Bioseed Research India A Division of DCM Shriram Ltd., Plot No. 234, B-Block, Kavuri Hills, Phase-II, Hyderabad-500033, Telangana**

(3) Denomination of the variety: **BIO 1678ID2I2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic (Inbred Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **GMS F1 /F3 of AB 4.16 BG II pair No.4, Research Farm, Aurangabad (MH) & Shankar Pally (TS)**

(6) Details of the distinguishing features or the characteristics: **Very high ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **13.06.2015**

Certificate of Registration REG/2016/709

(1) Registration Number and date of grant: - **REG/2016/709 & 17/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Bioseed Research India A Division of DCM Shriram Ltd., Plot No. 234, B-Block, Kavuri Hills, Phase-II, Hyderabad-500033, Telangana**

(3) Denomination of the variety: **BIO GHY60-2 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **BIO 5124I2 /BIO 1678ID212, Research Farm, Aurangabad (MH) & Shankar Pally (TS)**

(6) Details of the distinguishing features or the characteristics: **Green leaf colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **BIO GHY60-2 BGII sold as Bull BGII on 13.06.2015.**

Certificate of Registration REG/2016/1121

(1) Registration Number and date of grant: - **REG/2016/1121 & 05/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045, Tamil Nadu**

(3) Denomination of the variety: **RC380**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental variety of RCH659BGII)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC60 /RC75, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Round boll shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **05.06.2012**

Certificate of Registration REG/2016/1200

(1) Registration Number and date of grant: - **REG/2016/1200 & 25/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **JK Agri Genetics Ltd, 1-10-177, 4th Floor, Varun Towers, Begumpet, Hyderabad-500016**, **Telangana**

(3) Denomination of the variety: **JKCH 12124 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **JKC 7235: [{JKC 6902) x (JKC6862)}x (JKC6685)] /JKC 2010 BGII: ((JKC 6047 x 6035)/TCHH 4 BG II), R & D Centre Ravakole, Mandal:Medchal, Andhra Pradesh, India**

(6) Details of the distinguishing features or the characteristics: **Coarse fibre fineness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.05.2016**

Certificate of Registration REG/2017/15

(1) Registration Number and date of grant: - **REG/2017/15 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri-413722, Dist: Ahmednagar**, **Maharashtra**

(3) Denomination of the variety: **PHULE PRABHA (RHB-0812)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RHCr-0712 /Giza -7, Cotton Improvement Project, MPKV Rahuri.**

(6) Details of the distinguishing features or the characteristics: **Plant stem hairiness smooth and flower pollen colour deep yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2017/16

(1) Registration Number and date of grant: - **REG/2017/16 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri-413722, Dist: Ahmednagar**, **Maharashtra**

(3) Denomination of the variety: **Phule Asmita (RHH-0917)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RHC-566/1-1 /Hap-18-1, Cotton Improvement Project, MPKV Rahuri.**

(6) Details of the distinguishing features or the characteristics: **Cup leaf appearance, semi spreading plant growth habit, medium seed fuzz and grey seed fuzz colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2017/17

(1) Registration Number and date of grant: - **REG/2017/17 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri-413722, Dist: Ahmednagar**, **Maharashtra**

(3) Denomination of the variety: **PHULE TARANG (RHH-0707)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RHC-014 /RHC-208, Cotton Improvement Project, MPKV Rahuri.**

(6) Details of the distinguishing features or the characteristics: **Plant stem hairiness sparse, flower stigma embedded and flower pollen colour cream.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2018/593

(1) Registration Number and date of grant: - **REG/2018/593 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **Vega (MC5456 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD110425B /COCX110346B, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **High ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **19.05.2017**

Certificate of Registration REG/2018/594

(1) Registration Number and date of grant: - **REG/2018/594 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **Mahabali (MC5423 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD121310B /COCX131324B, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Medium ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **17.04.2017**

Certificate of Registration REG/2019/53

(1) Registration Number and date of grant: - **REG/2019/53 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Crystal Crop Protection Ltd, B-95, Wazirpur Industrial Area, Wazirpur, Delhi-110052**, **Delhi**

(3) Denomination of the variety: **C15Q2x0184B2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **BT219 /CM13025, Cotton Research farm in at various location across India, Aurangabad (MH) and Hyderabad (TS)**

(6) Details of the distinguishing features or the characteristics: **Seed fuzz colour white.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2019/54 H

(1) Registration Number and date of grant: - **REG/2019/54 H & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Crystal Crop Protection Ltd, B-95, Wazirpur Industrial Area, Wazirpur, Delhi-110052, Delhi**

(3) Denomination of the variety: **C16Q2x0588B2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **C10345B2 /14Q2F008, Cotton Research farm in at various location across India, Aurangabad (MH) and Hyderabad (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2019/58

(1) Registration Number and date of grant: - **REG/2019/58 & 22/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy District-501401**, **Telangana**

(3) Denomination of the variety: **NCS 123 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-7019 Bt2 /NC-7021 Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Medium seed index (100 seed wt. in gram).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2019/69 H

(1) Registration Number and date of grant: - **REG/2019/69 H & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Super Seeds Pvt. Ltd., Mr. Ashwani Kumar Garg, 32, New Anajmandi, Hisar-125001**, **Haryana**

(3) Denomination of the variety: **Super 971 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **SSC-9068 /SSC-5007, R&D Centre, Hisar (HR)**

(6) Details of the distinguishing features or the characteristics: **Medium seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **22.03.2017**

Certificate of Registration REG/2019/70 H

(1) Registration Number and date of grant: - **REG/2019/70 H & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Super Seeds Pvt. Ltd., Mr. Ashwani Kumar Garg, 32, New Anajmandi, Hisar-125001**, **Haryana**

(3) Denomination of the variety: **SUPER 931BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **SSC-17003 /SSC-808, R&D Centre, Hisar (HR)**

(6) Details of the distinguishing features or the characteristics: **Flat leaf appearance & very high ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.04.2017**

Certificate of Registration REG/2019/83 H

(1) Registration Number and date of grant: - **REG/2019/83 H & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dhanlaxmi Crop Science Private Limited, Dhanlaxmi House, N.H.-8, Shamlaji Highway, Motipura, Dist: Sabarkantha, Himatnagar-383001, Gujarat**

(3) Denomination of the variety: **25D55 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **DG15 /DG25, R&D, Dhanlaxmi Crop Science Himatnagar**

(6) Details of the distinguishing features or the characteristics: **Cup leaf appearance & medium fibre strength (g/tex).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **09.07.2017**

Certificate of Registration REG/2019/84 H

(1) Registration Number and date of grant: - **REG/2019/84 H & 16/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dhanlaxmi Crop Science Private Limited, Dhanlaxmi House, N.H.-8, Shamlaji Highway, Motipura, Dist: Sabarkantha, Himatnagar-383001**, **Gujarat**

(3) Denomination of the variety: **25D51 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **DG 05 /DG 11, R&D, Dhanlaxmi Crop Science Himatnagar**

(6) Details of the distinguishing features or the characteristics: **Flower pollen colour yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **12.06.2017**

Certificate of Registration REG/2019/84 P1

(1) Registration Number and date of grant: - **REG/2019/84 P1 & 16/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dhanlaxmi Crop Science Private Limited, Dhanlaxmi House, N.H.-8, Shamlaji Highway, Motipura, Dist: Sabarkantha, Himatnagar-383001**, **Gujarat**

(3) Denomination of the variety: **DG 05**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **DGHC-7 /Donor Parent, R&D, Dhanlaxmi Crop Science Himatnagar**

(6) Details of the distinguishing features or the characteristics: **Tall plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid: 25D51 BGII & hybrid sold 12.06.2017**

Certificate of Registration REG/2019/84 P2

(1) Registration Number and date of grant: - **REG/2019/84 P2 & 16/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dhanlaxmi Crop Science Private Limited, Dhanlaxmi House, N.H.-8, Shamlaji Highway, Motipura, Dist: Sabarkantha, Himatnagar-383001, Gujarat**

(3) Denomination of the variety: **DG 11**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **DGHC-16 /DGHC-77, R&D, Dhanlaxmi Crop Science Himatnagar**

(6) Details of the distinguishing features or the characteristics: **Tall plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid: 25D51 BGII & hybrid sold 12.06.2017**

Certificate of Registration REG/2019/102

(1) Registration Number and date of grant: - **REG/2019/102 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH-100 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KGPGH-7351 BG II /KGPGH-7353 BG, R&D Farm, Gowraram, Kaveri Seed Company Ltd.**

(6) Details of the distinguishing features or the characteristics: **Plant height medium tall & flower time of flowering late.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Male parent was exploited for development of hybrid KCH-111 BG II on 01.07.2014**

Certificate of Registration REG/2019/111 H

(1) Registration Number and date of grant: - **REG/2019/111 H & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, H.No. 1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH-301 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KGPGH-1523 /JC-348 BG II, R&D Farm, Gowraram, Kaveri Seed Company Ltd.**

(6) Details of the distinguishing features or the characteristics: **Boll weight of seed cotton/boll very large and seed index very bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **13.06.2016**

Certificate of Registration REG/2020/29

(1) Registration Number and date of grant: - **REG/2020/29 & 22/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Super Seeds Pvt. Ltd., Mr. Ashwani Kumar Garg, 32, New Anajmandi, Hisar-125001**, **Haryana**

(3) Denomination of the variety: **KATHA BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **SSC-19001 /SSC-707, R&D Centre, Hisar (HR)**

(6) Details of the distinguishing features or the characteristics: **Plant height (cm) tall.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2020/236 H

(1) Registration Number and date of grant: - **REG/2020/236 H & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Worldmark 1, 2nd Floor (West Wing, Aerocity, Vasant Kunj, New Delhi-110037, Delhi**

(3) Denomination of the variety: **BIO GHH029**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **BIO GH547 /BIO GN116, Research Farm, Aurangabad (MH) & Shankar Pally (TS)**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.05.2019**

Certificate of Registration REG/2020/237

(1) Registration Number and date of grant: - **REG/2020/237 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Worldmark 1, 2nd Floor (West Wing, Aerocity, Vasant Kunj, New Delhi-110037, Delhi**

(3) Denomination of the variety: **BIO GH547**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **L54 /L47, Research Farm, Aurangabad (MH) & Shankar Pally (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2020/238

(1) Registration Number and date of grant: - **REG/2020/238 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Worldmark 1, 2nd Floor (West Wing, Aerocity, Vasant Kunj, New Delhi-110037, Delhi**

(3) Denomination of the variety: **BIO GN116**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **5045 /DH 5126, Research Farm, Aurangabad (MH) & Shankar Pally (TS)**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2020/366 H

(1) Registration Number and date of grant: - **REG/2020/366 H & 07/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Yaaganti Seeds Pvt ltd, Survey No. 69, Block B, 2nd floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Medchal Malkajgiri Dist-501401**, **Telangana**

(3) Denomination of the variety: **YCH 7475 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-160/3 BG II (Reg/2013/275) /PC-P3812/2BG II (Reg/2014/480), Yaganti Seeds Pvt. Ltd.**

(6) Details of the distinguishing features or the characteristics: **Yellow flower petal colour, grey seed fuzz colour, pointed boll prominence of tip and high ginning %**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2020/367 H

(1) Registration Number and date of grant: - **REG/2020/367 H & 07/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Medchal Malkajgiri Dist-501401**, **Telangana**

(3) Denomination of the variety: **PRCH 2799 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-157 (Reg/2009/187) /NC-160/3 BG II (Reg/2013/275), R&D farm, Pargi- Village, Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Yellow flower petal colour, grey seed fuzz colour, pointed boll prominence of tip and high ginning %**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2020/382

(1) Registration Number and date of grant: - **REG/2020/382 & 14/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RC91BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental variety, Initial variety of first hybrid RCH2BGII commercialized on 31.05.07. RC91BGII is parental variety of RCH2BGII./ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC91 /RC 392, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Long fibre length (2.5% span length).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of Hybrid: RCH2BG II and hybrid sold: 15.05.2007**

Certificate of Registration REG/2022/0007 H

(1) Registration Number and date of grant: - **REG/2022/0007 H & 02/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Medchal Malkajgiri-Dist-501401**, **Telangana**

(3) Denomination of the variety: **NCS 2778 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC 6134 Bt2 /NC 7027 Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Very strong fibre strength, excellent fibre uniformity, yellow flower petal colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2022/0007 P1

(1) Registration Number and date of grant: - **REG/2022/0007 P1 & 02/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Medchal Malkajgiri-Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC 6134 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1051 /NC 108 Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Tall plant height, Very strong fibre strength.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2022/0007 P2

(1) Registration Number and date of grant: - **REG/2022/0007 P2 & 02/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Medchal Malkajgiri-Dist-501401**, **Telangana**

(3) Denomination of the variety: **NC 7027 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC 2716 Bt2/NC-102 /NC-1102 Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Yellow flower pollen colour, round boll shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2022/0062

(1) Registration Number and date of grant: - **REG/2022/0062 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CICR-B Cotton 37 (CCB-51)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium barbadense* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Suvin /(Suvin/Giza-70), ICAR-CICR, Regional Station Coimbtore**

(6) Details of the distinguishing features or the characteristics: **Plant: Growth habit is Spreading and flower: Petal colour is yellow**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2022/0063

(1) Registration Number and date of grant: - **REG/2022/0063 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CICR-B Cotton 45 (CCB 143B)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium barbadense* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Suvin /(Suvin x Giza-70), ICAR-CICR, Regional Station Coimbtore**

(6) Details of the distinguishing features or the characteristics: **Leaf: Petiole pigmentation is Present & Plant: High is Tall.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2022/0114

(1) Registration Number and date of grant: - **REG/2022/0114 & 06/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Daftari Agro Biotech Private Limited, 216, Jaishrikrishna Building, Pataleshwar Mandir Road, Near Badkas Chaouk, Mahal, Nagpur-440032, Maharashtra**

(3) Denomination of the variety: **LATA**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Others/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **(WN-1-2-3-2/DT 139) /AKB 30 1-1-4/HKH, R&D,**
Daftari Agro Biotech Private Ltd
Maharashtra

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness medium and plant stem hairiness medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2023/0011

(1) Registration Number and date of grant: - **REG/2023/0011 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CICR-H Cotton 54 (Nano)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **CCH526612 /VNWH-1, ICAR-CICR, Regional Station Coimbtore**

(6) Details of the distinguishing features or the characteristics: **Plant: Growth habit is Compact & Boll: Bearing habit is Cluster.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2023/0012

(1) Registration Number and date of grant: - **REG/2023/0012 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CICR-H Cotton 58 (CNH 17395)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Selection from Registered Genetic Stock Vaidehi-95 (MSH-53[National Id:IC0584260/Reg. No. INGR13032] /-, ICAR-CICR, Nagpur**

(6) Details of the distinguishing features or the characteristics: **Fiber colour is brown & fiber fineness is medium**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2023/0153

(1) Registration Number and date of grant: - **REG/2023/0153 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **Pravir (MC5403 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD160102Y /COCX141373B, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Cream flower pollen colour and ovate boll shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2023/0167

(1) Registration Number and date of grant: - **REG/2023/0167 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **ICAR-CICR 16301 DB (Vaidehi-1)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Registered Genetic Stock: [National Id: IC0584260/Registration no: INGR13032] /-, ICAR-CICR, Nagpur**

(6) Details of the distinguishing features or the characteristics: **Yellow flower pollen colour, brown seed fuzz colour & brown fibre colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0009

(1) Registration Number and date of grant: - **REG/2024/0009 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Veda Seed Sciences Pvt. Ltd., #6-11-5, Arundelpet 11/2, Guntur-522002**, **Andhra Pradesh**

(3) Denomination of the variety: **VSCH-369 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **VCS-219 /VCS-220, R&D Farm, Kondaveedu, Veda Seed Sciences Pvt. Ltd**

(6) Details of the distinguishing features or the characteristics: **Medium leaf hairiness & ovate boll shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0010

(1) Registration Number and date of grant: - **REG/2024/0010 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Veda Seed Sciences Pvt. Ltd., #6-11-5, Arundelpet 11/2, Guntur-522002**, **Andhra Pradesh**

(3) Denomination of the variety: **VSCH-234 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **VCS-218 /VCS-219, R&D Farm, Kondaveedu, Veda Seed Sciences Pvt. Ltd**

(6) Details of the distinguishing features or the characteristics: **Yellow flower petal colour and cream flower pollen colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0011

(1) Registration Number and date of grant: - **REG/2024/0011 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **MC5408 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD160102Y /COCX150006Y, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Cream flower pollen colour & medium boll weight of seed cotton/boll (g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(1) Registration Number and date of grant: - **REG/2024/0084 & 07/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Director of Research**

Mahatma Phule Krishi Vidyapeeth, Rahuri-413722, Dist: Ahmednagar, Maharashtra

(3) Denomination of the variety: **Phule Ekata (RHB-1008)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RHC-0577/3-3 /NDGB-17, Cotton Improvement Project, MPKV Rahuri.**

(6) Details of the distinguishing features or the characteristics: **Deep yellow flower pollen colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0153

(1) Registration Number and date of grant: - **REG/2024/0153 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Director of Research**

Mahatma Phule Krishi Vidyapeeth, Rahuri-413722, Dist: Ahmednagar, Maharashtra

(3) Denomination of the variety: **Phule-Shubhra (RHB-1623)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RHC-0572/1-1 /Pima-84, Cotton Improvement Project, MPKV Rahuri.**

(6) Details of the distinguishing features or the characteristics: **Sparse plant stem hairiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0240

(1) Registration Number and date of grant: - **REG/2024/0240 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH 9323 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KC19S001T /KC19S002U, R&D Farm, Gowraram, Kaveri Seed Company Ltd.**

(6) Details of the distinguishing features or the characteristics: **Semi-spreading plant growth habit & bold seed index (100 seed wt. in gram).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0241

(1) Registration Number and date of grant: - **REG/2024/0241 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH 307 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KGPGH-231 BGII /KGPGH-142, R&D Farm, Gowraram, Kaveri Seed Company Ltd.**

(6) Details of the distinguishing features or the characteristics: **Semi-spreading plant growth habit & bold seed index (100 seed wt. in gram).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0249

(1) Registration Number and date of grant: - **REG/2024/0249 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, VNMAMKV, Basmat Road, Krishi Nagar, Parbhani-431402**, **Maharashtra**

(3) Denomination of the variety: **NHH 715**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PH 1076 /NDLH 1938, CRS, Nanded, Gujarat**

(6) Details of the distinguishing features or the characteristics: **Semi-spreading plant growth habit & elliptic boll shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0250

(1) Registration Number and date of grant: - **REG/2024/0250 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, VNMAMKV, Basmat Road, Krishi Nagar, Parbhani-431402**, **Maharashtra**

(3) Denomination of the variety: **Central Cotton NHH 250 (NHH 250)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **MH 111 /PH 1009, CRS, Nanded, Gujarat**

(6) Details of the distinguishing features or the characteristics: **Semi-spreading plant growth habit & long fibre length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0387

(1) Registration Number and date of grant: - **REG/2024/0387 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds (P) Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RCH 846 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC 545 BGII /RC 533, R&D Centre Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Cream flower pollen colour & medium long fibre length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0998

(1) Registration Number and date of grant: - **REG/2024/0998 & 05/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds (P) Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RC878**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC519 /BR291-17& 18, R&D Centre, Rasi Seeds (P) Ltd ., Ammampalayam Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Boll opening open and fibre fineness medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **16.06.2023**

Certificate of Registration REG/2024/0999

(1) Registration Number and date of grant: - **REG/2024/0999 & 05/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds (P) Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RC880BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC543 BGII /BR386-215, R&D Centre, Rasi Seeds (P) Ltd ., Ammampalayam Attur, Coimbatore.**

(6) Details of the distinguishing features or the characteristics: **Ginning % high.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **16.06.2023**

Certificate of Registration REG/2024/1268

(1) Registration Number and date of grant: - **REG/2024/1268 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100**, **Telangana**

(3) Denomination of the variety: **NCS 8022 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC 6134 GMS Bt2 /NC 7048 Bt2, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour yellow and fibre strength (g/tex) very strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0124

(1) Registration Number and date of grant: - **REG/2025/0124 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CICR-H COTTON 36 (SURAKSHA)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Surabhi /(MCU-5/Z2), ICAR-CICR, Regional Station Coimbtore**

(6) Details of the distinguishing features or the characteristics: **Flower: Time of flowering (50% of plants with at least one flower) is Medium & Fiber: Length is Extra-long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0389

(1) Registration Number and date of grant: - **REG/2025/0389 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri Dist (Formerly Rangareddy Dist)-500100, Telangana**

(3) Denomination of the variety: **NC 7048 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-2716 Bt/NC-102) /NC-1102 Bt, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Boll shape (longitudinal section) round and boll opening open.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The cand. variety NC 7048 Bt2 was exploited for development of Hybrid: NCS-8022 Bt2 & hybrid notified on 08.10.2024**

Certificate of Registration REG/2025/0423

(1) Registration Number and date of grant: - **REG/2025/0423 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, Director of Research**

Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani-431402, Dist: Parbhani, Maharashtra

(3) Denomination of the variety: **NH 1901 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NH 709 /Suraj Bt, CRS, Nanded**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness is sparse, boll opening is open and seed fuzz is sparse.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0424

(1) Registration Number and date of grant: - **REG/2025/0424 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, Director of Research**

Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani-431402, Dist: Parbhani, Maharashtra

(3) Denomination of the variety: **NH 1904 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NH 712 /Suraj Bt, CRS, Nanded**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness is sparse, plant height is tall and ginning percent is high**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0425

(1) Registration Number and date of grant: - **REG/2025/0425 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, Director of Research**

Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani-431402, Dist: Parbhani, Maharashtra

(3) Denomination of the variety: **NH 677**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **IS 181-7-1 /NH 630, CRS, Nanded**

(6) Details of the distinguishing features or the characteristics: **Leaf colour is green and flower petal colour is yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0498

(1) Registration Number and date of grant: - **REG/2025/0498 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Veda Seed Sciences Pvt. Ltd., #6-11-5, Arundelpet 11/2, Guntur-522002, Andhra Pradesh**

(3) Denomination of the variety: **VSCH-139 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **VCS 219 /VCS 406, R&D Farm, Kondaveedu, Veda Seed Sciences Pvt. Ltd**

(6) Details of the distinguishing features or the characteristics: **Growth habit is compact and pollen colour is cream.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0499

(1) Registration Number and date of grant: - **REG/2025/0499 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Veda Seed Sciences Pvt. Ltd., #6-11-5, Arundelpet 11/2, Guntur-522002**, **Andhra Pradesh**

(3) Denomination of the variety: **VSCH-219 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **VCS-444 /VCS-220, R&D Farm, Kondaveedu, Veda Seed Sciences Pvt. Ltd**

(6) Details of the distinguishing features or the characteristics: **Stem pigmentation is absent and growth habit is semi spreading.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0541

(1) Registration Number and date of grant: - **REG/2025/0541 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **SeedWorks International Pvt Ltd, Survey No. 530A, Gowdavelly Village, Medchal Mandal, Malkajgiri-Medchal District-501403**, **Telangana**

(3) Denomination of the variety: **UC9699BGI**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **UC20114A /1881-9699-2-23-7B-BK, R&D, Farm, SeedWorks International Pvt. Ltd, Telangana**

(6) Details of the distinguishing features or the characteristics: **Boll weight of seed cotton/boll (g) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety UC9699BGI was exploited for development of hybrid US4708BGII and developed hybrid was sold on 04.05.2018**

Certificate of Registration REG/2025/0542

(1) Registration Number and date of grant: - **REG/2025/0542 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **SeedWorks International Pvt Ltd, Survey No. 530A, Gowdavelly Village, Medchal Mandal, Malkajgiri-Medchal District-501403**, **Telangana**

(3) Denomination of the variety: **UC101BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **(SWCH4746BGII) /2-0101-SB-BK, R&D, Farm, SeedWorks International Pvt. Ltd, Telangana**

(6) Details of the distinguishing features or the characteristics: **Plant height tall and flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety UC101BGII was exploited for development of hybrid US4708BGII and developed hybrid was sold on 04.05.2018**

Certificate of Registration REG/2025/0549

(1) Registration Number and date of grant: - **REG/2025/0549 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **SeedWorks International Pvt Ltd, Survey No. 530A, Gowdavelly Village, Medchal Mandal, Malkajgiri-Medchal District-501403**, **Telangana**

(3) Denomination of the variety: **UC9705BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **(UC20114A) /1881-9705-18-1-3-BK, R&D, Farm, SeedWorks International Pvt. Ltd, Telangana**

(6) Details of the distinguishing features or the characteristics: **Plant height (cm) tall and ginning % medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety UC9705BGII was exploited for development of hybrid US7067BGII and developed hybrid was sold on 15.05.2015**

Certificate of Registration REG/2025/0550

(1) Registration Number and date of grant: - **REG/2025/0550 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **SeedWorks International Pvt Ltd, Survey No. 530A, Gowdavelly Village, Medchal Mandal, Malkajgiri-Medchal District-501403**, **Telangana**

(3) Denomination of the variety: **UC102015BGI**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **CC211BBGI /(351BGI)-6-9-3-7-B-B-B-B-B-2-BK, R&D, Farm, SeedWorks International Pvt. Ltd, Telangana**

(6) Details of the distinguishing features or the characteristics: **Boll prominence of tip pointed and seed index (100 seed wt. in gram) bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety UC102015BGI was exploited for development of hybrid US7067BGII and developed hybrid was sold on 15.05.2015**

Certificate of Registration REG/2025/0598

(1) Registration Number and date of grant: - **REG/2025/0598 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, H.No. 1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH9111 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KC24SP067 /KC24SQ068, R&D Farm, Gowraram, Kaveri Seed Company Ltd.**

(6) Details of the distinguishing features or the characteristics: **Plant height (cm) is Tall, flower pollen colour is cream and boll shape (Longitudinal section) is Round.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0601

(1) Registration Number and date of grant: - **REG/2025/0601 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, H.No. 1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH9333 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KC19S001T /KC19S003U, R&D Farm, Gowraram, Kaveri Seed Company Ltd.**

(6) Details of the distinguishing features or the characteristics: **Plant habit is semi-spreading & seed index is Bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0603

(1) Registration Number and date of grant: - **REG/2025/0603 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, H.No. 1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH9122 BHII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KC23SG08 /KC23SQ065, R&D Farm, Gowraram, Kaveri Seed Company Ltd.**

(6) Details of the distinguishing features or the characteristics: **Flower anther filament colouration is present and flower pollen colour is cream**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0788

(1) Registration Number and date of grant: - **REG/2025/0788 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099, Karnataka**

(3) Denomination of the variety: **DC5417 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD160102Y /COCC190140U, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Medium time of flowering (50% of plants with at least one open flower) and yellow colour of flower pollen colour and Ovate Boll shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0789

(1) Registration Number and date of grant: - **REG/2025/0789 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **DC5100 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD170112Y /COCC160097Y, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Flower: time of flowering (50% plants with at least one open flower is medium & Flower: Petal colour is cream.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0790

(1) Registration Number and date of grant: - **REG/2025/0790 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **DC5101 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD110425G /COCX150012Y, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Flower: time of flowering (50& plants with at least one open flower is Medium & Flower: Pollen colour is cream.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0791

(1) Registration Number and date of grant: - **REG/2025/0791 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **MC5431 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD121312B /COCD110056B, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Medium plant stem hairiness and semi spreading plant growth habit.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0792

(1) Registration Number and date of grant: - **REG/2025/0792 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099, Karnataka**

(3) Denomination of the variety: **SHAIV (MC5444 BGII)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **COCD110425B /COCX150014Y, R&D Farm, Aurangabad, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Medium plant stem hairiness and very tall plant height**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1290

(1) Registration Number and date of grant: - **REG/2025/1290 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **CICR B Cotton 55 (CCB 51-2)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium barbadense* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Suvin/ /(ICB125/Giza-70), ICAR-CICR (Nagpur)**

(6) Details of the distinguishing features or the characteristics: **Plant height medium tall and flower pollen colour yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1303

(1) Registration Number and date of grant: - **REG/2025/1303 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **CICR-H Bt Cotton 65/ ICAR-CICR 18 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **29 I/ /Bikaneri Narma Bt (Mon 531), ICAR-CICR (Nagpur)**

(6) Details of the distinguishing features or the characteristics: **Plant stem hairiness sparse, flower pollen colour yellow and seed index (100 seed wt. in gram) small.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1304

(1) Registration Number and date of grant: - **REG/2025/1304 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CICR H Bt Cotton 66/ ICAR-CICR Bt 20-31 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Bikaneri Narma Bt/RCRSC7) /(RCRSC2/RCRSC12), ICAR-CICR (Nagpur)**

(6) Details of the distinguishing features or the characteristics: **Plant stem hairiness sparse and flower pollen colour yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1311

(1) Registration Number and date of grant: - **REG/2025/1311 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CNH 18529 (CICR-H NC Cotton 64)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Registered genetic stock Vaidehi-95 (MSH-53) /[National ID: IC0584260/ Registration no: INGR13032], ICAR-CICR (Nagpur)**

(6) Details of the distinguishing features or the characteristics: **Seed index (100 seed wt. in gram) medium and fibre maturity (%) is very good.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1312

(1) Registration Number and date of grant: - **REG/2025/1312 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Tamil Nadu Agricultural University, Director of Research, Tamil Nadu Agricultural University, Coimbatore-641003**, **Tamil Nadu**

(3) Denomination of the variety: **CO 18 (TCB 37)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium barbadense* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **Selection from EC101786 /-, ICAR-CICR (Nagpur)**

(6) Details of the distinguishing features or the characteristics: **Boll opening open.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1370

(1) Registration Number and date of grant: - **REG/2025/1370 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CICR-H BT Cotton 40**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PKV 081/ /BN Bt (Mon 531), ICAR-CICR (Nagpur)**

(6) Details of the distinguishing features or the characteristics: **Flower pollen colour yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0117

(1) Registration Number and date of grant: - **REG/2026/0117 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Eldorado Agritech Limited, Plot No. A11 & A12/1, Road No. 1 & 12, IP Nacharam, Medchal-Malkajgiri, Hyderabad-500076, Telangana**

(3) Denomination of the variety: **Jai Ho BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **ECFL 3033 /ECML 03, R&D, Nacharam, Medchal-Malkajgiri, Hyderabad (TS)**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour cream and boll shape is ovate.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0129

(1) Registration Number and date of grant: - **REG/2026/0129 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds (P) Ltd., Rasi Enclave Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RCH960BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC781 BGII /RC876, R&D Centre, Rasi Seeds Pvt. Ltd. Attur**

(6) Details of the distinguishing features or the characteristics: **Fibre strength strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0408

(1) Registration Number and date of grant: - **REG/2026/0408 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds (P) Ltd., Rasi Enclave Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**

(3) Denomination of the variety: **RCH 999 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **RC978BGII /RC979, R&D Centre, Rasi Seeds Pvt. Ltd. Attur**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour yellow, ginning % very high and fiber strength (g/tex) strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0416

(1) Registration Number and date of grant: - **REG/2026/0416 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **M/s Prabhat Agri Biotech Limited, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri Dist. (Formerly Rangareddy Dist.)-500100**, **Telangana**

(3) Denomination of the variety: **PCH 7781 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC 6087 Bt2 GMS /NC 7012 Bt2, R&D Centre, PABL, Dabilpur- Village, Medak- Dist., A.P**

(6) Details of the distinguishing features or the characteristics: **Fibre strength (g/tex) very strong and fibre uniformity excellent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0417

(1) Registration Number and date of grant: - **REG/2026/0417 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Suvey No. 69, Kandlakoya Gundlapochampally Municipality, Medhcal-Mandal, Medchal-Malkajgiri Dist. (Formerly Rangareddy Dist.)-500100**, **Telangana**

(3) Denomination of the variety: **NCS 5455 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-60/3 BG-II GMS /NC-7005 Bt1, R&D Centre, Gundlapochampally Medchal-Malkajgiri District (TS)**

(6) Details of the distinguishing features or the characteristics: **Plant height medium tall and boll weight of seed cotton/boll medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0418

(1) Registration Number and date of grant: - **REG/2026/0418 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **M/s Pravardhan Seeds Pvt. Ltd., Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri Dist. (Formerly Rangareddy Dist.)-500100**, **Telangana**

(3) Denomination of the variety: **PRCH-8721 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **C 6134 GMS Bt2 /NC 7013 Bt1, Research and development farm, Pargi- Village, Rangareaddy-Distt. Andhra Pradesh.**

(6) Details of the distinguishing features or the characteristics: **Seed fuzz colour grey.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0429

(1) Registration Number and date of grant: - **REG/2026/0429 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seeds Company Limited, #1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH 9216 BG-II**

(4) Name of: Family: **Malvaceae**

Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KC21SQ034 /KC21SP033, R&D Centre, KSCL, Pamulaparthy Village Markook Mandal, Siddipet**

(6) Details of the distinguishing features or the characteristics: **Leaf appearance is cup and fibre finess (Micronare value) fine.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0433

(1) Registration Number and date of grant: - **REG/2026/0433 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seeds Company Limited, #1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH 9214 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KC24SP072 /KC24SQ074, R&D Centre, KSCL, Pamulaparthy Village Markook Mandal, Siddipet**

(6) Details of the distinguishing features or the characteristics: **Boll shape (Longitudinal section) round and fibre strength (g/tex) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0435

(1) Registration Number and date of grant: - **REG/2026/0435 & 03/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seeds Company Limited, #1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCH 9224 BG-II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **KC23SP082 /KC23SQ085, R&D Centre, KSCL, Pamulaparthy Village Markook Mandal, Siddipet**

(6) Details of the distinguishing features or the characteristics: **Flower petal spot present and flower anther filament coloration present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/1747

(1) Registration Number and date of grant: - **REG/2014/1747 & 17/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **CNA 1003 (ROJA)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **New/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **PA 255 /AKA 7, ICAR-CICR (Nagpur)**

(6) Details of the distinguishing features or the characteristics: **Very coarse fibre fineness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2016/626

(1) Registration Number and date of grant: - **REG/2016/626 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri - 413722, Dist-Ahmednagar**, **Maharashtra**

(3) Denomination of the variety: **JLA-505**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **JLA-794(BL) /AKA-7, MPKV-RS, Rahuri**

(6) Details of the distinguishing features or the characteristics: **Semi digitate (semi-okra) leaf shape & medium fibre strength.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2021/0080

(1) Registration Number and date of grant: - **REG/2021/0080 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Director of Research**

Mahatma Phule Krishi Vidyapeeth, Rahuri-413722, Dist: Ahmednagar, **Maharashtra**

(3) Denomination of the variety: **Phule JLA-0603 (JLA-0603)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **JLA-1693 /AKA-9110, MPKV-RS, Rahuri**

(6) Details of the distinguishing features or the characteristics: **Semi digited (semi-okra) leaf shape & medium fibre length (2.5% span length).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2021/0082

(1) Registration Number and date of grant: - **REG/2021/0082 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Director of Research**

Mahatma Phule Krishi Vidyapeeth, Rahuri-413722, Dist: Ahmednagar, **Maharashtra**

(3) Denomination of the variety: **Phule JLA-0906 (JLA-0906)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum*** **L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **JLR-2 /PA-255, MPKV-RS, Rahuri**

(6) Details of the distinguishing features or the characteristics: **White flower petal colour and very strong fibre strength (g/tex).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2021/0185

(1) Registration Number and date of grant: - **REG/2021/0185 & 02/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Anand Agricultural University, The Director of Research and Dean P.G. Studies, AAU, Anand-388110, Ta & Dist: Anand**, **Gujarat**

(3) Denomination of the variety: **Gujarat Anand Desi Cotton 3 (GADC 3: Wagad Gaurav) (GVhu 767)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium herbaceum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **GVhv 504 /GVhv104, Anand Agricultural University**

(6) Details of the distinguishing features or the characteristics: **Smooth boll surface.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2023/0013

(1) Registration Number and date of grant: - **REG/2023/0013 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **CICR-A Cotton 59 (CNA17522)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **Selection from CNA17522 /-, ICAR-CICR**
(Nagpur)

(6) Details of the distinguishing features or the characteristics: **Flower petal colour is Yellow & Fiber colour is Brown**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0284

(1) Registration Number and date of grant: - **REG/2024/0284 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani-431402, Maharashtra**

(3) Denomination of the variety: **PA 812**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **PA 304 /AH65/PA 541, Cotton Research Station, Mahboob Baugh Farm, Maharashtra.**

(6) Details of the distinguishing features or the characteristics: **Digitate (okra) leaf shape and medium ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0285

(1) Registration Number and date of grant: - **REG/2024/0285 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani-431402, Maharashtra**

(3) Denomination of the variety: **PA 837**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **PA 415 /PA 183, Cotton Research Station, Mahboob Baugh Farm, Maharashtra.**

(6) Details of the distinguishing features or the characteristics: **Digitate (okra) leaf shape and medium seed index.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0286

(1) Registration Number and date of grant: - **REG/2024/0286 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani-431402, Maharashtra**

(3) Denomination of the variety: **PA-740**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **PA 183 /PA 375, Cotton Research Station, Mahboob Baugh Farm, Maharashtra.**

(6) Details of the distinguishing features or the characteristics: **Late flower time of flowering (50% plants with at least one open flower) & strong fibre strength.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0287

(1) Registration Number and date of grant: - **REG/2024/0287 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani-431402, Maharashtra**

(3) Denomination of the variety: **PA 810**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **PA 405 x PA 255) /PA 531, Cotton Research Station, Mahboob Baugh Farm, Maharashtra.**

(6) Details of the distinguishing features or the characteristics: **Digitate (okra) leaf shape & medium boll wt. of seed cotton/boll (g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0843

(1) Registration Number and date of grant: - **REG/2025/0843 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Anand Agricultural University, The Director of Research and Dean P.G. Studies, Anand Agricultural University, Anand-388100, Ta & Dist: Anand, Gujarat**

(3) Denomination of the variety: **GUJARAT ANAND DESI COTTON 4 (WAGAD RESHAM)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium herbaceum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **GVhv585 //824, Anand Agricultural University**

(6) Details of the distinguishing features or the characteristics: **Leaf: Shape is Semi-digitate (Semi-okra) & Flower:Anther filament colouration is present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1047

(1) Registration Number and date of grant: - **REG/2025/1047 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Anand Agricultural University, The Director of Research and Dean P.G. Studies, Anand Agricultural University, Anand-388110, Gujarat**

(3) Denomination of the variety: **GUJARAT DESI COTTON 5 (GDC 5: ANAND KANCHAN) (GVhv-1028)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium herbaceum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **GVhv 544 /G Cot 23, Anand Agricultural University**

(6) Details of the distinguishing features or the characteristics: **Boll: Shape is Elliptic & Fiber: Strength is strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1385

(1) Registration Number and date of grant: - **REG/2025/1385 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri, Dist: Ahilyanagar-413722, Maharashtra**

(3) Denomination of the variety: **PHULE JLA-1110**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **Y-1 //JLA-1202, Oilseed Agricultural Research Station, Jalgaon**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour white and fibre strength strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1386

(1) Registration Number and date of grant: - **REG/2025/1386 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri, Dist: Ahilyanagar-413722**, **Maharashtra**

(3) Denomination of the variety: **Phule Satpuda (JLA-1207)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium arboreum* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Diploid Cotton**

(5) Parentage and geographical location of the variety: **JLA-794 //JLA-104, Oilseed Agricultural Research Station, Jalgaon**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2015/679

(1) Registration Number and date of grant: - **REG/2015/679 & 28/04/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NJ-7005**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Corchorus olitorius*** **itorius**
Category/Type of variety/Common name: **New/ Typical/ Jute**

(5) Parentage and geographical location of the variety: **JRO8432 /JRO 524/JRO 632, R&D , Nuziveedu Seeds Ltd.**

(6) Details of the distinguishing features or the characteristics: **Tall plant height & steel grey seed colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.04.2014**

Certificate of Registration REG/2021/8

(1) Registration Number and date of grant: - **REG/2021/8 & 06/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **JROMU-1**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Corchorus olitorius*** **L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Jute**

(5) Parentage and geographical location of the variety: **Selection From JRO 204 /-, CRIJAF-Barrackpore**

(6) Details of the distinguishing features or the characteristics: **Fairly average fibre strength, 1000 seed weight is medium and chocolate brown seed colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2021/0009

(1) Registration Number and date of grant: - **REG/2021/0009 & 17/10/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**
(3) Denomination of the variety: **JRCJ-11**
(4) Name of: Family: **Malvaceae**
Genus & Species: ***Corchorus capsularis* L.**
Category/Type of variety/Common name: **New/ Typical/ Jute**
(5) Parentage and geographical location of the variety: **CIN-146 /JRC 321, CRIJAF-Barrackpore**
(6) Details of the distinguishing features or the characteristics: **Average & weak fibre strenght (g/tex).**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2021/0010

(1) Registration Number and date of grant: - **REG/2021/0010 & 05/12/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**
(3) Denomination of the variety: **JROB-2**
(4) Name of: Family: **Malvaceae**
Genus & Species: ***Corchorus olitorius* L.**
Category/Type of variety/Common name: **New/ Typical/ Jute**
(5) Parentage and geographical location of the variety: **Gamma-Ray Mutant of JRO-204 /-, CRIJAF-Barrackpore**
(6) Details of the distinguishing features or the characteristics: **Black seed colour.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2022/0166

(1) Registration Number and date of grant: - **REG/2022/0166 & 02/12/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**
(3) Denomination of the variety: **JRCP-5**
(4) Name of: Family: **Malvaceae**
Genus & Species: ***Corchorus capsularis* L.**
Category/Type of variety/Common name: **New/ Typical/ Jute**
(5) Parentage and geographical location of the variety: **CIM036 /JRC517, CRIJAF-Barrackpore**
(6) Details of the distinguishing features or the characteristics: **Stipule colour is red and fiber strength is average & weak.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2022/0167

(1) Registration Number and date of grant: - **REG/2022/0167 & 02/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **JROBA-3**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Corchorus olitorius* L.**
Category/Type of variety/Common name: **New/ Typical/ Jute**

(5) Parentage and geographical location of the variety: **OIN-248 /WCIN-402, CRIJAF-Barrackpore**

(6) Details of the distinguishing features or the characteristics: **Fiber strength is average & weak.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0028

(1) Registration Number and date of grant: - **REG/2025/0028 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri, Dist: (Formerly Rangareddy Dist)-500100**, **Telangana**

(3) Denomination of the variety: **NJ - 7068**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Corchorus olitorius* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Jute**

(5) Parentage and geographical location of the variety: **NJ Ac No 75 /NJ Ac No 67, R&D , Nuziveedu Seeds Ltd, Medchal-Malkajgiri, Dist.**

(6) Details of the distinguishing features or the characteristics: **Leaf lamina colour pale green, stem colour pale green and fibre fineness (tex) fine.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1131

(1) Registration Number and date of grant: - **REG/2025/1131 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **ICAR-CRIJAF Jute JRC-9 (Namita)**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Corchorus capsularis* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Jute**

(5) Parentage and geographical location of the variety: **CP-23 /JRC 517, CRIJAF-Barrackpore**

(6) Details of the distinguishing features or the characteristics: **Stipulate colour is coppery red and fibre strength is average & weak.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1826

(1) Registration Number and date of grant: - **REG/2017/1826 & 11/29/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Surajmuni Devi, Village: Jamua, Panchayat: Pandubathen, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **SURAJMANI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village: Jamua, Panchayat: Pandubathen, Block & Dist: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Lax ear density and dark brown awn colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1841

(1) Registration Number and date of grant: - **REG/2017/1841 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajaram Pahariya, Village: Dandagora, Panchayat: Kairasole, Block: Sunderpahari, Dist: Godda Jharkhand**

(3) Denomination of the variety: **RAJAS**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan*** **(L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Dandagora, Panchayat: Kairasole, Block: Sunderpahari, Dist: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Absent pod waxiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1842

(1) Registration Number and date of grant: - **REG/2017/1842 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Maga Pahariya, Village: Liladhoni, Panchayat: Kairasole, Block: Sunderpahari, Dist: Godda Jharkhand**

(3) Denomination of the variety: **MAGA RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan*** **(L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Liladhoni, Panchayat: Kairasole, Block: Sunderpahari, Dist.: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Mottled seed colour pattern.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1843

(1) Registration Number and date of grant: - **REG/2017/1843 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sunil Kumar Jha, Village: Redi, Panchayat: Dhondri, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **SUNIL RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan*** **(L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Redi, Panchayat: Dhondri, Block & Dist.: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Late time of flowering (50% of the plants with at least one open flower).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1845

(1) Registration Number and date of grant: - **REG/2017/1845 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kapil Paharia, Village: Kerkuria, Panchayat: Kairasole, Block: Sunderpahari, Dist: Godda Jharkhand**

(3) Denomination of the variety: **KAPIL RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Kerkuria, Panchayat: Kairasole, Block: Sunderpahari, Dist: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Very large seed size (100 seed weight).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1846

(1) Registration Number and date of grant: - **REG/2017/1846 & 11/8/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Chamara Pahariya, Village: Liladhoni, Panchayat: Kairasole, Block: Sunderpahari, Dist: Godda Jharkhand**

(3) Denomination of the variety: **CHAMARA RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan*** **(L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Liladhoni, Panchayat: Kairasole, Block: Sunderpahari, Dist: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Narrowly oblong (sesame) leaf shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1847

(1) Registration Number and date of grant: - **REG/2017/1847 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Asiya Devi, Village: Muralidih, Panchayat: Pandubathan, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **ASIYA RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan*** **(L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Muralidih, Panchayat: Pandubathan, Block & Dist.: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Purple flower colour of base of petal (standard).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1848

(1) Registration Number and date of grant: - **REG/2017/1848 & 11/8/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pabiya Devi, Village: Muralidih, Panchayat: Pandubathan, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **PABIYA RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan* (L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Muralidih, Panchayat: Pandubathan, Block & Dist: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Present pod pubescence.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1849

(1) Registration Number and date of grant: - **REG/2017/1849 & 11/26/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Manju Hansda, Village: Jamua, Panchayat: Pandubathen, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **MANJU RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan*** **(L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Jamua, Panchayat: Pandubathen, Block & Dist.: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Green with brown streaks pod colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1852

(1) Registration Number and date of grant: - **REG/2017/1852 & 6/5/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nirjala Jha, Village: Redi, Panchayat: Dhondri, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **NIRJALA MASOORI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris*** **(L.)Medik**

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and Village: Redi, Panchayat: Dhondri, Block & Dist.: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Erect plant growth habit and medium seed size (weight of 100 seeds).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1856

(1) Registration Number and date of grant: - **REG/2017/1856 & 11/29/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sulochana Devi, Village: Muralidih, Panchayat: Pandubathan, Block & Dist: Godda Jharkhand**

(3) Denomination of the variety: **ULOCHANA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village: Muralidih, Panchayat: Pandubathan, Block & Dist.: Godda Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Late ear time of emergence (first spiklet visible on 50% of ears).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1858

(1) Registration Number and date of grant: - **REG/2017/1858 & 7/18/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nabadwip Singha Choudhoury, Village: Cheri, PO: Borkhola, Dist: Cachar-788110 Assam**

(3) Denomination of the variety: **CHESRI MUNG DAL**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna radiata*** **(L.) Wilczek**

Category/Type of variety/Common name: **Farmer / Typical/ Green gram**

(5) Parentage and geographical location of the variety: **NA and Village: Cheri, PO: Borkhola, Dist.: Cachar-788110 Assam**

(6) Details of the distinguishing features or the characteristics: - **Green stem colour with purple splashes.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1859

(1) Registration Number and date of grant: - **REG/2017/1859 & 7/5/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ali Ahmed Laskar, Village: Kashipur Part-II, PO: Kashipur, PS: Silchar, Dist: Cachar-788009 Assam**

(3) Denomination of the variety: **KASHIPUR FARASH**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Phaseolus vulgaris* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Kidney bean**

(5) Parentage and geographical location of the variety: **NA and Village: Kashipur Part-II, PO: Kashipur, PS: Silchar, Dist: Cachar-788009 Assam**

(6) Details of the distinguishing features or the characteristics: - **Pod curvature strong and seed testa colour brown.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1946

(1) Registration Number and date of grant: - **REG/2017/1946 & 6/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sitaram, Village: Bakshi Kheda, PO: Mohan, Tehsil: Hasanganj, Dist: Unnao-229881 Uttar Pradesh**

(3) Denomination of the variety: **Purani Prajati**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Hordeum vulgare* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Barley**

(5) Parentage and geographical location of the variety: **NA and Village: Bakshi Kheda, PO: Mohan, Tehsil: Hasan Ganj, Dist.: Unnao-229881 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Spike emergence very late, grain shape elliptic, grain surface wrinkled and grain crease width intermediate.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. Not commercialized

Certificate of Registration No. REG/2017/1957

(1) Registration Number and date of grant: - **REG/2017/1957 & 6/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Subhash Chandra, Village: Benipur, PO: Parvatpur, Block: Rampur Mathura, Dist: Sitapur-261203 Uttar Pradesh**

(3) Denomination of the variety: **SHAIL-MIRCH**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Capsicum annuum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Chilli**

(5) Parentage and geographical location of the variety: **NA and Village: Benipur, PO: Parvatpur, Block: Rampur Mathura, Dist.: Sitapur-261203 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Upright plant habit and absence of fruit curvature.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/1984

(1) Registration Number and date of grant: - **REG/2017/1984 & 8/14/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sunil Kumar, Village: Angeetha, PO: Dudapur, Dist: Sitapur Uttar Pradesh**

(3) Denomination of the variety: **Sunil-U**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo*** **(L.) Hepper**

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village: Angeetha, PO: Dudapur, Dist.: Sitapur Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Yellowish green intensity of green colour of premature pod.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2012

(1) Registration Number and date of grant: - **REG/2017/2012 & 10/25/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Yogesh Kumar, Village & PO: Bhinaini, Block: Biswan, Dist: Sitapur Uttar Pradesh**

(3) Denomination of the variety: **YKB-PM**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Pennisetum glaucum*** **(L.) R.Br.**

Category/Type of variety/Common name: **Farmer / Typical/ Pearl Millet**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Bhinaini, Block: Biswan, Dist.: Sitapur Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Deep grey seed colour and obovate seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2014

(1) Registration Number and date of grant: - **REG/2017/2014 & 7/18/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Yogesh Kumar, Village & PO: Bhinaini, Block: Biswan, Dist: Sitapur Uttar Pradesh**

(3) Denomination of the variety: **YKB-FP**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Bhinaini, Block: Biswan, Dist.: Sitapur Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Weak pod curvature.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2021

(1) Registration Number and date of grant: - **REG/2017/2021 & 10/3/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Abdul Hadi Khan, Village: Babhariya, PO: Manpur, Dist: Sitapur Uttar Pradesh**

(3) Denomination of the variety: **AH-K**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Setaria italica* (L.) Beauv**

Category/Type of variety/Common name: **Farmer / Typical/ Foxtail Millet**

(5) Parentage and geographical location of the variety: **NA and Village: Babhariya, PO: Manpur, Dist: Sitapur Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Days to 50% flowering early, inflorescence length of bristles short and 1000 grain weight (g) low.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2023

(1) Registration Number and date of grant: - **REG/2017/2023 & 6/9/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Abdul Hadi Khan, Village: Babhariya, PO: Manpur, Dist: Sitapur Uttar Pradesh**

(3) Denomination of the variety: **AH-PM**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Pennisetum glaucum* (L.) R.Br.**

Category/Type of variety/Common name: **Farmer / Typical/ Pearl Millet**

(5) Parentage and geographical location of the variety: **NA and Village: Babhariya, PO: Manpur, Dist.: Sitapur Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Plantnode pubescence present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2025

(1) Registration Number and date of grant: - **REG/2017/2025 & 8/14/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hari Prasad, S/o Guru Prasad, Village: Angeetha, Block: Sakran, Dist: Sitapur-261136 Uttar Pradesh**

(3) Denomination of the variety: **HP-UM**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo*** **(L.) Hepper**

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village: Angeetha, Block: Sakran, Dist.: Sitapur-261136 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Purple stem colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2030

(1) Registration Number and date of grant: - **REG/2017/2030 & 7/5/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gangaram, Village: Kamla Vihar Pur, Block: Khairabad, Dist: Sitapur Uttar Pradesh**

(3) Denomination of the variety: **GR-KM**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village: Kamla Vihar Pur, Block: Khairabad, Dist.: Sitapur Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Very low basal tillar number and long panicle length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2083

(1) Registration Number and date of grant: - **REG/2017/2083 & 9/20/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prakash Chandra Patel, Village: Ramaipur, PO: Hanumanganj, Dist: Allahabad-221505 Uttar Pradesh**

(3) Denomination of the variety: **DESHI MOONG (PRAKASH MOONG)**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna radiata*** **(L.) Wilczek**

Category/Type of variety/Common name: **Farmer / Typical/ Green gram**

(5) Parentage and geographical location of the variety: **NA and Village: Ramaipur, PO: Hanumanganj, Dist.: Allahabad-221505 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Short plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2085

(1) Registration Number and date of grant: - **REG/2017/2085 & 8/14/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Radheyshyam Singh, Village: Ramaipur, PO: Hanumanganj, Dist: Allahabad-221505 Uttar Pradesh**

(3) Denomination of the variety: **Radheyshyam Moong**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna radiata*** **(L.) Wilczek**

Category/Type of variety/Common name: **Farmer / Typical/ Green gram**

(5) Parentage and geographical location of the variety: **NA and Village: Ramaipur, PO: Hanumanganj, Dist.: Allahabad-221505 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Greenish purple leaf vein colour and medium plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2086

(1) Registration Number and date of grant: - **REG/2017/2086 & 7/26/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Laxman, Village: Kalyanpur, PO: Piyari, Dist: Chitrakoot-210202 Uttar Pradesh**

(3) Denomination of the variety: **Laxman Urd**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo*** **(L.) Hepper**

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village: Kalyanpur, PO: Piyari, Dist.: Chitrakoot-210202 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Intensity of green colour of premature pod is yellowish green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2088

(1) Registration Number and date of grant: - **REG/2017/2088 & 6/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajnarayan Patel, Village: Arak Pindi, PO: Jamalpur, Dist: Varanasi-221105 Uttar Pradesh**

(3) Denomination of the variety: **Arak Kali Urd**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo*** **(L.) Hepper**

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village: Arak Pindi, PO: Jamalpur, Dist.: Varanasi-221105 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Brown mature pod and long pod**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2089

(1) Registration Number and date of grant: - **REG/2017/2089 & 10/18/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Shyam Babu Kushwaha, Village: Shivpur, PO: Majhgaon, Dist: Allahabad-212104 Uttar Pradesh**

(3) Denomination of the variety: **Shivpur Urd**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo*** **(L.) Hepper**

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village: Shivpur, PO: Majhgaon, Dist.: Allahabad-212104 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Brown colour of mature pod.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2091

(1) Registration Number and date of grant: - **REG/2017/2091 & 7/7/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sunita Devi, Village: Atanpur, PO: Ramgarh Kothari, Block: Behariya, Dist: Allahabad-212402 Uttar Pradesh**

(3) Denomination of the variety: **Atanpur Arhar-1**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan* (L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Atanpur, PO: Ramgarh Kothari, Block: Behariya, Dist.: Allahabad-212402 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Seed size (100 seed weight) very large.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2136

(1) Registration Number and date of grant: - **REG/2017/2136 & 7/4/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ajeet Kumar Verma, Village: Etai, PO: Makau, Dist: Varanasi-221305 Uttar Pradesh**

(3) Denomination of the variety: **AJEET BHINDI**

(4) Name of:

Family: **Malvaceae**

Genus & Species: ***Abelmoschus esculentus*** **(L.) Moench**

Category/Type of variety/Common name: **Farmer / Typical/ Okra/Lady's Finger**

(5) Parentage and geographical location of the variety: **NA and Village: Etai, PO: Makau, Dist: Varanasi-221305 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Stem diameter (at 10 cm above ground level) large**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2167

(1) Registration Number and date of grant: - **REG/2017/2167 & 8/14/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rama Shankar, Village: Khutriya, PO: Kanti, Dist: Allahabad-212107 Uttar Pradesh**

(3) Denomination of the variety: **BHINDI RAMASHANKAR**

(4) Name of:

Family: **Malvaceae**

Genus & Species: ***Abelmoschus esculentus*** **(L.) Moench**

Category/Type of variety/Common name: **Farmer / Typical/ Okra/Lady's Finger**

(5) Parentage and geographical location of the variety: **NA and Village: Khutriya, PO: Kanti, Dist: Allahabad-212107 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flowering time (50% of the plants with at least one open flower) late.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2175

(1) Registration Number and date of grant: - **REG/2017/2175 & 8/5/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Neermati Patel, Village: Kulhariya, PO: Kanti, Dist: Allahabad-212107 Uttar Pradesh**

(3) Denomination of the variety: **Neermati Sarputiya**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Luffa acutangula*** **(L.) Roxb.**

Category/Type of variety/Common name: **Farmer / Typical/ Ridge gourd**

(5) Parentage and geographical location of the variety: **NA and Village: Kulhariya, PO: Kanti, Dist.: Allahabad-212107 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Leaf length (between 15-20 nodes) small and fruit shape oblong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2177

(1) Registration Number and date of grant: - **REG/2017/2177 & 12/9/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ram Lochan, Village & PO: Jabarpur, Dist: Banda Uttar Pradesh**

(3) Denomination of the variety: **KHABARPUR ARHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan*** **(L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Jabarpur, Dist: Banda, Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **3 number of seeds per pod and medium plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2181

(1) Registration Number and date of grant: - **REG/2017/2181 & 10/25/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Devnath, Village & PO: Jabarpur, Dist: Banda Uttar Pradesh**

(3) Denomination of the variety: **DEVNATH BAJRA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Pennisetum glaucum* (L.) R.Br.**

Category/Type of variety/Common name: **Farmer / Typical/ Pearl Millet**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Jabarpur, Dist: Banda Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Very late time of spike emergence (50% plants with atleast one spike emerged fully), thick spike girth at maximum point (excluding bristles) and obovate seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2201

(1) Registration Number and date of grant: - **REG/2017/2201 & 8/5/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ajeet Kumar Verma, Village: Etai, PO: Makau, Dist: Varanasi-221305 Uttar Pradesh**

(3) Denomination of the variety: **Jigniya Taroi**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Luffa acutangula* (L.) Roxb.**

Category/Type of variety/Common name: **Farmer / Typical/ Ridge gourd**

(5) Parentage and geographical location of the variety: **NA and Village: Etai, PO: Makau, Dist.: Varanasi-221305 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Cotyledon intensity of green colour dark, fruit skin luster glossy and flesh texture smooth.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2202

(1) Registration Number and date of grant: - **REG/2017/2202 & 8/6/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Buddhu Kushwaha, Village & PO: Khai Kardhana, Dist: Allahabad-212307 Uttar Pradesh**

(3) Denomination of the variety: **BUDDHU SARPUTIYA-1**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Luffa acutangula* (L.) Roxb.**

Category/Type of variety/Common name: **Farmer / Typical/ Ridge gourd**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Khai Kardhana, Dist.: Allahabad-212307 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Fruit shape oblong, fruit ridge (rib) shape superficial and fruit skin luster glossy.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2203

(1) Registration Number and date of grant: - **REG/2017/2203 & 8/5/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Buddhu Kushwaha, Village & PO: Khai Kardhana, Dist: Allahabad-212307 Uttar Pradesh**

(3) Denomination of the variety: **Buddhu Sarputiya-2**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Luffa acutangula*** **(L.) Roxb.**

Category/Type of variety/Common name: **Farmer / Typical/ Ridge gourd**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Khai Kardhana, Dist: Allahabad-212307 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Cotyledon intensity of green colour dark and fruit shape of blossom end pointed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2204

(1) Registration Number and date of grant: - **REG/2017/2204 & 8/5/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gyankali Kushwaha, W/o Neera Kushwaha, Village: Mudehara, PO & Block: Jasra, Dist: Allahabad-212107 Uttar Pradesh**

(3) Denomination of the variety: **Gyankali Badi Sarputiya**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Luffa acutangula* (L.) Roxb.**

Category/Type of variety/Common name: **Farmer / Typical/ Ridge gourd**

(5) Parentage and geographical location of the variety: **NA and Village: Mudehara, PO & Block: Jasra, Dist.: Allahabad-212107 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Plant growth habit medium viny.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2218

(1) Registration Number and date of grant: - **REG/2017/2218 & 10/17/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Naval Kishore Singh, Village: Bhalui Khan, PO: Karnoul, Block: Sahebganj, Dist: Muzaffarpur Bihar**

(3) Denomination of the variety: **Maghe**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Hordeum vulgare* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Barley**

(5) Parentage and geographical location of the variety: **NA and Village: Bhalui Khan, PO: Karnoul, Block: Sahebganj, Dist.: Muzaffarpur Bihar**

(6) Details of the distinguishing features or the characteristics: - **Pale green spike colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2224

(1) Registration Number and date of grant: - **REG/2017/2224 & 10/18/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rahul Pratap, Village: Sakhra, PO: Jaitpur, Block: Paru, Dist: Muzaffarpur-843123 Bihar**

(3) Denomination of the variety: **SAKHRA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo* (L.) Hepper**

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village: Sakhra, PO: Jaitpur, Block: Paru, Dist.: Muzaffarpur-843123 Bihar**

(6) Details of the distinguishing features or the characteristics: - **Dark green foliage colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2229

(1) Registration Number and date of grant: - **REG/2017/2229 & 7/2/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hetram Devangan, Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(3) Denomination of the variety: **SWAMI BHINDI**

(4) Name of:

Family: **Malvaceae**

Genus & Species: ***Abelmoschus esculentus*** **(L.) Moench**

Category/Type of variety/Common name: **Farmer / Typical/ Okra/Lady's Finger**

(5) Parentage and geographical location of the variety: **NA and Village: Shivni (Champa), Dist.: Janjgeer-495668 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Leaf blade colour between veins light green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2230

(1) Registration Number and date of grant: - **REG/2017/2230 & 4/3/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hetram Devangan, Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(3) Denomination of the variety: **SAAI AURAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan*** **(L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Shivni (Champa), Dist.: Janjgeer-495668 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Absent pod waxiness and absent pod surface stickiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2231

(1) Registration Number and date of grant: - **REG/2017/2231 & 4/3/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hetram Devangan, Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(3) Denomination of the variety: **SHITLA RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan* (L.) Millsp.**

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village: Shivni (Champa), Dist.: Janjgeer-495668 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Late time of flowering (50% of the plants with at least one open flower) and obovate leaf shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2233

(1) Registration Number and date of grant: - **REG/2017/2233 & 11/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hetram Devangan, Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(3) Denomination of the variety: **Saai Karaili-1**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Momordica Charantia* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Bitter Gourd**

(5) Parentage and geographical location of the variety: **NA and Village: Shivni (Champa), District: Janjgeer-495668 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Plant main vine length short viny, stem number of primary branches medium, leaf blade length short, leaf blade width medium, fruit length very short and fruit colour of skin glossy green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/2234

(1) Registration Number and date of grant: - **REG/2017/2234 & 8/23/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hetram Devangan, Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(3) Denomination of the variety: **SHITLA LAUKA-2**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Lagenaria siceraria* (Mol.) Standl.**

Category/Type of variety/Common name: **Farmer / Typical/ Bottle Gourd**

(5) Parentage and geographical location of the variety: **NA and Village: Shivni (Champa), Dist.: Janjgeer-495668 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Leaf length (between 15th-20th node) medium and fruit skin colour light green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2235

(1) Registration Number and date of grant: - **REG/2017/2235 & 1/6/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hetram Devangan, Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(3) Denomination of the variety: **SHITLA KARAILI**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Momordica Charantia* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Bitter Gourd**

(5) Parentage and geographical location of the variety: **NA and Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Petiole: length: Short, Flower colour: Yellow, Fruit: Shape of base at peduncle end: Acute, Fruit: tubercles: Many and Seediness (no. of seeds/fruit): Very less.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2236

(1) Registration Number and date of grant: - **REG/2017/2236 & 10/18/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hetram Devangan, Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(3) Denomination of the variety: **Shitla Pattigobhi**

(4) Name of:

Family: **Brassicaceae**

Genus & Species: ***Brassica oleracea*** **L.var. capitata**

Category/Type of variety/Common name: **Farmer / Typical/ Cabbage**

(5) Parentage and geographical location of the variety: **NA and Village: Shivni (Champa), Dist: Janjgeer-495668 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Outer leaf undulation of leaf margin absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2259

(1) Registration Number and date of grant: - **REG/2017/2259 & 10/19/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sunaina Bai Patel, Village & PO: Bhatgaon, Block: Saja, Dist: Bemetara-491331 Chhattisgarh**

(3) Denomination of the variety: **Sundri Chano**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Bhatgaon, Block: Saja, Dist.: Bemetara-491331 Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: - **Pea-shaped seed shape and absent seed ribbing.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2303

(1) Registration Number and date of grant: - **REG/2017/2303 & 10/18/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Narayan Jagdevrao Shinde, At. Pangra Shinde, Tq. Basmat, Dist: Hingoli-431701 Maharashtra**

(3) Denomination of the variety: **KAYADHU-N-49**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum durum* Desf.**

Category/Type of variety/Common name: **Farmer / Typical/ Durum Wheat**

(5) Parentage and geographical location of the variety: **NA and at. Pangra Shinde, Tq. Basmat, Dist.: Hingoli-431701 Maharashtra**

(6) Details of the distinguishing features or the characteristics: - **Medium plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2017/2402

(1) Registration Number and date of grant: - **REG/2017/2402 & 6/5/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hira Yashwant Ughada, At. Bardavadi (Dhavjichi vadi), PO: Pabal, Tal: Pen, Dist: Raigad-402107 Maharashtra**

(3) Denomination of the variety: **VEL VANGA**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Solanum melongena L.***

Category/Type of variety/Common name: **Farmer / Typical/ Brinjal**

(5) Parentage and geographical location of the variety: **NA and At. Bardavadi (Dhavjichi vadi), PO: Pabal, Tal: Pen, Dist.: Raigad-402107 Maharashtra**

(6) Details of the distinguishing features or the characteristics: - **Greenish white flower colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2018/55

(1) Registration Number and date of grant: - **REG/2018/55 & 7/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nimmy Baxla, Village: Bethut, Block: Kisko, Dist: Lohardaga Jharkhand**

(3) Denomination of the variety: **Maruwa Majhla**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Eleusine coracana*** **(L.) Gaertn.**

Category/Type of variety/Common name: **Farmer / Typical/ Finger Millet**

(5) Parentage and geographical location of the variety: **NA and Village: Bethut, Block: Kisko, Dist.: Lohardaga Jharkhand**

(6) Details of the distinguishing features or the characteristics: - **Tall plant height at maturity.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2018/106

(1) Registration Number and date of grant: - **REG/2018/106 & 10/25/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Namdev, S/o Chandrappa Metre R/o Gogga, Tq: Basavakalyan, Dist: Bidar Karnataka**

(3) Denomination of the variety: **HASIRUJOLA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor*** **(L.) Moench**

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Tq: Basavakalyan, Dist: Bidar Karnataka**

(6) Details of the distinguishing features or the characteristics: - **Short glume length and medium grain size of mark of germ.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

certificate of Registration No. REG/2018/276

(1) Registration Number and date of grant: - **REG/2018/276 & 7/8/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahendra Mehta, Village: Punabar, PO: Sunderganj, Dist: Aurangabad Bihar**

(3) Denomination of the variety: **MAHENDRA MASURI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris*** **(L.)Medik**

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and Village: Punabar, PO: Sunderganj, Dist: Aurangabad Bihar**

(6) Details of the distinguishing features or the characteristics: - **Erect plant growth habit and medium seed size (weight of 100 seeds).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2018/308

(1) Registration Number and date of grant: - **REG/2018/308 & 12/4/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vijay Kumar Roy, Village: Asurar, PO: Haripur, Block: Alauli, Dist: Khagaria Bihar**

(3) Denomination of the variety: **Satputiya-1**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Solanum melongena* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Brinjal**

(5) Parentage and geographical location of the variety: **NA and Village: Asurar, PO: Haripur, Block: Alauli, Dist.: Khagaria Bihar**

(6) Details of the distinguishing features or the characteristics: - **Fruit: Shape of apex: Pointed; Fruit: Glossiness at harvest maturiry: Strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2018/326

(1) Registration Number and date of grant: - **REG/2018/326 & 12/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Chandrabhan Singh, Village: Ramaipur, PO: Hanumanganj, Dist: Allahabad-221505 Uttar Pradesh**

(3) Denomination of the variety: **CHANA RAMAIPUR (CCRA-207)**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village: Ramaipur, PO: Hanumanganj, Dist.: Allahabad-221505 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Rough seed testa texture.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2018/337

(1) Registration Number and date of grant: - **REG/2018/337 & 6/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ashutosh Kumar, S/o Basant Lal Patel, Village & PO: Ramaipur, PO: Hanumanganj, Dist: Allahabad-221505 Uttar Pradesh**

(3) Denomination of the variety: **PARB-223**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Ramaipur, PO: Hanumanganj, Dist.: Allahabad-221505 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Pod number/axil single and seed weight of 1000 seeds small.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2018/338

(1) Registration Number and date of grant: - **REG/2018/338 & 6/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Lalji Prasad Verma, Village: Chitvishram, PO: Karma, Dist: Mirjapur-231305 Uttar Pradesh**

(3) Denomination of the variety: **PLCM-225**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum* L.**

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village: Chitvishram, PO: Karma, Dist.: Mirjapur-231305 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Pod curvature weak and seed weight of 100 seeds large.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2018/346

(1) Registration Number and date of grant: - **REG/2018/346 & 7/8/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mithlesh Kumar, S/o Ram Kripal, Village & PO: Jabrapur, Dist: Baunda-210202 Uttar Pradesh**

(3) Denomination of the variety: **LMJB-233**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris*** **(L.)Medik**

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and Village & PO: Jabrapur, Dist: Baunda-210202 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Large seed size (weight of 100 seeds).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration No. REG/2018/347

(1) Registration Number and date of grant: - **REG/2018/347 & 4/3/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Lalji Prasad Verma, Village: Chitvishram, PO: Karma, Dist: Mirjapur-231305 Uttar Pradesh**

(3) Denomination of the variety: **LLCM-234**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris*** **(L.)Medik**

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and, Village: Chitvishram, PO: Karma, Dist: Mirjapur-231305 Uttar Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Presence of large seed size (weight of 100 seeds), seed testa mottling absent and orange cotyledon colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2009/11

(1) Registration Number and date of grant: - **REG/2009/11 & 07/01/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100, Telangana**
(3) Denomination of the variety: **NPH-21**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa*** **L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **NP902A/NP95151 and Nuziveedu Seeds Ltd, R & D centre, Ramayyapallyt, Medak Dist, AP**
(6) Details of the distinguishing features or the characteristics: **Horizontal flag leaf attitude of blade (early observation) and erect to semi erect panicle attitude of branches.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2009/110

(1) Registration Number and date of grant: - **REG/2009/110 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001, Delhi**

(3) Denomination of the variety: **BIO 428 H**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR58025A/HR411121 and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**

(6) Details of the distinguishing features or the characteristics: **Erect flag leag attitude of blade (late observation).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **11.06.2007**

Certificate of Registration REG/2010/256

(1) Registration Number and date of grant: - **REG/2010/256 & 22/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034, Telangana**

(3) Denomination of the variety: **NP-210**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 5249/MTU 1010 and Nuziveedu seeds Ltd, R & D centre, Ankireddypalem,Guntur Dist, AP**

(6) Details of the distinguishing features or the characteristics: **Erect to semi erect panicle attitude of branches.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2010/347

(1) Registration Number and date of grant: - **REG/2010/347 & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri Dist-500100**, **Telangana**

(3) Denomination of the variety: **NP-256**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **NP252/PRN26 and Nuziveedu Seeds Ltd, R & D Centre, Yallampet, Ranga Reddy Dist, AP**

(6) Details of the distinguishing features or the characteristics: **Purple anthocyanin colouration of auricles on leaf and purple colour of tip of lemma in spikelet.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2011/1351

(1) Registration Number and date of grant: - **REG/2011/1351 & 08/01/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100, Telangana**
(3) Denomination of the variety: **NPH-909**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **NPS2001A/NPS2309R and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally**
(6) Details of the distinguishing features or the characteristics: **Panicle attitude of branches erect to semi erect.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2012/155

(1) Registration Number and date of grant: - **REG/2012/155 & 04/02/2026**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **Arize 6444 Gold**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **C112/M013 and Bayer Bio Sciences Pvt. Ltd, SY No. 249/2AA & 246/2AA, Shakarpalli Road, Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Leaf length of blade long, stem thickness thick and panicle awns present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **16.05.2011**

Certificate of Registration REG/2012/242

(1) Registration Number and date of grant: - **REG/2012/242 & 07/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100, Telangana**

(3) Denomination of the variety: **NPH-567**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR58025A/NP22R and Nuziveedu Seeds Ltd, R & D centre, Dabilpur, NSL Research Farm , Ranga Reddy Dist, AP**

(6) Details of the distinguishing features or the characteristics: **Panicle attitude of branches erect to semi-erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **27.06.2007**

Certificate of Registration REG/2013/30

(1) Registration Number and date of grant: - **REG/2013/30 & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009**, **USA**
(3) Denomination of the variety: **B112**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **G0086/G1181 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium, panicle secondary branches strong and decorticated grain width narrow.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **16.05.2011**

Certificate of Registration REG/2013/81

(1) Registration Number and date of grant: - **REG/2013/81 & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**
(3) Denomination of the variety: **NP-9381**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **NP-3938/PNR-3241 and Nuziveedu seeds Ltd, R & D centre, Dabilpur, NSL Research Farm , Ranga Reddy Dist, AP**

(6) Details of the distinguishing features or the characteristics: **Leaf width of blade medium, panicle number per plant medium, time of maturity late.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2013/147

(1) Registration Number and date of grant: - **REG/2013/147 & 10/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMRH 111**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM110001A/TM140023 and Trimurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Erect to semi erect panicle attitude of branches.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2013/293

(1) Registration Number and date of grant: - **REG/2013/293 & 23/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mali Agri Tech Private Limited, 80/1 Subhash Avenue, Ranaghat, 741201, Nadia, West Bengal**

(3) Denomination of the variety: **BANGABANDHU-1**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **LCM101/LCM11 and R &D Farm of Mali Agri tech Pvt. Ltd, Kuarshatpur, Ranaghat, Nadia, WB**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain shape short bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **16.05.2012**

Certificate of Registration REG/2013/299

(1) Registration Number and date of grant: - **REG/2013/299 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082, Telangana**

(3) Denomination of the variety: **TMRH 107**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM110001A/TM140033R and Trimurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Erect to semi erect panicle attitude of branches.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2013/300

(1) Registration Number and date of grant: - **REG/2013/300 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMRH 102**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM 110002 A/TM 140021 R; and Trimurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle awns present and partly exerted panicles.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **04.06.2012**

Certificate of Registration REG/2013/332

(1) Registration Number and date of grant: - **REG/2013/332 & 07/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **NPH-910**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR58025A/NPS-2098R and R & D centre. Nuziveedu seed Ltd., Medchal Mandal, Ranga reddy, Nutakal, AP**

(6) Details of the distinguishing features or the characteristics: **Panicle awn present and panicle exertion mostly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **27.06.2011**

Certificate of Registration REG/2013/337

(1) Registration Number and date of grant: - **REG/2013/337 & 07/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **NPH-911**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR58025A/NP-1001R and R & D centre. Nuziveedu seed Ltd., Medchal Mandal, Ranga reddy, Nutakal, AP**

(6) Details of the distinguishing features or the characteristics: **Long panicle length of main axis and narrow decorticated grain width.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **12.06.2013**

Certificate of Registration REG/2013/338

(1) Registration Number and date of grant: - **REG/2013/338 & 07/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100, Telangana**

(3) Denomination of the variety: **NPH-2006**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR58025A/NPS-2118R and R & D centre. Nuziveedu seed Ltd., Medchal Mandal, Ranga reddy, Nutakal, AP**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and decorticated grain aroma present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **17.06.2013**

Certificate of Registration REG/2013/416

(1) Registration Number and date of grant: - **REG/2013/416 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Savannah Seeds Pvt. Ltd., PH-1A, 10th Floor, Tower-A, Emaar Digital Greens, Golf Course Extension Road, Sector-61, Gurugram-122098, Haryana**

(3) Denomination of the variety: **GK5017**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **GK5017A/GK5017R and Ganga Kaveri seeds Pvt. Ltd., MNR & sons Farm Kodakandla, Mandal, Gajwa, Dist Medak 502278, AP**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (Early observation) erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2013/475 H

(1) Registration Number and date of grant: - **REG/2013/475 H & 15/05/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pan Seeds Pvt Ltd, 69A Satish Mukherjee Road, Kolkata-700026**, **West Bengal**
(3) Denomination of the variety: **PAN 802**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **074A/AN268 and R &D Centre of PAN Seeds Ltd, Vill. Daichanda, P. O. Huria, Khandaghosh Dist. Burdwan 713424, WB**
(6) Details of the distinguishing features or the characteristics: **Erect flag leaf attitude of blade (late observation).**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2013/874

(1) Registration Number and date of grant: - **REG/2013/874 & 07/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**
(3) Denomination of the variety: **NPH-4002**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **IR58025A/PNR-1 and Agriculture Research Centre, Post Kondhavala, Taluka Mulshi, Dist Pune, Maharashtra**
(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour medium and decorticated grain width medium (2.0-2.5 mm)**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2013/875

(1) Registration Number and date of grant: - **REG/2013/875 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NPH-4008**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR58025A/PNR-2 and Agriculture Research Centre, Post Kondhavala, Taluka Mulshi, Dist Pune, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface medium and spikelet density of pubescence of lemma strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2013/957

(1) Registration Number and date of grant: - **REG/2013/957 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMRH 112**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM110003A/TM140031R and R &D Farm, Vill. Prudur, Medchal Mandal, Dist.Ranga Reddy, AP**

(6) Details of the distinguishing features or the characteristics: **Grain weight of 1000 fully developed grains medium and decorticated grain colour light brown.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2014/201

(1) Registration Number and date of grant: - **REG/2014/201 & 22/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Punjab Agricultural University, Ludhiana-141004**, **Punjab**

(3) Denomination of the variety: **Punjab Basmati 3**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Bas386/IET17948//Bas386*2/ and Rice section, Dept.of plant Breeding and Genetics and school of agricultural Biotechnology, PAU, Ludhiana**

(6) Details of the distinguishing features or the characteristics: **Erect flag leaf attitude of blade (early observation), erect flag leaf attitude of blade (late observation).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **41334**

Certificate of Registration REG/2014/277

(1) Registration Number and date of grant: - **REG/2014/277 & 07/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001, Delhi**
(3) Denomination of the variety: **JALWA**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **IR70369A/HR411124R and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**
(6) Details of the distinguishing features or the characteristics: **Spikelet colour of stigma purple and panicle awns present.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2014/307

(1) Registration Number and date of grant: - **REG/2014/307 & 05/12/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001, Delhi**
(3) Denomination of the variety: **BIO 650**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **IR70369A/HR411129R and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**

(6) Details of the distinguishing features or the characteristics: **Purple anthocynin colouration of auricles on leaf and strong density of pubescence of lemma on spikelet.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2014/308

(1) Registration Number and date of grant: - **REG/2014/308 & 10/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001, Delhi**
(3) Denomination of the variety: **BIO 648**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **IR70969A/HR411128R and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**
(6) Details of the distinguishing features or the characteristics: **Leaf sheath anthocyanin colouration present, leaf anthocyanin colouration of collar present and stem anthocyanin colouration of nodes present.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof:: **Not commercialized**

Certificate of Registration REG/2014/309

(1) Registration Number and date of grant: - **REG/2014/309 & 10/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001, Delhi**
(3) Denomination of the variety: **BIO 631**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **IR70969A/HR411126R and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**

(6) Details of the distinguishing features or the characteristics: **Leaf sheath anthocyanin colouration present, spikelet colour of stigma purple and stem anthocyanin colouration of nodes present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof **Not commercialized**

Certificate of Registration REG/2014/310

(1) Registration Number and date of grant: - **REG/2014/310 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001, Delhi**

(3) Denomination of the variety: **BIO 633**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR58025A/HR411127R and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width medium and endosperm content of amylose low.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2014/1152

(1) Registration Number and date of grant: - **REG/2014/1152 & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**
(3) Denomination of the variety: **25P35**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **JKRA1102/JKRR10104 and Pioneer Hi-Bred Private Limited, Raj Bhavan Road, Somajiguda, Hyderabad-500081**
(6) Details of the distinguishing features or the characteristics: **Panicle number per plant few, leaf senescence late and grain weight of 1000 fully developed grain high.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2014/1205

(1) Registration Number and date of grant: - **REG/2014/1205 & 07/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009**, **USA**
(3) Denomination of the variety: **INH11001**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **C112/M019 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium and panicle awns present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2014/1253

(1) Registration Number and date of grant: - **REG/2014/1253 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH13141**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C122/M049 and Bayer Bio Science Pvt. Ltd, SY. No. 249/2AA & 246/2AA, Shakarpalli Road, Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Panicle awns present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2014/1264

(1) Registration Number and date of grant: - **REG/2014/1264 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH12049**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C140/M018 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium, panicle awns present and sterile lemma colour straw.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **27.04.2015**

Certificate of Registration REG/2014/2032

(1) Registration Number and date of grant: - **REG/2014/2032 & 17/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **CR DHAN 411 (SWARNANJALI IET 27852)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Swarna/ARC10075 and CRRI, Cuttack, Odisha**

(6) Details of the distinguishing features or the characteristics: **Erect flag attitude of blade (late observation).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2014/2070

(1) Registration Number and date of grant: - **REG/2014/2070 & 10/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **JK Agri Genetics Ltd, 1-10-177, 4th Floor, Varun Towers, Begumpet, Hyderabad-500016**, **Telangana**
(3) Denomination of the variety: **JKRH-2066**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **JKRA1102/JKRR10104 and JK Agri Genetics Ltd, Reserch Farm, Ravalkol, Mandal:Medchal, Dist Ranga Reddy(AP)**
(6) Details of the distinguishing features or the characteristics: **Leaf anthocyanin colouration of collar absent and flag leaf attitude of blade (late observation) semi erect.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **27.06.2012**

Certificate of Registration REG/2014/2071 H

(1) Registration Number and date of grant: - **REG/2014/2071 H & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **JK Agri Genetics Ltd, 1-10-177, 4th Floor, Varun Towers, Begumpet, Hyderabad-500016**, **Telangana**
(3) Denomination of the variety: **JKRH-2067**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **JKRA1002/JKRR10429 and JK Agri Genetics Ltd, Reserch Farm, Ravalkol, Mandal:Medchal, Dist Ranga Reddy(AP)**
(6) Details of the distinguishing features or the characteristics: **Panicle awns present.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **19.06.2012**

Certificate of Registration REG/2014/2072 H

(1) Registration Number and date of grant: - **REG/2014/2072 H & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **JK Agri Genetics Ltd, 1-10-177, 4th Floor, Varun Towers, Begumpet, Hyderabad-500016**, **Telangana**
(3) Denomination of the variety: **JKRH-2082**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **JKRA1002/JKRR10429 and JK Agri Genetics Ltd, Reserch Farm, Ravalkol, Mandal:Medchal, Dist Ranga Reddy(AP)**
(6) Details of the distinguishing features or the characteristics: **Leaf width of blade medium and spikelet density of pubescence of lemma medium.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **29.05.2013**

Certificate of Registration REG/2014/2073

(1) Registration Number and date of grant: - **REG/2014/2073 & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **JK Agri Genetics Ltd, 1-10-177, 4th Floor, Varun Towers, Begumpet, Hyderabad-500016**, **Telangana**
(3) Denomination of the variety: **JKRH-2062**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **JKRA1016/JKRR10084 and JK Agri Genetics Ltd, Reserch Farm, Ravalkol, Mandal:Medchal, Dist Ranga Reddy(AP)**
(6) Details of the distinguishing features or the characteristics: **Culm attitude erect and time of heading (50% of plants with panicles) early.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **26.06.2012**

Certificate of Registration REG/2015/212

(1) Registration Number and date of grant: - **REG/2015/212 & 07/01/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, **Telangana**
(3) Denomination of the variety: **NPH-2003**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **IR58025A/NPS-2111 and Nuziveedu seed Ltd, R &D centre, Dhulapally**
(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main axis deflexed and panicle awns present.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2015/487

(1) Registration Number and date of grant: - **REG/2015/487 & 03/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Savannah Seeds Pvt. Ltd., PH-1A, 10th Floor, Tower-A, Emaar Digital Greens, Golf Course Extension Road, Sector-61, Gurugram-122098**, **Haryana**

(3) Denomination of the variety: **GK5028**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **GK5028A/GK5028R and Ganga Kaveri seeds Pvt. Ltd., MNR & Sons Farm Kodakandla, Mandal, Gajwal, Dist Medak 502278, AP**

(6) Details of the distinguishing features or the characteristics: **Panicle awns present and decorticated grain shape long bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2015/803

(1) Registration Number and date of grant: - **REG/2015/803 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **27P37**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **RA401F/R872 and Pioneer Research Farm, Hyderabad, Telangana**
(6) Details of the distinguishing features or the characteristics: **Long panicle length of main axis.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2015/1168

(1) Registration Number and date of grant: - **REG/2015/1168 & 05/12/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**
(3) Denomination of the variety: **27P22**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **R834F/RA320 and Pioneer Research Farm, Hyderabad, Telangana**
(6) Details of the distinguishing features or the characteristics: **Semi erect flag leaf attitude of blade (early observation).**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2015/1171

(1) Registration Number and date of grant: - **REG/2015/1171 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **28P67**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **RA 401F/RA406 and Pioneer Overseas Corporation, India Branch, Raj Bhavan Road, Somajiguda, Hyderabad Telangana**

(6) Details of the distinguishing features or the characteristics: **Strong density of pubescence of lemma in spikelet.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2015/1274

(1) Registration Number and date of grant: - **REG/2015/1274 & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**
(3) Denomination of the variety: **RA401G**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **RA515G/R818G/R848G and Pioneer overseas Corporation india Branch, Raj Bhavan Road, Somajiguda, Hyderabad, Telangana**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) is semi erect.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2015/1280

(1) Registration Number and date of grant: - **REG/2015/1280 & 30/07/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**
(3) Denomination of the variety: **RA204G**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **RA516G/RA515G/R811G and Pioneer research farm Hyderabad Telangana**

(6) Details of the distinguishing features or the characteristics: **Erect to semi erect panicle attitude of branches and mostly exerted panicle exertion.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2015/1872

(1) Registration Number and date of grant: - **REG/2015/1872 & 03/10/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001, Delhi**
(3) Denomination of the variety: **HR411124R**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Other (Inbred Line)/ Rice**
(5) Parentage and geographical location of the variety: **SNE432R/SN918 and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**
(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade, deflexed panicle curvature of main axis and mostly exerted panicle.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **28.04.2016**

Certificate of Registration REG/2015/1953

(1) Registration Number and date of grant: - **REG/2015/1953 & 04/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005**, **Maharashtra**
(3) Denomination of the variety: **SYN-RI-7001**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **901A/10260 and Syngenta India Ltd, R&D farm, Nuthankal, TS**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) semi erect and panicle exertion well exerted.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **22.06.2015**

Certificate of Registration REG/2015/1954

(1) Registration Number and date of grant: - **REG/2015/1954 & 02/09/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005**, **Maharashtra**
(3) Denomination of the variety: **SYN-RI-1011**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **922A/XaR29 and Syngenta India Ltd, R&D Farm, Nuthankal, TS**
(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface medium, leaf colour of ligule light purple and spikelet colour of stigma purple.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **12.06.2015**

Certificate of Registration REG/2015/2081

(1) Registration Number and date of grant: - **REG/2015/2081 & 04/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **INH 12023**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **C099/M056 and Bayer Bio science Pvt. Ltd., SY No. 249,/2AA &246/2AA, Shakarpalli Road, Khanapur, Rajendranagar, Mandal, R. R. Dist, TS**
(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium, panicle awns absent and grain phenol reaction of lemma absent.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2015/2086

(1) Registration Number and date of grant: - **REG/2015/2086 & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **M054**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **G6400/G14291 and Bayer Bioscience Pvt.Ltd, SY No. 249/2AA & 246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour dark and leaf pubescence of blade surface medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2016/2

(1) Registration Number and date of grant: - **REG/2016/2 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082, Telangana**

(3) Denomination of the variety: **TMRH 124**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM110003A/TM140033R and R & D centre, Trimurti Plant science, Ramayapalli, Manoharabad, Medak, Telangana state**

(6) Details of the distinguishing features or the characteristics: **Erect to semi erect panicle attitude of branches.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2016/406

(1) Registration Number and date of grant: - **REG/2016/406 & 26/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-**

Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, **Telangana**

(3) Denomination of the variety: **R874F**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **R 822/R 874G and Pioneer research farm, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle awns present**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **08.05.2013**

Certificate of Registration REG/2016/526

(1) Registration Number and date of grant: - **REG/2016/526 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **R834F**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **R801/R818G and Pioneer research farm Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Erect to semi erect panicle attitude of branches and partly exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2016/528

(1) Registration Number and date of grant: - **REG/2016/528 & 10/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **R818F**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **R801/R834G and Pioneer research farm Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (early observation) and partly exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **22.05.2007**

Certificate of Registration REG/2016/877

(1) Registration Number and date of grant: - **REG/2016/877 & 30/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **R915**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Others/ Rice**

(5) Parentage and geographical location of the variety: **R849XSMV1/R829 and Pioneer research farm Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Well exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2016/878

(1) Registration Number and date of grant: - **REG/2016/878 & 05/12/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**
(3) Denomination of the variety: **R871F**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**
(5) Parentage and geographical location of the variety: **R801/R871 and Pioneer research farm Hyderabad, Telangana**
(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (early observation) and panicle awns present.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **15.05.2010**

Certificate of Registration REG/2016/1043

(1) Registration Number and date of grant: - **REG/2016/1043 & 13/05/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Delta Agrigenetics Pvt. Ltd., Plot No. 99&100, Green Park Avenue, Behind Surabhi Hotel, Jeedimetla Village, Pet Basheerabad, Hyderabad-500055**, **Telangana**
(3) Denomination of the variety: **D3100**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **555A/DLRR-01 and R &D Delta agrigenetics Pvt.Ltd. Hyderabad**
(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (early observation).**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **24.04.2006**

Certificate of Registration REG/2016/1044

(1) Registration Number and date of grant: - **REG/2016/1044 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Delta Agrigenetics Pvt. Ltd., Plot No. 99&100, Green Park Avenue, Behind Surabhi Hotel, Jeedimetla Village, Pet Basheerabad, Hyderabad-500055**, **Telangana**

(3) Denomination of the variety: **D2600**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **555A/DLRR-02 and R &D Delta agrigenetics Pvt.Ltd. Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade late observation) and mostly exerted panicle exertion.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **11.05.2006**

Certificate of Registration REG/2016/1212

(1) Registration Number and date of grant: - **REG/2016/1212 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **MC 13**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**

Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **RA0065/RR0093 and Metahealix Research station Opp sridevi Engineering college, Ranga Reddy, Hyderabad, TS**

(6) Details of the distinguishing features or the characteristics: **Broad decorticated grain width and long bold decorticated grain shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **26.05.2012**

Certificate of Registration REG/2016/1213

(1) Registration Number and date of grant: - **REG/2016/1213 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**

(3) Denomination of the variety: **DRH 836**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **RA0065/RR0091 and Metahealix Research station Opp sridevi Engineering college, Ranga Reddy, Hyderabad, TS**

(6) Details of the distinguishing features or the characteristics: **Semi erect flag leaf attitude of blade (early observation) and well exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **14.05.2010**

Certificate of Registration REG/2016/1215

(1) Registration Number and date of grant: - **REG/2016/1215 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**
(3) Denomination of the variety: **MR 8666**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **RA0159/RR0341 and Metahealix Research station Opp sridevi Engineering college, Ranga Reddy, Hyderabad, TS**
(6) Details of the distinguishing features or the characteristics: **Spreading panicle attitude of branches.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **23.05.2016**

Certificate of Registration REG/2016/1340

(1) Registration Number and date of grant: - **REG/2016/1340 & 05/12/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No.3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**
(3) Denomination of the variety: **MR 8333**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **RA0064/RI15S008R and Metahealix Research station Opp sridevi Engineering college, Ranga Reddy, Hyderabad, TS**
(6) Details of the distinguishing features or the characteristics: **Horizontal flag leaf attitude of blade (late observation) and panicle awns present.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **05.05.2017**

Certificate of Registration REG/2016/1708

(1) Registration Number and date of grant: - **REG/2016/1708 & 09/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nirmal Seeds Pvt Ltd, PO Box-63, Bhadgaon Road, Pachora-424201, Dist-Jalgaon**, **Maharashtra**

(3) Denomination of the variety: **NR-1011**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **NR-628/NR-399 and Paddy Research farm at khatiwali Dist. Thane Nirmal seed Pvt. Ltd., Pachora Dist Jalgaon**

(6) Details of the distinguishing features or the characteristics: **Panicle awns present and erect to semi-erect panicle attitude of branches.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **June 2015**

Certificate of Registration REG/2016/1762

(1) Registration Number and date of grant: - **REG/2016/1762 & 04/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005**, **Maharashtra**

(3) Denomination of the variety: **SYN-RI-S 4001**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **9508A/SHR30056 and Syngenta India Ltd, R&D farm, Dist. Ranga Reddy Nuthankal, TS**

(6) Details of the distinguishing features or the characteristics: **Panicle awns absent.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **27.06.2016**

Certificate of Registration REG/2016/1763

(1) Registration Number and date of grant: - **REG/2016/1763 & 05/08/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005**, **Maharashtra**
(3) Denomination of the variety: **SYN-RI-S 9001**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **9538A/SHR1111 and Syngenta India Ltd, R&D farm, Dist. Ranga Reddy Nuthankal, TS**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **27.06.2016**

Certificate of Registration REG/2017/109 H

(1) Registration Number and date of grant: - **REG/2017/109 H & 09/11/2023**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KPH-467**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KCMS-1090A/KPGOS-1245 and R &D, Kaveri seed Ltd, Gowraram P.O wargal Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Well exerted panicle exertion, long decorticated grain length and short bold decorticated grain shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/109 R

(1) Registration Number and date of grant: - **REG/2017/109 R & 09/11/2023**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**
(3) Denomination of the variety: **KPGOS-1245**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Inbred Parent Line)/ Rice**
(5) Parentage and geographical location of the variety: **IR58025A/KCMS 1090B and R &D, Kaveri seed Ltd, Gowraram P.O wargal Mandal, Medak, TS**
(6) Details of the distinguishing features or the characteristics: **White spikelet colour of tip lemma, white decorticated grain colour**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/165

(1) Registration Number and date of grant: - **REG/2017/165 & 07/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pan Seeds Pvt Ltd, 69A Satish Mukherjee Road, Kolkata-700026**, **West Bengal**
(3) Denomination of the variety: **PAN-5047**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **AN105/BPT-5204 and R & D Farm, Pan Seeds Pvt. Ltd, Vill. Daichada, P.O Huria, PS Khandaghosh, Dist. Burdwan, WB**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect, panicle curvature of main axis drooping and panicle secondary branching clustered.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercilization**

Certificate of Registration REG/2017/1583

(1) Registration Number and date of grant: - **REG/2017/1583 & 26/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **VL Dhan 157 (VL 8302) (IET 22292)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **VR9588/A 57 and ICAR-Vivekananda Parvatiya Krishi Anusandhan Sansthan, Almora, Uttarakhand-263601**

(6) Details of the distinguishing features or the characteristics: **Short grain length, medium grain width and medium gelatinization temperature through alkali spreading value.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **31.07.2014**

Certificate of Registration REG/2017/1586

(1) Registration Number and date of grant: - **REG/2017/1586 & 26/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **VL Dhan 68 (VL 31611) (IET 22283)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **/SR1818BF-4B-1-2-1-2 and ICAR-Vivekananda Parvatiya Krishi Anusandhan Sansthan, Almora, Uttarakhand-263601**

(6) Details of the distinguishing features or the characteristics: **Weak density of pubescence of lemma in spikelet long decorticated grain length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **31.07.2014**

Certificate of Registration REG/2017/1786

(1) Registration Number and date of grant: - **REG/2017/1786 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **B142**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **G0086 X G0162/G0086/G1183 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/1787

(1) Registration Number and date of grant: - **REG/2017/1787 & 11/06/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **B303**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **B109/B132 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma white, panicle awns absent and panicle attitude of branches erect to semi erect.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/1788

(1) Registration Number and date of grant: - **REG/2017/1788 & 04/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **INH15133 (AZ8433 DT)**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **C126/M062 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Leaf length of blade medium and panicle distribution of awn tip.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/1789

(1) Registration Number and date of grant: - **REG/2017/1789 & 03/10/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **AZ7007**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **C142/M049 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Time of heading (50% of plants with panicle) medium (91-110 days) and panicle number per plant medium (11-20).**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/1790

(1) Registration Number and date of grant: - **REG/2017/1790 & 05/08/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **B302**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **B099/B132 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/2284

(1) Registration Number and date of grant: - **REG/2017/2284 & 03/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005, Maharashtra**
(3) Denomination of the variety: **SYN-RI-NA926**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical & Other (Inbred Parental Line)/ Rice**
(5) Parentage and geographical location of the variety: **901A//132B/PMS10B/ and Syngenta India Ltd, R&D farm, Dist. Ranga Reddy Nuthankal, TS**
(6) Details of the distinguishing features or the characteristics: **Panicle exertion partly exerted.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/2285

(1) Registration Number and date of grant: - **REG/2017/2285 & 03/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005, Maharashtra**

(3) Denomination of the variety: **SYN-RI-NB926**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical & Other (Inbred Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **901A//132B/PMS10B/ and Syngenta India Ltd, R&D farm, Dist. Ranga Reddy Nuthankal, TS**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface weak and culm attitude semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2017/2287

(1) Registration Number and date of grant: - **REG/2017/2287 & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005**, **Maharashtra**

(3) Denomination of the variety: **SYN-RI-SHR30056**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical & Other (Inbred Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **P5700/SH162 and Syngenta India Ltd, R&D farm, Dist. Ranga Reddy Nuthankal, TS**

(6) Details of the distinguishing features or the characteristics: **Culm attitude erect and decorticated grain length long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Explited in the devlopment of hybrid S4001**

Certificate of Registration REG/2017/2288

(1) Registration Number and date of grant: - **REG/2017/2288 & 05/08/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005**, **Maharashtra**
(3) Denomination of the variety: **SYN-RI-SHR20574**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical & Other (Inbred Parental Line)/ Rice**
(5) Parentage and geographical location of the variety: **1503x1002/6470 and Syngenta India Ltd, R&D farm, Dist. Ranga Reddy Nuthankal, TS**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade semi erect and decorticated grain colour white.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Explited in the devlopment of hybrid S7002**

Certificate of Registration REG/2017/2292

(1) Registration Number and date of grant: - **REG/2017/2292 & 05/08/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005**, **Maharashtra**
(3) Denomination of the variety: **SYN-RI-NB9508**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical & Other (Inbred Parental Line)/ Rice**
(5) Parentage and geographical location of the variety: **IR58025B/II32B and Syngenta India Ltd, R&D farm, Dist. Ranga Reddy Nuthankal, TS**
(6) Details of the distinguishing features or the characteristics: **Panicle exertion well exerted.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Explited in the devlopment of hybrid S4001**

Certificate of Registration REG/2017/2293

(1) Registration Number and date of grant: - **REG/2017/2293 & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Syngenta India Limited, Amar Paradigm, S.No. 110/11/3, Baner Road, Baner, Pune-411005**, **Maharashtra**

(3) Denomination of the variety: **SYN-RI-NA9538**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical & Other (Inbred Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **907A/IR73327 and Syngenta India Ltd, R&D farm, Dist. Ranga Reddy Nuthankal, TS**

(6) Details of the distinguishing features or the characteristics: **Culm attitude erect and flag leaf attitude of blade erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Explited in the devlopment of hybrid S9001**

Certificate of Registration REG/2018/70

(1) Registration Number and date of grant: - **REG/2018/70 & 04/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **UACI Seeds and Biotech Pvt. Ltd., 20, Parkside Road, Rajeswari Niwas, 3rd Floor, Kolkata-700026**, **West Bengal**

(3) Denomination of the variety: **SS 511**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Selection MTU1010/ and Orgram, Purba Burdwan, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (early observation).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2018/113

(1) Registration Number and date of grant: - **REG/2018/113 & 03/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **B150**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **SelectionIN51RS111C00/ and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium and panicle awns absent.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2018/116

(1) Registration Number and date of grant: - **REG/2018/116 & 06/12/2022**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **M067**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **G8977/G14319 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Dropping panicle curvature of main axis and yellowish spikelet colour tip of lemma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Explited in the devlopment of hybrid INH17192**

Certificate of Registration REG/2018/131

(1) Registration Number and date of grant: - **REG/2018/131 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMRH 129**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **110001A/140016R and TriMurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colouration of apex medium, lemma and palea colour gold and gold furrows on straw background.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **20.05.2017**

Certificate of Registration REG/2018/589 H

(1) Registration Number and date of grant: - **REG/2018/589 H & 10/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**
(3) Denomination of the variety: **KPH-459 (IET 24888)**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **KCMS-1017A/KMRB-395-12-2-1-1-1 and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana**
(6) Details of the distinguishing features or the characteristics: **Semi-erect panicle attitude of branches (late observation) and well exerted panicle**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2018/589 R

(1) Registration Number and date of grant: - **REG/2018/589 R & 10/07/2023**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**
(3) Denomination of the variety: **KRMB-395-12-2-1-1-1**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Inbred Parent Line)/ Rice**
(5) Parentage and geographical location of the variety: **BPT5204/IR-46/KPGOS-2001 and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana**
(6) Details of the distinguishing features or the characteristics: **Short stem length and white decorticated grain colour.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **17.04.2017**

Certificate of Registration REG/2018/590 H

(1) Registration Number and date of grant: - **REG/2018/590 H & 10/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KPH-473 (IET 24825)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KVM-1020A/0814-110-3-4-1-1- and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Semi erect flag leaf attitude of blade (early observation) and well exerted panicle**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **17.04.2017**

Certificate of Registration REG/2018/590 A

(1) Registration Number and date of grant: - **REG/2018/590 A & 10/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCMS-1020A**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Inbred Parent Line)/ Rice**

(5) Parentage and geographical location of the variety: **IR58025B/KPGOS-84 and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (early observation) and medium decorticated grain width.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **1st devloped hybrid KPH 473**

Certificate of Registration REG/2018/590 B

(1) Registration Number and date of grant: - **REG/2018/590 B & 10/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KCMS-1020B**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Inbred Parent Line)/ Rice**

(5) Parentage and geographical location of the variety: **IR558025/KPGOS-84 and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (early observation) and medium decorticated grain width**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **1st devloped hybrid KPH 473**

Certificate of Registration REG/2018/590 R

(1) Registration Number and date of grant: - **REG/2018/590 R & 10/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **0814-110-3-4-1-1**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Inbred Parent Line)/ Rice**

(5) Parentage and geographical location of the variety: **MTU1001*KPGOS-128/KTANTI*IR56381-139-2-2R/ and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (early observation) and long bold decorticated grain shape**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **1st devloped hybrid KPH 473**

Certificate of Registration REG/2018/711

(1) Registration Number and date of grant: - **REG/2018/711 & 03/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**
(3) Denomination of the variety: **TMRH 2110**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **110001A/140041R and TriMurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**
(6) Details of the distinguishing features or the characteristics: **Leaf length of blade long and panicle length of main axis long.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2019/33

(1) Registration Number and date of grant: - **REG/2019/33 & 22/05/2023**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009**, **USA**
(3) Denomination of the variety: **M076**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **G7253/G7186 and Bayer Bio science Pvt. Ltd, SY No. 249 /2AA & 246/2AA, Shakarpalli Road, Khanapur, Rajendranagar, Mandal, R. R. Dist, TS**
(6) Details of the distinguishing features or the characteristics: **Broad decorticated grain width, long bold decorticated grain shape (in lateral view).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Can. Var. explited in the devlopment of Hybrid INH16019**

Certificate of Registration REG/2019/34

(1) Registration Number and date of grant: - **REG/2019/34 & 22/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **M075**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SN100076/SN12648 and Bayer Bio science Pvt. Ltd, SY No. 249/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain aroma absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Can. Var. explited in the devlopment of Hybrid INH18174**

Certificate of Registration REG/2019/38 H

(1) Registration Number and date of grant: - **REG/2019/38 H & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH13076**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C140/M075 and Bayer Bioscience Pvt. Ltd. R &D Farm, MCBS chandipa, TS**

(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colouration of apex absent and panicle exertion partially exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **B line of can. Hybrid is exploited**

Certificate of Registration REG/2019/40

(1) Registration Number and date of grant: - **REG/2019/40 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH16085 (Arize 6585 ST)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C130/M074 and Bayer Bio science Pvt. Ltd, SY. No. 249, 2AA & 246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2019/41

(1) Registration Number and date of grant: - **REG/2019/41 & 03/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH16019 (Arize 8455 DT)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C130/M076 and Bayer Bio science Pvt. Ltd, SY. No. 249/2AA & 246/2AA, Shakarpalli Road, Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Leaf length of blade long and panicle length of main axis long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **B line of can. Hybrid is exploited**

Certificate of Registration REG/2019/45 H

(1) Registration Number and date of grant: - **REG/2019/45 H & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**
(3) Denomination of the variety: **KPH-468**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety:
KOSO8ME0004A/KOS11MM0034R and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana
(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (late observation).**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **07.05.2015**

Certificate of Registration REG/2019/48

(1) Registration Number and date of grant: - **REG/2019/48 & 17/04/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**
(3) Denomination of the variety: **KPH-484**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety:
KOS08ME0004A/KOS11MM0034R and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana
(6) Details of the distinguishing features or the characteristics: **Absence of anthocyanin colouration of apex in lemma.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **14.02.2018**

Certificate of Registration REG/2019/50

(1) Registration Number and date of grant: - **REG/2019/50 & 22/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KOSO8ME0004A**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KOS06MM0001B/KPG0S522 and R &D farm, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle awns absent and decorticated grain aroma absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **07.05.2015**

Certificate of Registration REG/2019/56

(1) Registration Number and date of grant: - **REG/2019/56 & 06/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bisco Biosciences Pvt Ltd, H.No 1-8-201 to 203, Flat No. 208,209, Ashoka My Home Chambers, SP Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **LG 90303**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **ATPDA0029/ATPDA2096 and R & D station at Yadaram , Medchal, Mandal, Telangana**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **15.04.2019**

Certificate of Registration REG/2019/57

(1) Registration Number and date of grant: - **REG/2019/57 & 10/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **BS129G (Arize 6129 Gold)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C112/M018 and Bayer Bio science Pvt. Ltd, SY No. 249, 2AA & 246/2AA, Shakarpalli Road, Khanapur, Rajendranagar, Mandal, R. R. Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Semi-erect attitude of leaf blade (late observation), presence of awns in the panicle, long decorticated grain length, medium decorticated grain width, light brown decorticated grain colour, aroma present**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **30.03.2017**

Certificate of Registration No. REG/2017/748

(1) Registration Number and date of grant:- **REG/2017/748 & 29/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Bharat Yadav, S/o Rama Yadav, Village Sukhari Khurd, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **BHARAT JOWAR**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Sukhari Khurd, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Greyed purple glume colour and white grain colour after threshing.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/749

(1) Registration Number and date of grant:- **REG/2017/749 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Asharam Maravi, S/o Mankhan Maravi, Village Khurshipar, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **ASHARAM KUTKI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Khurshipar, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi dwarf plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/751

(1) Registration Number and date of grant:- **REG/2017/751 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Manesh Kumar Uikey, Village Chargaon, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Mahesh Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Chargaon, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flag leaf blade: width (cm); Narrow (<0.5), Panicle: Length (cm); Short (<6.0) and Grain: Colour; Dark brown (RHS NO 177B).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/757

(1) Registration Number and date of grant:- **REG/2017/757 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Chandrakant Dehariya, Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Chandrakant Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **and**

(6) Details of the distinguishing features or the characteristics: - **Panicle: Compactness;Intermediate and Grain: Shape; Ovel**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/760

(1) Registration Number and date of grant:- **REG/2017/760 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Kadir Khan, Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KADIR ARHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Cream seed colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/761

(1) Registration Number and date of grant:- **REG/2017/761 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keshav Prasad Dehariya, Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KESHAV BATANA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green intensity of green colour of pod.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/763

(1) Registration Number and date of grant:- **REG/2017/763 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Romti Bai Dehariya, Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **ROMTI MASOOR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris (L.)Medik***

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Small leaflet size, seed testa mottling absent and orange cotyledon colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/764

(1) Registration Number and date of grant:- **REG/2017/764 & 10/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Chhidami Dehariya, Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **CHHIDAMI KODO**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Simariya Maltani, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Light brown grain.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/766

(1) Registration Number and date of grant:- **REG/2017/766 & 03/3/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ramesh Balram Kumre, Village Khandua, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Kumre Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Khandua, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Plant:Growth habit; Erect and Grain: Colour; Light grey.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/767

(1) Registration Number and date of grant:- **REG/2017/767 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Subhash Kavreti, Village Khandua, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SUBHASH TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Khandua, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Absent leaf pubescence on lower surface of the leaf.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/770

(1) Registration Number and date of grant:- **REG/2017/770 & 06/11/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vindar Gyani Uikey, Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **VINDAR CHOTI BATRI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Present stem anthocyanin colouration.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/773

(1) Registration Number and date of grant:- **REG/2017/773 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Somnath Hariram Kumhare, Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SOMNATH TENDNI CHHOTA CHANA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Tuberculated seed testa texture.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/774

(1) Registration Number and date of grant:- **REG/2017/774 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Somnath Hariram Kumhare, Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SOMNATH PILI BATRI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/779

(1) Registration Number and date of grant:- **REG/2017/779 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Bisan Lal, S/o Chaklal Kameriya, Village Salaiya Burki, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KALI KUTKI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Salaiya Burki, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **High number of basal tillers and short length of flag leaf blade.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/781

(1) Registration Number and date of grant:- **REG/2017/781 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indra Kumar, S/o Gyani Uikey, Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **INDRA TENDNI TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Pod constriction slight and pod size (4-5) cm.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/782

(1) Registration Number and date of grant:- **REG/2017/782 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mohan Lal, S/o Devlal Dhurve, Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **MOHAN TENDNI CHANA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium leaflet size (length) (middle of the plant and middle of the leaf), brown seed colour and very small seed size (weight of 100 seeds at 10% moisture content).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/784

(1) Registration Number and date of grant:- **REG/2017/784 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kishori Lal, S/o Merulal Pandram, Village Tendni, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **CHHOTI RAHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Dhanora, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Single number of pod/axil and green pod intensity of green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Variety commercialized since**

Certificate of Registration No. REG/2017/808

(1) Registration Number and date of grant:- **REG/2017/808 & 12/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Saggansa Ivnati, S/o Hamirsa Ivnati, Village: Simariya, Block: Harrai, Dist: Chhindwara**

(3) Denomination of the variety: **VATI CHANA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **and**

(6) Details of the distinguishing features or the characteristics: - **Early time of flowering (50% of the plants with at least one open flower) and brown seed colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/811

(1) Registration Number and date of grant:- **REG/2017/811 & 02/01/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Soklal, S/o Sumarsi Bhalavi, Village Simariya, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Sakri Kodo**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Simariya, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Basal tillers: Number; Medium (20.1-30.2), Flag leaf blade: Length (CM); Medium (20.0-30.0), Peduncle: Length (cm); Short(<5.0) and 1000 Grain weight(g) at 12% moisture content; High(>6.0).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/813

(1) Registration Number and date of grant:- **REG/2017/813 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Premvati, W/o Arjun Tekam, Village Simariya, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Kali Kutki Premvati**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Simariya, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Panicle length: Short; Plant height:Semi dwarf**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/816

(1) Registration Number and date of grant:- **REG/2017/816 & 29/29/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mankali, S/o Rajkumar Dhurve, Village Akhlani, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Raj Chana**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Akhlani, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Creamy beige seed colour and owl's head seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/817

(1) Registration Number and date of grant:- **REG/2017/817 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mankali, S/o Rajkumar Dhurve, Village Akhlani, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Man Kodo**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Akhlani, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **High 1000 grain weight at 12% moisture content.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/818

(1) Registration Number and date of grant:- **REG/2017/818 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ram Kumar, S/o Tekbal Shah Uikey, Village Kumhari Mohalla Ghanora, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **RAM ARHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Kumhari Mohalla Ghanora, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green stem colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/819

(1) Registration Number and date of grant:- **REG/2017/819 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Ram Kumar, S/o Tekbal Shah Uikey, Village Kumhari Mohalla Ghanora, Block: Harrai, Dist: Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **DHAN BATRA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Kumhari Mohalla Ghanora, Block: Harrai, Dist: Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green pod intensity of green colour & long plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/821

(1) Registration Number and date of grant:- **REG/2017/821 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Raj Kumar, S/o Sukhlal Marskole, Village Dhanora, Block Harrai, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KALI KUTKI RAJ**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Dhanora, Block Harrai, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium flag leaf length (cm) and narrow flag leaf blade width (cm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/823

(1) Registration Number and date of grant:- **REG/2017/823 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Devki Parteti, Village Haranbhata, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Devki Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Haranbhata, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Basal tillers: Number;Medium (4-7) and 1000 seed weight (g) at 12% seed moisture content; Medium (2.0-3.0).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/824

(1) Registration Number and date of grant:- **REG/2017/824 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mulchand Sahu, S/o Dalchand Sahu, Village Dhasanwara, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **BATANA MULCHAND**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Dhasanwara, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium flower days & medium pod curvature.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/828

(1) Registration Number and date of grant:- **REG/2017/828 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Shanta Bhalavi, W/o Jeetlal Bhalavi, Village Ghughrla Khurd, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Shanta Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Ghughrla Khurd, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flag leaf blade: Length (cm); Medium (15.0-30.0) and Lodging; Present**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/830

(1) Registration Number and date of grant:- **REG/2017/830 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Preetam Dehariya, Village Khamra Akdu, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Kodo Preetam**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Khamra Akdu, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **High raceme number and tall plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/840

(1) Registration Number and date of grant:- **REG/2017/840 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sanjeet, S/o Rushman Parteti, Village Haranbhata, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Sanjeet Kodo**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Haranbhata, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Decumbent plant growth.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/842

(1) Registration Number and date of grant:- **REG/2017/842 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sharda, W/o Ram Kishor Uikey, Village Rajangaon Katiyadhana, Block Amarwara, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SHARDA TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Rajangaon Katiyadhana, Block Amarwara, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Cream seed colour and globular seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/859

(1) Registration Number and date of grant:- **REG/2017/859 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ram Kripal Yadav, S/o Samlu Yadav, Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Chhoti Kodo**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Wide flag leaf blade.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/860

(1) Registration Number and date of grant:- **REG/2017/860 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ram Kripal Yadav, S/o Samlu Yadav, Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KALI KUTKI RAM**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi dwarf plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/865

(1) Registration Number and date of grant:- **REG/2017/865 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nan Dau Parte, S/o Pittu, Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KALI KUTKI NAN**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Arched inflorescence shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/874

(1) Registration Number and date of grant:- **REG/2017/874 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ghure Lal Parte, S/o Chamra, Village Dudhari, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **SHYAM KUTKI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Dudhari, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Intermediate panicle compactness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/876

(1) Registration Number and date of grant:- **REG/2017/876 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sukal Parte, S/o Pittu, Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KALI KUTKI CHANGARIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: NA **and Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Peduncle length (cm) short and panicle compactness intermediate.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/877

(1) Registration Number and date of grant:- **REG/2017/877 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Asha Ram Bega, S/o Lok Shay, Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Mahiya Asha**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Sparse flower pattern on streaks on petal (standard) and oval seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/878

(1) Registration Number and date of grant:- **REG/2017/878 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jai Singh Dhurve, S/o Aghnu, Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Kali Kutki Aghnu**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Changariya, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Panicle length: Short; Grain colour: Dark Grey**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/881

(1) Registration Number and date of grant:- **REG/2017/881 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nand Lal Sahu, S/o Bajari Lal Sahu, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KALI CHOTI NAND**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Presence of stipule rabbit eared stipule and single number of pod/axil.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/882

(1) Registration Number and date of grant:- **REG/2017/882 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Killa Bai, W/o Komal Sahu, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **CHOTI KALI KOMAL**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Stem anthocyanin colouration present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/883

(1) Registration Number and date of grant:- **REG/2017/883 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jethu Sahu, S/o Shankar Sahu, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **CHOTI KALI JHETHU**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Pod intensity of green-green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/884

(1) Registration Number and date of grant:- **REG/2017/884 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajendra Sahu, S/o Bisram Sahu, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KALI CHOTI RAJENDRA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green pod intensity of green colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/886

(1) Registration Number and date of grant:- **REG/2017/886 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Fagu Lal Sahu, S/o Antu Lal Sahu, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **CHOTI KALI ANTU**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Present stem anthocyanin colouration, purple leaf axil colour, purple flower standard petal colour, single number of pod/axil and small seed size (wt. of 1000 seeds).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/888

(1) Registration Number and date of grant:- **REG/2017/888 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Munna Lal Neti, S/o Ram Lal Neti, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Safed Badi**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Presence of leaf leaflet and single no of pod/axil.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/889

(1) Registration Number and date of grant:- **REG/2017/889 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Munna Lal Neti, S/o Ram Lal Neti, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Kali Choti Ram**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Purple leaf axis colour and medium pod curvature**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/890

(1) Registration Number and date of grant:- **REG/2017/890 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Budhiya Bai Neti, S/o Hare Singh, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Kali Choti Bhudiya**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Late flowering opening and green pod intensity.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/891

(1) Registration Number and date of grant:- **REG/2017/891 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajendra Kumar Yadav, S/o Jai Ram Yadav, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **MAHIYA RAJENDRA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Elongate seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/892

(1) Registration Number and date of grant:- **REG/2017/892 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Rajendra Kumar Yadav, S/o Jai Ram Yadav, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KALI CHOTI JAIRAM**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green foliage colour, present stipule rabbit eared stipule, single number of pod/axil and short plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/893

(1) Registration Number and date of grant:- **REG/2017/893 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajendra Kumar Yadav, S/o Jai Ram Yadav, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **DESHI RAJENDRA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Early time of flowering (50% of the plants with at least one open flower).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/894

(1) Registration Number and date of grant:- **REG/2017/894 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vijay Kumar Yadav, S/o Jai Ram Yadav, Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **CHOTI GULABI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Ghot, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Spreading plant growth habit.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/897

(1) Registration Number and date of grant:- **REG/2017/897 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dharam Singh Dhurve, Village Kosam Dongri, PO Bakori, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Mahiya Dharmu**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Kosam Dongri, PO Bakori, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Absent flower pattern of streaks on petal (standard) and green with brown streaks pod colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/898

(1) Registration Number and date of grant:- **REG/2017/898 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Manik Lal Masram, Village Padariya, PO Foolsagar, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Kodo Manik**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Padariya, PO Foolsagar, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Present internode pigmentation.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/899

(1) Registration Number and date of grant:- **REG/2017/899 & 22/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ram Narayan Masram, Village Padariya, PO Foolsagar, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI RAMANARAYAN**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Padariya, PO Foolsagar, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Arched inflorescence shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/904

(1) Registration Number and date of grant:- **REG/2017/904 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Basori Lal Masram, Village Umariya, PO Bakori, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Mahiya Basori**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: NA **and Village Umariya, PO Bakori, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Pod constriction slight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof.

Not Commercialized

Certificate of Registration No. REG/2017/907

(1) Registration Number and date of grant:- **REG/2017/907 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ramkumar Jhariya, Village Jhurdi Podi, PO Podi, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI JHARIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: NA **and Village Jhurdi Podi, PO Podi, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium days to 50% flowering.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/908

(1) Registration Number and date of grant:- **REG/2017/908 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mangal Singh Uikey, Village Padariya, PO Foolsagar, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Kodo Mangal**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Padariya, PO Foolsagar, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **High raceme number.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/910

(1) Registration Number and date of grant:- **REG/2017/910 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bhour Singh Pandro, Village Umariya, PO Bakori, Block Bichhiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Mahiya Bhour**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Umariya, PO Bakori, Block Bichhiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Present plant anthocyanin colouration of hypocotyl and green stem colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/911

(1) Registration Number and date of grant:- **REG/2017/911 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gudda Kumar Dhurve, Village Tindni, PO Katra, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **SAFED BATRI GUDDA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Tindni, PO Katra, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Seed weight of 1000 seeds medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/912

(1) Registration Number and date of grant:- **REG/2017/912 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bhour Singh Pandro, Village Umariya, PO Bakori, Block Bichhiya, Distict Mandla, Madhya Pradesh**

(3) Denomination of the variety: **BATARI BHOUR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Umariya, PO Bakori, Block Bichhiya, Distict Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **No. of pod/axil-single.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/915

(1) Registration Number and date of grant:- **REG/2017/915 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gudda Kumar Dhurve, Village Tindni, PO Katra, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Kali Batri Dhurvey**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Tindni, PO Katra, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Stem anthocyanin colouration present and leaf axil colour purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/916

(1) Registration Number and date of grant:- **REG/2017/916 & 16/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Umesh Kumar Uikey, Village Lawar Mudiya, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **KODO UMESH**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Lawar Mudiya, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Light brown grain colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/919

(1) Registration Number and date of grant:- **REG/2017/919 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Anju Bai Dhurve, Village Sakri Jar, PO Katra, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Choti Safed Anju**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Sakri Jar, PO Katra, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Present stipule rabbit eared stipule and medium flowering opening days.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/920

(1) Registration Number and date of grant:- **REG/2017/920 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Anju Bai Dhurve, Village Sakri Jar, PO Katra, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Batri Kali Dana Chota**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Sakri Jar, PO Katra, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Purple flower standard petal colour and small seed size (wt. of 1000 seeds)**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/921

(1) Registration Number and date of grant:- **REG/2017/921 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kali Ram Dhurve, Village Sakri Jar, PO Katra, District Mandla, Madhya Pradesh**

(3) Denomination of the variety: **Kodo Kaliram**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sakri Jar, PO Katra, District Mandla, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium culm branching.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/924

(1) Registration Number and date of grant:- **REG/2017/924 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Brajesh Singh, S/o Dalpat Singh, Village Pilookhedi, PO Vardha, Tehsil Shamshabad, District Vidisha, Madhya Pradesh**

(3) Denomination of the variety: **PEELI MATAR PILOOKHEDI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Pilookhedi, PO Vardha, Tehsil Shamshabad, District Vidisha, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green foliage colour, present leaf leaflet, single number of pod/axil, green pod intensity of green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/925

(1) Registration Number and date of grant:- **REG/2017/925 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dalpat Singh, S/o Narayan Singh Yadav, Village Pilookhedi, PO Vardha, Tehsil Shamshabad, District Vidisha, Madhya Pradesh**

(3) Denomination of the variety: **PURANI TUAR (MAHRUN LAL)-PILOOKHEDI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Pilookhedi, PO Vardha, Tehsil Shamshabad, District Vidisha, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flower pattern of streaks on petal (standard) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/926

(1) Registration Number and date of grant:- **REG/2017/926 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mohabbat Singh, S/o Narayan Singh Dhakar, Village Miyan Khedi, PO Shamshabad, District Vidisha, Madhya Pradesh**

(3) Denomination of the variety: **KHAJIYA DHANA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Miyan Khedi, PO Shamshabad, District Vidisha, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Small leaflet size (length) (middle of the plant and middle of the leaf).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/927

(1) Registration Number and date of grant:- **REG/2017/927 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Munna Lal Yadav, S/o Gajraj Singh, Village Pilookhedi, Tehsil Shamshabad, District Vidisha, Madhya Pradesh**

(3) Denomination of the variety: **KATKIYAU ARHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Pilookhedi, Tehsil Shamshabad, District Vidisha, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flower pattern of streaks on petal (standard) sparse.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/933

(1) Registration Number and date of grant:- **REG/2017/933 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nirmala Sonare, Village Patyakuwan, PO Rahatgaon, District Harda, Madhya Pradesh**

(3) Denomination of the variety: **Patya Kodo**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Patyakuwan, PO Rahatgaon, District Harda, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **High raceme number.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized since**

Certificate of Registration No. REG/2017/956

(1) Registration Number and date of grant:- **REG/2017/956 & 03/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Lal Bahadur Singh, Village Teduha No.1, PO Belha, Block Sihawal, District Sidhi, Madhya Pradesh**

(3) Denomination of the variety: **MASURI TEDUHA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris (L.)Medik***

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and Village Teduha No.1, PO Belha, Block Sihawal, District Sidhi, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Presence of steam pigmentation, short plant height and orange cotyledon colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/966

(1) Registration Number and date of grant:- **REG/2017/966 & 25/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Uday Bhan Singh, Village Chapra Tola, Block Kusmi, District Sidhi, Madhya Pradesh**

(3) Denomination of the variety: **Kodaili Uday**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Chapra Tola, Block Kusmi, District Sidhi, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Late flowering.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/969

(1) Registration Number and date of grant:- **REG/2017/969 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Lal Bahadur Singh, Village Teduha No.1, PO Belha, Block Sihawal, District Sidhi, Madhya Pradesh**

(3) Denomination of the variety: **Bhadaila Teduha**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo (L.) Hepper***

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village Teduha No.1, PO Belha, Block Sihawal, District Sidhi, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Late time of flowering and medium plant growth habit.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/975

(1) Registration Number and date of grant:- **REG/2017/975 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Urmila Singh Gaur, Village Badwahi, Block Kusmi, District Sidhi, Madhya Pradesh**

(3) Denomination of the variety: **Batura Choti Badwahi**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Badwahi, Block Kusmi, District Sidhi, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Present stipule rabbit eared stipule.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/988

(1) Registration Number and date of grant:- **REG/2017/988 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Yagya Raj Singh, Village Teduha No.1, PO Belha, Block Sihawal, District Sidhi, Madhya Pradesh**

(3) Denomination of the variety: **Gol Batura Teduha**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: NA **and Village Teduha No.1, PO Belha, Block Sihawal, District Sidhi, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Single no of pod axil & long plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/989

(1) Registration Number and date of grant:- **REG/2017/989 & 03/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Raj Bhan Singh, Village Chakdour, Block Semariya, District Sidhi, Madhya Pradesh**

(3) Denomination of the variety: **KODO CHAK**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Chakdour, Block Semariya, District Sidhi, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Plant height (cm) tall.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/990

(1) Registration Number and date of grant:- **REG/2017/990 & 22/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Brij Nandan Singh, Village Chakdour, Block Semariya, District Sidhi, Madhya Pradesh**

(3) Denomination of the variety: **MEJHARI CHAKRODH**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Chakdour, Block Semariya, District Sidhi, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Short panicle length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/993

(1) Registration Number and date of grant:- **REG/2017/993 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sirpat Khapre, S/o Pilaji Khapre, Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(3) Denomination of the variety: **SAWAN SIRPOOT**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Peduncle length (cm) short (<10.0) and panicle length (cm) short (<15.0).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/995

(1) Registration Number and date of grant:- **REG/2017/995 & 29/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sirpat Khapre, S/o Pilaji Khapre, Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(3) Denomination of the variety: **Bichhua Chana**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Small seed size (weight of 100 seeds at 10% moisture content) and owl's head seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/997

(1) Registration Number and date of grant:- **REG/2017/997 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sirpat Khapre, S/o Pilaji Khapre, Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(3) Denomination of the variety: **Bichhua Bajra**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Pennisetum glaucum (L.) R.Br.***

Category/Type of variety/Common name: **Farmer / Typical/ Pearl Millet**

(5) Parentage and geographical location of the variety: **NA and Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Yellow brown seed weight of 1000 grains.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/998

(1) Registration Number and date of grant:- **REG/2017/998 & 29/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sampat Khapre, S/o Pilaji Khapre, Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(3) Denomination of the variety: **JWAR BICHHUA SAMPAT**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium grain size of mark of germ.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/999

(1) Registration Number and date of grant:- **REG/2017/999 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sampat Khapre, S/o Pilaji Khapre, Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(3) Denomination of the variety: **Sampat Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Globose elliptic inflorescence shape and intermediate panicle compactness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1000

(1) Registration Number and date of grant:- **REG/2017/1000 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kanhaiya Lal Pawar, S/o Sashram Choudhary, Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(3) Denomination of the variety: **CHANA KANHAIYA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Rough seed testa texture.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1001

(1) Registration Number and date of grant:- **REG/2017/1001 & 26/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ganpat Powar, S/o Hansu Pawar, Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(3) Denomination of the variety: **Jwar Janpat**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Thuepani, Block Bichhua, District Chhindwada, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Greyed yellow grain colour of vitreous albumen.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1002

Certificate of Registration No. REG/2017/1005

(1) Registration Number and date of grant:- **REG/2017/1005 & 09/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sahab Chandra Marpe, S/o Methu Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **TORAI CHANDRA**

(4) Name of:

Family: **Cucurbitaceae**

Genus & Species: ***Luffa acutangula (L.) Roxb.***

Category/Type of variety/Common name: **Farmer / Typical/ Ridge gourd**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Glossy fruit skin luster.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1007

(1) Registration Number and date of grant:- **REG/2017/1007 & 29/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sahab Chandra Marpe, S/o Methu Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **JWAR CHANDRA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Early plant time of panicle emergence (50% of the pants with 50% anthesis) and short panicle length without peduncle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1008

(1) Registration Number and date of grant:- **REG/2017/1008 & 05/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sipatia Bai, W/o Sahab Chandra Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KODO SIPATIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Open panicle appearance and medium culm branching.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1010

(1) Registration Number and date of grant:- **REG/2017/1010 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sipatia Bai, W/o Sahab Chandra Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Matar Rangpur**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Stem anthocyanin colouration present and seed cotyledon colour green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1012

(1) Registration Number and date of grant:- **REG/2017/1012 & 11/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sipatia Bai, W/o Sahab Chandra Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **GEHOON SIPATIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Absent flag leaf hairs on auricles.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1014

(1) Registration Number and date of grant:- **REG/2017/1014 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sipatia Bai, W/o Sahab Chandra Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Kutki Rangpoor**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: NA **and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Globose elliptic inflorescence shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1016

(1) Registration Number and date of grant:- **REG/2017/1016 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sahab Chandra Marpe, S/o Methu Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SAWAN CHANDRA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Peduncle length (cm) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1017

(1) Registration Number and date of grant:- **REG/2017/1017 & 02/04/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sahab Chandra Marpe, S/o Methu Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **MARPE MASOOR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Lens culinaris (L.)Medik***

Category/Type of variety/Common name: **Farmer / Typical/ Lentil**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Light intensity of green colour on foliage, small leaflet size, short plant height and seed testa mottling absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1018

(1) Registration Number and date of grant:- **REG/2017/1018 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sahab Chandra Marpe, S/o Methu Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **ARHAR CHAPA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Brown seed colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1019

(1) Registration Number and date of grant:- **REG/2017/1019 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sahab Chandra Marpe, S/o Methu Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **URD MARPE**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo (L.) Hepper***

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi-erect plant growth habit and globose seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1020

(1) Registration Number and date of grant:- **REG/2017/1020 & 12/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sahab Chandra Marpe, S/o Methu Marpe, Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **MIRCH DARK**

(4) Name of:

Family: **Solanaceae**

Genus & Species: ***Capsicum annuum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chilli**

(5) Parentage and geographical location of the variety: **NA and Village Rangpur, Block Amarwada, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Upright plant habit and strong anthocyanin colouration of plant nodes.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1021

(1) Registration Number and date of grant:- **REG/2017/1021 & 16/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sugna Bai, Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI BANI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi dwarf plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1022

(1) Registration Number and date of grant:- **REG/2017/1022 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Atrasa, S/o Sagun, Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI SANGAT**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: NA **and Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Panicle length (cm) short.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1023

(1) Registration Number and date of grant:- **REG/2017/1023 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Biran, S/o Gajarsi, Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI GARAJ**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Intermediate panicle compactness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1024

(1) Registration Number and date of grant:- **REG/2017/1024 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Itarlal Parteti, Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **ITAR TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Cream seed colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1025

(1) Registration Number and date of grant:- **REG/2017/1025 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Santosh Kakodiya, S/o Rangoon Shah, Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Santosh Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Erect plant growth habit.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1026

(1) Registration Number and date of grant:- **REG/2017/1026 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Santosh Kakodiya, S/o Rangoon Shah, Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Kok Rahar**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi-spreading branching pattern of the plant and green stem colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1029

(1) Registration Number and date of grant:- **REG/2017/1029 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dinkar Kokodiya, S/o Jangloo Kokodiya, Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **DINI KUTKI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Globose elliptic inflorescence shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1030

(1) Registration Number and date of grant:- **REG/2017/1030 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Naresh, S/o Durpal, Village Damua, Block Parasiya, District Chhindwara, Madhya Pradesh**

(1) Registration Number and date of grant:- **REG/2017/1034 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hajari, S/o Dharmu, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **TUAR BARAMASI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Pod no. of seeds 4.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1035

(1) Registration Number and date of grant:- **REG/2017/1035 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajkumar Angare, S/o Kare Lal, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Angar Jwar**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Panicle border in lower part panicle shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1036

(1) Registration Number and date of grant:- **REG/2017/1036 & 22/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajkumar Angare, S/o Kare Lal, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI TAMIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Intermediate panicle compactness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1038

(1) Registration Number and date of grant:- **REG/2017/1038 & 26/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dhuro Bai Bharti, S/o Guljar, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **JWAR ANGIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flower with medium pedicle length of flower.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1040

(1) Registration Number and date of grant:- **REG/2017/1040 & 16/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kare Lal Angare, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI OKHAT**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi dwarf plant height (cm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1041

(1) Registration Number and date of grant:- **REG/2017/1041 & 28/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kare Lal Angare, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **JWAR BHATIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Absent flag leaf yellow colouration of midrib.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized since**

Certificate of Registration No. REG/2017/1042

(1) Registration Number and date of grant:- **REG/2017/1042 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kare Lal Angare, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **TUAR ASADI**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Pod size (4-5) cm.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1043

(1) Registration Number and date of grant:- **REG/2017/1043 & 21/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rag Lal Bharti, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI RANGLAL RASHAI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Globose elliptic inflorescence shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1044

(1) Registration Number and date of grant:- **REG/2017/1044 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rag Lal Bharti, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Tuar Parasiya**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green stem colour and green with brown streaks pod colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1047

(1) Registration Number and date of grant:- **REG/2017/1047 & 21/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kali Ram Angare, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI RASAI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Globose elliptic inflorescence shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1052

(1) Registration Number and date of grant:- **REG/2017/1052 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Siya Lal, S/o Najroo Bharti, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUTKI KHERI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ramesh Guljaar, Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **GEHOON GULJAAR**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Bent spike attitude (at the time of maturity).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1073

(1) Registration Number and date of grant:- **REG/2017/1073 & 26/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gajroo Dhurve, Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **JWAR GAJAR**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Greyed purple glume colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1074

(1) Registration Number and date of grant:- **REG/2017/1074 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Meera Bai, W/o Ghooran Lal, Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **TUAR GHOORAN**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green with brown streaks pod colour and oval seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1076

(1) Registration Number and date of grant:- **REG/2017/1076 & 28/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Budhman, S/o Adhar Singh, Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **JWAR MEHTAP**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Panicle broader in lower part panicle shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1080

(1) Registration Number and date of grant:- **REG/2017/1080 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kishori, S/o Guljar, Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **TUAR KISHOR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and S Village Kohka, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Seed shape globular.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1081

(1) Registration Number and date of grant:- **REG/2017/1081 & 28/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sant Lal Irpachi, S/o Bhudhu Lal, Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **JWAR SANTLAL**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Panicle broader in lower part panicle shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1082

(1) Registration Number and date of grant:- **REG/2017/1082 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sant Lal Irpachi, S/o Bhudhu Lal, Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Kutki Bhateli**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi-dwarf plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1084

(1) Registration Number and date of grant:- **REG/2017/1084 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sant Lal Irpachi, S/o Bhudhu Lal, Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **ARHAR SANT KATHIYA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Absent flower pattern of streaks on petal (standard) & green with brown streaks pod colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1086

(1) Registration Number and date of grant:- **REG/2017/1086 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Barati Lal Bharti, S/o Baisakhu Lal Bharti, Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **ARHAR AGETI SHRIJHOT**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Seed colour brown.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1087

(1) Registration Number and date of grant:- **REG/2017/1087 & 05/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Uday Bhansa, S/o Thepa, Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Uday Kodo**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi compact panicle appearance.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1088

(1) Registration Number and date of grant:- **REG/2017/1088 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Uday Bhansa, S/o Thepa, Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Kutki Kali Uday**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Shrijhot, PO Jamuniya, Block Tamiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Arched inflorescence shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1090

(1) Registration Number and date of grant:- **REG/2017/1090 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gulab Singh, S/o Sukh Lal Bharti, Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **TUAR KHAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Suthiya, Block Parasiya, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Brown seed colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1094

(1) Registration Number and date of grant:- **REG/2017/1094 & 26/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ajay Singh, Village Khandua, PO Tamia, District Chhindwara- 480559, Madhya Pradesh**

(3) Denomination of the variety: **RAM JOWAR**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Khandua, PO Tamia, District Chhindwara- 480559, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Short panicle length without peduncle and non-lustrous grain lustre.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1095

(1) Registration Number and date of grant:- **REG/2017/1095 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Arjun, Village Khandua, PO Tamia, District Chhindwara- 480559, Madhya Pradesh**

(3) Denomination of the variety: **Arjun Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Khandua, PO Tamia, District Chhindwara- 480559, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Panicle: Compactness: Compact;1000 Seed weight (g) at 12% seed moisture content;medium**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1098

(1) Registration Number and date of grant:- **REG/2017/1098 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kavita Premsagar, Village Khandua, PO Tamia, District Chhindwara-480559, Madhya Pradesh**

(3) Denomination of the variety: **HARI TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Khandua, PO Tamia, District Chhindwara- 480559, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Leaf pubescence on lower surface of the leaf present and flower pattern of streaks on petal (standard) absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1103

(1) Registration Number and date of grant:- **REG/2017/1103 & 03/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajkumari Harisingh Uikey, Village Khandua, PO Tamia, District Chhindwara- 480559, Madhya Pradesh**

(3) Denomination of the variety: **Raj Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Khandua, PO Tamia, District Chhindwara- 480559, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flag lesr: Blade length (cm): Medium; Panicle: Compactness: Intermediate**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1105

(1) Registration Number and date of grant:- **REG/2017/1105 & 21/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Karabai Shah, W/o Laxman Shah, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SAJ KARA KUTKI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Dark grey grain colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1106

(1) Registration Number and date of grant:- **REG/2017/1106 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Suresh Shah, S/o Laxman Shah, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **KUHI SURESH TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Present anthocyanin colouration of hypocotyl of plant.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1109

(1) Registration Number and date of grant:- **REG/2017/1109 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pushpa, W/o Sukhman, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Sajkuhi Pushpa Kangana**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Setaria italica (L.) Beauv***

Category/Type of variety/Common name: **Farmer / Typical/ Foxtail Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Long inflorescence length of bristles.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1111

(1) Registration Number and date of grant:- **REG/2017/1111 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rajesh, S/o Sukhman Bharti, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Saj Rajesh Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium panicle length and intermediate panicle compactness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1113

(1) Registration Number and date of grant:- **REG/2017/1113 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Govind Jawre, S/o Villu Jawre, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Saj Govind Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Globose elliptic inflorescence shape and medium panicle length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1114

(1) Registration Number and date of grant:- **REG/2017/1114 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Sushma, W/o Jheena Uikey, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SAJ SUSHMA TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Seed colour brown.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1115

(1) Registration Number and date of grant:- **REG/2017/1115 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mukchand, W/o Sukhman, Village Dhurvadana, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **MULCHAND KUTKI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Dhurvadana, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flag leaf blade is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1116

(1) Registration Number and date of grant:- **REG/2017/1116 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Aarti, S/o Durga Prasad, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Saj Aarti Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flag leaf: Blade length (cm): Medium and Plant: Height (cm): Semi dwarf.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1118

(1) Registration Number and date of grant:- **REG/2017/1118 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jagdish, S/o Lakhan Jawre, Village Waghgoda, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Waghgoda Jagdish Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Echinocloa frumentaceae (Roxb.) Link***

Category/Type of variety/Common name: **Farmer / Typical/ Barnyard Millet**

(5) Parentage and geographical location of the variety: **NA and Village Waghgoda, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Flag leaf: Blade Width (cm): Medium; Infloresence: shape: Pyramidical; Clum: Branching: Absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1119

(1) Registration Number and date of grant:- **REG/2017/1119 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Arvind, S/o Durga Prasad, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **ARVIND SAJ TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Stem colour green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1120

(1) Registration Number and date of grant:- **REG/2017/1120 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Shanti, W/o Lakhan, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SAJ SHANTI TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Green stem colour and present pod waxiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1121

(1) Registration Number and date of grant:- **REG/2017/1121 & 25/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Lakhan, S/o Villu, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Lakhan Kuhi Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Intermediate panicle compactness and elliptical grain shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1122

(1) Registration Number and date of grant:- **REG/2017/1122 & 03/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sandeep, S/o Bhawani Jawre, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **SAJ SANDEEP KODO**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Paspalum scorbiculatum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Kodo Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Panicle appearance open and grain colour brown.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1123

(1) Registration Number and date of grant:- **REG/2017/1123 & 18/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kailash, S/o Imrat Sonwanshi, Village Dhagdona, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **Kailash Dhagdona Kutki**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Dhagdona, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Globose elliptic inflorescence shape and intermediate panicle compactness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1124

(1) Registration Number and date of grant:- **REG/2017/1124 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Imrat, S/o Budhu Sonwanshi, Village Dhagdona, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **IMRAT TUAR**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Dhagdona, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Pod size 4-5 cm and seed colour pattern uniform.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1125

(1) Registration Number and date of grant:- **REG/2017/1125 & 14/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mohanti, W/o Bhawani, Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(3) Denomination of the variety: **MOHANTI KUTKI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Panicum sumatrense Roth. Ex. Roemer And Schultes***

Category/Type of variety/Common name: **Farmer / Typical/ Little Millet**

(5) Parentage and geographical location of the variety: **NA and Village Sajkuhi, Block Tamia, District Chhindwara, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi dwarf plant height.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1129

(1) Registration Number and date of grant:- **REG/2017/1129 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Manohar Lal, Village Nadia, Block Jarara, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Nadia Moong**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna radiata (L.) Wilczek***

Category/Type of variety/Common name: **Farmer / Typical/ Green gram**

(5) Parentage and geographical location of the variety: **NA and Village Nadia, Block Jarara, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Petiole colour green with purple splashed, leaf size (at 5th node from the base) large.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1130

(1) Registration Number and date of grant:- **REG/2017/1130 & 17/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Surendra Singh Yadav, Village Nadia, Block Jarara, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Surendra Jawa**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Hordeum vulgare L.***

Category/Type of variety/Common name: **Farmer / Typical/ Barley**

(5) Parentage and geographical location of the variety: **NA and Village Nadia, Block Jarara, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium awn length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1131

(1) Registration Number and date of grant:- **REG/2017/1131 & 18/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sriman Singh Yadav, Village Majhagwa, Block Jarara, PO Gor, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Majhagawa Safed Gehun**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Majhagwa, Block Jarara, PO Gor, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Dark green foliage colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1136

(1) Registration Number and date of grant:- **REG/2017/1136 & 18/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mukta Prasad, Village Majhagwa, Block Jarara, PO Gor, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Majhagawa Gehun**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Majhagwa, Block Jarara, PO Gor, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Absent/short brush hair length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1137

(1) Registration Number and date of grant:- **REG/2017/1137 & 25/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Brijesh Kushwaha, Village Kanti, Block Tikamgarh, PO Heeranagar, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **KHAJUA**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cicer arietinum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Chickpea**

(5) Parentage and geographical location of the variety: **NA and Village Kanti, Block Tikamgarh, PO Heeranagar, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Dark green plant colour of foliage and very small seed size (weight of 100 seeds at 10% moisture content).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1138

(1) Registration Number and date of grant:- **REG/2017/1138 & 17/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Beer Pratap Singh Dangi, Village Majhagwa, Block Jarara, PO Gor, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Pratap Jawa**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Hordeum vulgare L.***

Category/Type of variety/Common name: **Farmer / Typical/ Barley**

(5) Parentage and geographical location of the variety: **NA and Village Majhagwa, Block Jarara, PO Gor, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Erect growth habit and rudimentary lateral florets (two-row barley).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1139

(1) Registration Number and date of grant:- **REG/2017/1139 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rakesh Kushwaha, Village Hasgora, Block Jarara, PO Khera, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Hasgora Urad**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo (L.) Hepper***

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village Hasgora, Block Jarara, PO Khera, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Purple stem colour and glubose seed shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1140

(1) Registration Number and date of grant:- **REG/2017/1140 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sunil Kushwaha, Village Hasgora, Block Jarara, PO Khera, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **SUNIL MOONG**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna radiata (L.) Wilczek***

Category/Type of variety/Common name: **Farmer / Typical/ Green gram**

(5) Parentage and geographical location of the variety: NA **and Village Hasgora, Block Jarara, PO Khera, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Hypocotyl antho. colour absent, leaf vein colour green and seed lusture shiny.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1141

(1) Registration Number and date of grant:- **REG/2017/1141 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mathura Prasad Kushwaha, Village Kanti, Block Tikamgarh, PO Heeranagar, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Urad Mathura**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Vigna Mungo (L.) Hepper***

Category/Type of variety/Common name: **Farmer / Typical/ Black gram**

(5) Parentage and geographical location of the variety: **NA and Village Kanti, Block Tikamgarh, PO Heeranagar, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Intermediate plant height and medium pod length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1150

(1) Registration Number and date of grant:- **REG/2017/1150 & 18/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nand Ram Kushwaha, Village Kanti, Block Tikamgarh, PO Heeranagar, Dist: Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Kanti Gehun**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Kanti, Block Tikamgarh, PO Heeranagar, Dist: Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Very strong culm waxiness of neck (peduncle).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1151

(1) Registration Number and date of grant:- **REG/2017/1151 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Gokul Kushwaha, Village Karmai, Block Tikamgarh, PO Tikamgarh, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Gokul Matar**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety**: NA and Village Karmai, Block Tikamgarh, PO Tikamgarh, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Present leaf leaflet and medium opening days of flowering.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1157

(1) Registration Number and date of grant:- **REG/2017/1157 & 29/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Brij Kishore Latoria, Village Khiriya, Block Tikamgarh, PO Khiriya, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **JUNAI BRIJ**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Khiriya, Block Tikamgarh, PO Khiriya, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Absent stigma anthocyanin colouration.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1161

(1) Registration Number and date of grant:- **REG/2017/1161 & 29/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or

registered: **Kailash Prasad Kushwaha, Village Kachhiya, PO Khare, District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **KAILASH JUNAI**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Sorghum bicolor (L.) Moench***

Category/Type of variety/Common name: **Farmer / Typical/ Sorghum**

(5) Parentage and geographical location of the variety: **NA and Village Kachhiya, PO Khare, District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium flower with pedicel length of flower.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1163

(1) Registration Number and date of grant:- **REG/2017/1163 & 17/10/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rama Bai Raikwar, Village Maharajpura, Block & District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Rama Jawa**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Hordeum vulgare L.***

Category/Type of variety/Common name: **Farmer / Typical/ Barley**

(5) Parentage and geographical location of the variety: **NA and Village Maharajpura, Block & District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Auricle (flag leaf) anthocyanin pigmentation present and nerve pigmented lemma pigmentation.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1164

(1) Registration Number and date of grant:- **REG/2017/1164 & 18/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bati Bai, Village Maharajpura, Block & District Tikamgarh, Madhya Pradesh**

(3) Denomination of the variety: **Maharaj Gehun**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Maharajpura, Block & District Tikamgarh, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Strong ear waxiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1165

(1) Registration Number and date of grant:- **REG/2017/1165 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hari Ram Kushwaha, Village Banpur Darwaja, Block & PO Tikamgarh, District Tikamgarh-472001, Madhya Pradesh**

(3) Denomination of the variety: **Hariram Matar**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Banpur Darwaja, Block & PO Tikamgarh, District Tikamgarh-472001, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **No. of pod/axil single.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1171

(1) Registration Number and date of grant:- **REG/2017/1171 & 08/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Moti Lal Singh, S/o Ramadhen Singh, Village Khokham, PO Rousar, District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **SEHWA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Khokham, PO Rousar, District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Long ear length (excluding awns and scurs).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1173

(1) Registration Number and date of grant:- **REG/2017/1173 & 0811/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Hira Lal Singh, S/o Ramsundar Singh, Village Khokham, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **Pancha Heera**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Khokham, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium ear length (excluding awns and scurs).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1174

(1) Registration Number and date of grant:- **REG/2017/1174 & 20/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indrajit Singh, S/o Ramsundar Singh, Village Khokham, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **PATEL-10**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Khokham, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Parallel side ear shape in profile.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1175

(1) Registration Number and date of grant:- **REG/2017/1175 & 29/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Abhay Raj Singh, S/o Ramashriya Singh, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **HEMA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Strong ear waxiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1176

(1) Registration Number and date of grant:- **REG/2017/1176 & 19/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahendra Singh, S/o Ramashriya Singh, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **SEHRA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Very dark grain colouration with phenol.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1177

(1) Registration Number and date of grant:- **REG/2017/1177 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahendra Singh, S/o Ramashriya Singh, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **Batari Mahendra**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Pisum sativum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Fieldpea**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium opening days of flowering.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1178

(1) Registration Number and date of grant:- **REG/2017/1178 & 11/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sujeet Singh, S/o Ramsakha Singh, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **BRITTA SUJEET**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Medium lower glume beak length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1179

(1) Registration Number and date of grant:- **REG/2017/1179 & 26/11/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ramsakha Singh, S/o Bhagwat Singh, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **CHAPATIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Long flag leaf length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1180

(1) Registration Number and date of grant:- **REG/2017/1180 & 19/12/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Shyam Lal Singh, S/o Ramsakha Singh, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **SEHARIYA SHYAM**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Spreading awn attitude.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1181

(1) Registration Number and date of grant:- **REG/2017/1181 & 08/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dadan Patel, S/o Ram Bahor Patel, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **BETAIYA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Semi-erect plant flag leaf attitude.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1183

(1) Registration Number and date of grant:- **REG/2017/1183 & 18/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Lakhan Lal Mishra, S/o Late Sh. Ramswaroop Mishra, Village Khokham, PO: Rousar, District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **Azad**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Khokham, PO: Rousar, District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Foliage colour green and flag leaf waxiness of blade absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1185

(1) Registration Number and date of grant:- **REG/2017/1185 & 09/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ram Naresh Tripathi, S/o Late Sh. Mahesh Pratap Tripathi, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **Chaiti Naresh**

(4) Name of:

Family: **Fabaceae**

Genus & Species: ***Cajanus cajan (L.) Millsp.***

Category/Type of variety/Common name: **Farmer / Typical/ Pigeon pea**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Slight pod constriction.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1187

(1) Registration Number and date of grant:- **REG/2017/1187 & 08/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ram Naresh Tripathi, S/o Late Sh. Mahesh Pratap Tripathi, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **PILI GEHU MAHESH**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Long brush hair length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration No. REG/2017/1188

(1) Registration Number and date of grant:- **REG/2017/1188 & 08/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nagendra Tripathi, S/o Late Sh. Mahesh Pratap Tripathi, Village Devra, Block & District Rewa, Madhya Pradesh**

(3) Denomination of the variety: **SAFESHI NAGENDRA**

(4) Name of:

Family: **Poaceae**

Genus & Species: ***Triticum aestivum L.***

Category/Type of variety/Common name: **Farmer / Typical/ Wheat**

(5) Parentage and geographical location of the variety: **NA and Village Devra, Block & District Rewa, Madhya Pradesh**

(6) Details of the distinguishing features or the characteristics: - **Small seed size (weight of 1000 grains).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'essentially derived variety' is claimed to have been derived: - **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: - **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: - **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not Commercialized**

Certificate of Registration REG/2024/0236

(1) Registration Number and date of grant: - **REG/2024/0236 & 06/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167**, USA

(3) Denomination of the variety: **INH 220221**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C310/B310/M018 and R&D Centre Serilingampally Mandal Raidurgam Village RR District-500081, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Coleoptile colour is colourless and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Male parenat M018 has been already applied on 10.06.2014**

Certificate of Registration REG/2024/0237

(1) Registration Number and date of grant: - **REG/2024/0237 & 07/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **UACI Seeds and Biotech Pvt. Ltd., 20, Parkside Road, Rajeswari Niwas, 3rd Floor, Kolkata-700026**, West Bengal

(3) Denomination of the variety: **SS 324**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Shatabdi (IET 4786)/IR-64 (IET 9671) and R&D Farm Purba Burdwan, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma weak.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0238

(1) Registration Number and date of grant: - **REG/2024/0238 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KRH 7227**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KR19SA043/KR19SB043/PD-922R and R&D Centre Wargal Mandal, Medak, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma weak and stem thickness thick (>0.55 cm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Male parent PD-922R has been already applied on 22.07.2020**

Certificate of Registration REG/2024/0243

(1) Registration Number and date of grant: - **REG/2024/0243 & 06/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167**, USA

(3) Denomination of the variety: **INH 19188**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C304/B304/M062 and R&D Centre Serilingampally Mandal Raidurgam Village RR District-500081, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0246

(1) Registration Number and date of grant: - **REG/2024/0246 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KR20SR054**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other(Inbred parental line)/ Rice**

(5) Parentage and geographical location of the variety: **KPGOS-128/KPGOS-780 and R&D Centre Wargal Mandal, Medak, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma white.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid KRH7117 sold on 27.05.2023**

Certificate of Registration REG/2024/0251

(1) Registration Number and date of grant: - **REG/2024/0251 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KRV7333**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KGPOS5018/KGPOS5060 and R&D Centre Wargal Mandal, Medak, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main axis deflexed and panicle awns present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **06.05.2022**

Certificate of Registration REG/2024/0252

(1) Registration Number and date of grant: - **REG/2024/0252 & 02/04/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KR20SR058**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other(Inbred parental line)/ Rice**

(5) Parentage and geographical location of the variety: **KPGOS525/KOS11MM0034R and R&D Centre Wargal Mandal, Medak, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width is broad.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The candidate variety inbred line has been otherwise exploited as inbred parent of commercial hybrid KRH7428**

Certificate of Registration REG/2024/0257

(1) Registration Number and date of grant: - **REG/2024/0257 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167**, USA

(3) Denomination of the variety: **INH 18071 (Arize 6555 ST)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C130/B130/M079 and R&D Centre Serilingampally Mandal Raidurgam Village RR District-500081, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and decorticated grain width medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0258

(1) Registration Number and date of grant: - **REG/2024/0258 & 08/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167**, USA

(3) Denomination of the variety: **INH 18169 (Arize 6677 ST)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C302/B302/M078 and R&D Centre Serilingampally Mandal Raidurgam Village RR District-500081, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Time of heading (50% of plants with panicle) medium and spikelet colour of tip of lemma yellowish.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The B line B302 of the hybrid was applied on 10.08.2017**

Certificate of Registration REG/2024/0263

(1) Registration Number and date of grant: - **REG/2024/0263 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009**, USA

(3) Denomination of the variety: **INH211120**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C309/B309/M018 and R&D Centre Serilingampally Mandal Raidurgam Village RR District-500081, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Panicle exertion mostly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Male parenat M018 has been already applied on 10.06.2014**

Certificate of Registration REG/2024/0266

(1) Registration Number and date of grant: - **REG/2024/0266 & 09/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy Dist)- 500100**, Telangana

(3) Denomination of the variety: **NP 10022**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Sonal/NP9260 and R&D Centre Konaipalle R&D Farm Medchal Mandal, Medchal- Malkajgiri Dist. Telangana**

(6) Details of the distinguishing features or the characteristics: **Culm attitude semi erect and stem thickness thick.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0267

(1) Registration Number and date of grant: - **REG/2024/0267 & 05/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy Dist)- 500100**, Telangana

(3) Denomination of the variety: **NP 10444**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Sonal/NP9260 and R&D Centre Konaipalle R&D Farm Medchal Mandal, Medchal- Malkajgiri Dist. Telangana**

(6) Details of the distinguishing features or the characteristics: **Culm attitude semi erect and stem thickness thick.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2024/0289

(1) Registration Number and date of grant: - **REG/2024/0289 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **University of Agricultural Sciences, GKVK, Bangalore-560065**, Karnataka

(3) Denomination of the variety: **KMP-225**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IR-64/DH-MAS-70Q-164-1b(Pi54)/IRBL9-WL[LT]-Pi9 and ZARS, V.C. Farm, Mandya-571405**

(6) Details of the distinguishing features or the characteristics: **Cum attitude semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **23.02.2024**

Certificate of Registration REG/2024/0366

(1) Registration Number and date of grant: - **REG/2024/0366 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keladi Shivappa Nayaka University of Agricultural and Horticultural Sciences, Shivamogga, Iruvakki, Sagar Taluk, Shivamogga-577412**, Karnataka

(3) Denomination of the variety: **SAHYADRIKEMPUMUKTHI (IET-29855)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Jyothi/KPR-1 and ZAHRS, Shimoga-577204**

(6) Details of the distinguishing features or the characteristics: **Long panicle length of main axis, deflexed panicle curvature of main axis, well exerted panicle, light red decorticated grain colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.06.2021**

Certificate of Registration REG/2024/0376

(1) Registration Number and date of grant: - **REG/2024/0376 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keladi Shivappa Nayaka University of Agricultural and Horticultural Sciences, Shivamogga, Iruvakki, Sagar Taluk, Shivamogga-577412**, Karnataka

(3) Denomination of the variety: **BMR-MS-1-2-1**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Base population of MO4 red rice variety and ZARS, Brahmavar-576213, Karnataka**

(6) Details of the distinguishing features or the characteristics: **Medium leaf intensity of green colour, semi erect culm attitude, brown tawny lemma and palea colour and medium leaf senescence.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **31.05.2023**

Certificate of Registration REG/2024/0383

(1) Registration Number and date of grant: - **REG/2024/0383 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keladi Shivappa Nayaka University of Agricultural and Horticultural Sciences, Shivamogga, Iruvakki, Sagar Taluk, Shivamogga-577412**, Karnataka

(3) Denomination of the variety: **SAHYADRI PANCHAMUKHI**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Pure line selection from germplasm accession, IRGA-318-11-6-9-2B and ZARS, Brahmavar-576213, Karnataka**

(6) Details of the distinguishing features or the characteristics: **Weak density of pubescence of lemma in spikelet, deflexed panicle curvature of main axis and red decorticated grain colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.05.2022**

Certificate of Registration REG/2024/0455

(1) Registration Number and date of grant: - **REG/2024/0455 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana State Agricultural University, Director of Research, PJTSAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **RAJENDRANAGAR VARI-5 (RNR 29325 (IET 29789))**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **TME 80518/Samba Mahsuri (BPT-5204) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) erect and panicle exertion partly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.05.2023**

Certificate of Registration REG/2024/0456

(1) Registration Number and date of grant: - **REG/2024/0456 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana State Agricultural University, Director of Research, PJTSAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **RAJENDRANAGAR VARI-4 (RNR 21278 (IET 27107))**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RNR 2645/Nellore Mahsuri (NLR 34449) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) erect and panicle curvature of main axis deflexed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.05.2023**

Certificate of Registration REG/2024/0457

(1) Registration Number and date of grant: - **REG/2024/0457 & 09/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana State Agricultural University, Director of Research, PJTSAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **TELANGANA RICE 5 (RNR 28362) (IET 28746)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Bhadrakali (WGL 3962)/NSN 20894 (HKR 05-22) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Culm attitude semi erect and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **31.05.2024**

Certificate of Registration REG/2024/0458

(1) Registration Number and date of grant: - **REG/2024/0458 & 09/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana State Agricultural University, Director of Research, PJTSAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **RAJENDRANAGAR VARI-28361 (RNR 28361) (IET 28416)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Bhadrakali (WGL 3962)/HKR 05-22 (IET 20894) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface absent and flag leaf attitude of blade (late observation) semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.11.2023**

Certificate of Registration REG/2024/0459

(1) Registration Number and date of grant: - **REG/2024/0459 & 09/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana State Agricultural University,**

Director of Research, PJTSAU, Administrative Office, Rajendranagar, Hyderabad-500030, Telangana

(3) Denomination of the variety: **RAJENDRANAGAR VARI-3 (RNR 15459) (IET 28567)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RNR 17818/Chittimutyalu and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) erect and panicle attitude of branches erect to semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.05.2023**

Certificate of Registration REG/2024/0460

(1) Registration Number and date of grant: - **REG/2024/0460 & 09/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana State Agricultural University, Director of Research, PJTSAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **RAJENDRANAGAR VARI-2 (IET 26143)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RNR 17818/Vasumati and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle attitude of branches semi erect and decorticated grain colour light brown.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **02.06.2023**

Certificate of Registration REG/2024/0474

(1) Registration Number and date of grant: - **REG/2024/0474 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Anand Agricultural University, Anand Univeristy Bhavan, Anand-388110, Ta & Dist: Anand**, Gujarat

(3) Denomination of the variety: **GUJARAT RICE 21 (GR 21: VATRAK)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **GR 11/IR-60 and Main Rice Research Station, Nawagam-387540 Gujrat**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour dark, panicle secondary branches clustered and grain weight of 1000 fully developed grains very low.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **21.05.2022**

Certificate of Registration REG/2024/0475

(1) Registration Number and date of grant: - **REG/2024/0475 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Anand Agricultural University, Anand Univeristy Bhavan, Anand-388110, Ta & Dist: Anand**, Gujarat

(3) Denomination of the variety: **GUJARAT ANAND RICE 22 (GAR 22: SWAGAT)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **GR 3/NWGR-97011 and Main Rice Research Station, Nawagam-387540 Gujrat**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour dark, panicle secondary branches clustered and grain weight of 1000 fully developed grains very low.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **21.05.2022**

Certificate of Registration REG/2024/0609

(1) Registration Number and date of grant: - **REG/2024/0609 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendra Nagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 63 (IET 26383)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IET 17280/Pusa Basmati 1 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain length short, flag leaf attitude of blade erect, panicle curvature of main axis is drooping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.02.2024**

Certificate of Registration REG/2024/0790

(1) Registration Number and date of grant: - **REG/2024/0790 & 09/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana State Agricultural University, Director of Research, PJTSAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **JAGTIALA VARI-2 (JGL 28545) (IET 27448)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **JGL 11727/BPT 5204 and Rice Research scheme, RARS, Polasa, Jagtial-505529**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) erect and decorticated grain colour white.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **19.05.2021**

Certificate of Registration REG/2024/0791

(1) Registration Number and date of grant: - **REG/2024/0791 & 09/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana State Agricultural University, Director of Research, PJTSAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **JAGTIALA VARI-3 (JGL 27356) (IET 30064)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **JGL 11470/Jai sriram and Rice Research scheme, RARS, Polasa, Jagtial-505529**

(6) Details of the distinguishing features or the characteristics: **Culm attitude semi erect and flag leaf attitude of blade (late observation) erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.11.2022**

Certificate of Registration REG/2024/0828

(1) Registration Number and date of grant: - **REG/2024/0828 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Living Seed Technologies LLP, H.No. 1-81, Village: Maisireddepalle, Dist: Medchal-Malkajgiri-501401**, Telangana

(3) Denomination of the variety: **SUPER BHARATH (LVP 1891)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **L 11/L 767 and LLP, Medchal-Malkajgiri, Telangana-501401**

(6) Details of the distinguishing features or the characteristics: **Panicle awns absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **11.05.2021**

Certificate of Registration REG/2024/0958

(1) Registration Number and date of grant: - **REG/2024/0958 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **IET 26027 (WGL 697)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 1010/NLR 34449 and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis very long and panicle attitude of branches semi erect to spreading.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **09.06.2021**

Certificate of Registration REG/2024/0959

(1) Registration Number and date of grant: - **REG/2024/0959 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Warangal Vari-2 (IET 26094)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **BPT 5204/GEB 24//BPT 5204/SHATABDI and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma brown and panicle attitude of branches is semi erect to spreading.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.06.2019**

Certificate of Registration REG/2024/0960

(1) Registration Number and date of grant: - **REG/2024/0960 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Telangana Rice-1289 (IET 29351) (WGL 1289)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 1075 (Pushyami)/BM 71 (MTU IJ 206-7-4-1) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and petiole curvature of main axis semi straight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.12.2023**

Certificate of Registration REG/2024/0961

(1) Registration Number and date of grant: - **REG/2024/0961 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Warangal Rice-1 (WGL 915) (IET 25284)**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 1992R/IRBB 214 and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma absent and panicle length of main axis very long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.05.2017**

Certificate of Registration REG/2024/1001

(1) Registration Number and date of grant: - **REG/2024/1001 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **KUNARAM VARI 2 (KNM 1638)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Pranahitha (JGL 11727)/Prathyumna (JGL 17004) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma is yellowish and panicle attitude of branches semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **20.05.2020**

Certificate of Registration REG/2024/1042

(1) Registration Number and date of grant: - **REG/2024/1042 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **TELANGANA VARI 4 (JGL 25958) (IET 27869)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Cotton Dora Sannalu (MTU 1010)/Nellore Mahsuri (NLR 34449) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) erect and panicle attitude of branches semi erect to spreading.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **14.11.2022**

Certificate of Registration REG/2024/1044

(1) Registration Number and date of grant: - **REG/2024/1044 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Jagtiala Rice-1 (JGL 24423) (IET 25310)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **(MTU 1010 x NLR 34449)/MTU 1010 and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Stem thickness medium and panicle secondary branches strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.05.2018**

Certificate of Registration REG/2024/1045

(1) Registration Number and date of grant: - **REG/2024/1045 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Telangana Vari 3 (IET 26125-JGL 21078)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Cotton Dora Sannalu (MTU 1010)/Jagtial Mashuri (JGL 11470) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle attitude of branches semi erect & decorticated grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **11.06.2021**

Certificate of Registration REG/2024/1060

(1) Registration Number and date of grant: - **REG/2024/1060 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Telangana Rice 7 [KNM 6965 (IET 28343)]**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Cotton Dora Sannalu (MTU 1010)/Kunaram Sannalu (KNM 118) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) erect and panicle curvature of main axis deflexed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **31.05.2024**

Certificate of Registration REG/2024/1061

(1) Registration Number and date of grant: - **REG/2024/1061 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Telangana Rice 7037 (IET 28356) (KNM 7037)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KNM 606/Kunaram Sannalu (KNM 118) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and panicle attitude of branches semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **28.05.2024**

Certificate of Registration REG/2024/1062

(1) Registration Number and date of grant: - **REG/2024/1062 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **VL Dhan 69 (IET 26596)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **VL 10689/UPRI 2005-15 and ICAR-VPKAS, Almora, Uttarakhand**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade semi erect and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.12.2021**

Certificate of Registration REG/2024/1063

(1) Registration Number and date of grant: - **REG/2024/1063 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Rajendranagar Vari-1 (IET 27077)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Cotton Dora Sannalu (MTU 1010)/Nellore Mahsuri (NLR 34449) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma is yellowish and panicle exertion is well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **09.06.2022**

Certificate of Registration REG/2024/1064

(1) Registration Number and date of grant: - **REG/2024/1064 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **VL Dhan 159 (VL 20083, IET 26598)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **VL 66/HPR 2143 and ICAR-VPKAS, Almora, Uttarakhand**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma absent and panicle curvature of main axis semi straight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.07.2021**

Certificate of Registration REG/2024/1065

(1) Registration Number and date of grant: - **REG/2024/1065 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Telangana Vari-1 (IET 25330) (WGL-739)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RP-4516-3-6/Kavya and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and spikelet colour of tip of lemma is brown.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.06.2020**

Certificate of Registration REG/2024/1071

(1) Registration Number and date of grant: - **REG/2024/1071 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Prabhat Agri Biotech Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100**, Telangana

(3) Denomination of the variety: **PNPH-X 14**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **NPS 2022A/NPS 2022B/NPS 4128R and R&D Farm, Medchal, Telangana**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of stigma purple and panicle length of main axis medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.06.2020**

Certificate of Registration REG/2024/1073

(1) Registration Number and date of grant: - **REG/2024/1073 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research**

PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030, Telangana

(3) Denomination of the variety: **WGL 1487 (Telangana Vari-8) (IET 28818)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 1121*2/Swarna and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface absent and panicle attitude of branches erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **31.08.2022**

Certificate of Registration REG/2024/1074

(1) Registration Number and date of grant: - **REG/2024/1074 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Telangana Rice 6 [(KNM 7048) (IET 28332)]**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Jagtial Rice 1 (JGL 24423)/Kunaram Sannalu (KNM 118) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and panicle attitude of branches semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **31.08.2022**

Certificate of Registration REG/2024/1075

(1) Registration Number and date of grant: - **REG/2024/1075 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Warangal Vari 1119 (WGL 1119) (IET 27868)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **WGL32100 (Warangal Sannalu)/RP1 (B95-1 x Abhaya) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) semi erect and decorticated grain length medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **26.03.2024**

Certificate of Registration REG/2024/1076

(1) Registration Number and date of grant: - **REG/2024/1076 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Kunaram Rice 1 (KNM 733) (IET 27405)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Cotton Dora Sannalu (MTU 1010)/Jagtial Mashuri (JGL 11470) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma yellowish & panicle attitude of branches semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.05.2018**

Certificate of Registration REG/2024/1077

(1) Registration Number and date of grant: - **REG/2024/1077 & 08/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Kampasagar Vari-1 (IET 27816)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Vijetha (MTU-1001)/Nellore Mahsuri (NLR 34449) and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Length of main axis of panicle long and panicle attitude of branches semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **31.03.2021**

Certificate of Registration REG/2024/1083

(1) Registration Number and date of grant: - **REG/2024/1083 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100**, Telangana

(3) Denomination of the variety: **NPS 4128 R**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **NP 3916/NPS 2900 and R&D Centre Konaipalle R&D Farm Medchal Mandal, Medchal- Malkajgiri Dist. Telangana**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma purple and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.06.2020**

Certificate of Registration REG/2024/1084

(1) Registration Number and date of grant: - **REG/2024/1084 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District-500100**, Telangana

(3) Denomination of the variety: **NPS 2022 A**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **TCN 45/10017 and R&D Centre Konaipalle R&D Farm Medchal Mandal, Medchal- Malkajgiri Dist. Telangana**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of stigma purple and panicle awns present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.06.2020**

Certificate of Registration REG/2024/1315

(1) Registration Number and date of grant: - **REG/2024/1315 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 64 (IET 28358)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 1010/KMR-3R and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.07.2024**

Certificate of Registration REG/2024/1316

(1) Registration Number and date of grant: - **REG/2024/1316 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRRH-5 (IET 27847) (IIRRH-115)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **APMS6A/APMS6B/NH12-124 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle attitude of branches semi erect to spreading and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.07.2024**

Certificate of Registration REG/2024/1317

(1) Registration Number and date of grant: - **REG/2024/1317 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRRH-4 (IET 27937)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **APMS6A/APMS6B/AR9-18R and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and decorticated grain length long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.07.2024**

Certificate of Registration REG/2025/0025

(1) Registration Number and date of grant: - **REG/2025/0025 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Plant Molecular Biology and Biotechnology, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012**, Chhattisgarh

(3) Denomination of the variety: **C.G. TEJAS DHAN (IGKV DH Rice 2)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Double Haploid variety developed through Anther culture)/ Rice**

(5) Parentage and geographical location of the variety: **Safri-17/RPBIO-226 and IGKV, Raipur, Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain length long and decorticated grain width medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **08.10.2024**

Certificate of Registration REG/2025/0033

(1) Registration Number and date of grant: - **REG/2025/0033 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 70 (IET 29415) (RP 6326-278-14-1)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 1010/WGL 505 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium, and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.07.2024**

Certificate of Registration REG/2025/0037

(1) Registration Number and date of grant: - **REG/2025/0037 & 08/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jawaharlal Nehru Krishi Vishwa Vidyalaya, JNKVV, Jabalpur-482004**, Madhya Pradesh

(3) Denomination of the variety: **JRH-19**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR 58056A/IR 58056B/NPT 13-01 and JNKVV, Jabalpur, MP**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect and panicle curvature of main axis drooping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.06.2016**

Certificate of Registration REG/2025/0038

(1) Registration Number and date of grant: - **REG/2025/0038 & 08/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jawaharlal Nehru Krishi Vishwa Vidyalaya, JNKVV, Jabalpur-482004**, Madhya Pradesh

(3) Denomination of the variety: **JR 21 (JR 81-01)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 1010/NPT 13-01 and JNKVV, Jabalpur, MP**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma medium, flag leaf attitude of blade (late observation) semi erect and panicle curvature of main axis drooping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.09.2023**

Certificate of Registration REG/2025/0039

(1) Registration Number and date of grant: - **REG/2025/0039 & 05/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 71 (IET 29421) (RP 6324-123-14-4-1)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **CR 691-1/CR dhan 202 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface absent and decorticated grain shape medium slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.07.2024**

Certificate of Registration REG/2025/0046

(1) Registration Number and date of grant: - **REG/2025/0046 & 08/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jawaharlal Nehru Krishi Vishwa Vidyalaya, JNKVV, Jabalpur-482004**, Madhya Pradesh

(3) Denomination of the variety: **JR-81**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **NPT 89/IR 64 and JNKVV, Jabalpur, MP**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect and panicle curvature of main axis drooping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.03.2018**

Certificate of Registration REG/2025/0050

(1) Registration Number and date of grant: - **REG/2025/0050 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jawaharlal Nehru Krishi Vishwa Vidyalaya, JNKVV, Jabalpur-482004**, Madhya Pradesh

(3) Denomination of the variety: **IMPROVED CHINNOR**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Selection for improvement of local land race chinnor/ and JNKVV, Jabalpur, MP**

(6) Details of the distinguishing features or the characteristics: **Culm attitude erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.03.2018**

Certificate of Registration REG/2025/0051

(1) Registration Number and date of grant: - **REG/2025/0051 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jawaharlal Nehru Krishi Vishwa Vidyalaya, JNKVV, Jabalpur-482004**, Madhya Pradesh

(3) Denomination of the variety: **JR 10**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **NPT 29/R 296 and JNKVV, Jabalpur, MP**

(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main axis drooping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.03.2018**

Certificate of Registration REG/2025/0052

(1) Registration Number and date of grant: - **REG/2025/0052 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jawaharlal Nehru Krishi Vishwa Vidyalaya, JNKVV, Jabalpur-482004**, Madhya Pradesh

(3) Denomination of the variety: **JR 206 (IET 26079)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **NPT 100/MTU 1010 and JNKVV, Jabalpur, MP**

(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main axis drooping and flag leaf attitude of blade (late) semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **05.09.2019**

Certificate of Registration REG/2025/0053

(1) Registration Number and date of grant: - **REG/2025/0053 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Jawaharlal Nehru Krishi Vishwa Vidyalaya, JNKVV, Jabalpur-482004**, Madhya Pradesh

(3) Denomination of the variety: **IMPROVED JEERASHANKAR**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Selection for improvement of local land race Jeerashankar/ and JNKVV, Jabalpur, MP**

(6) Details of the distinguishing features or the characteristics: **Panicle awn absent and panicle exertion mostly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.03.2018**

Certificate of Registration REG/2025/0065

(1) Registration Number and date of grant: - **REG/2025/0065 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **DRR Dhan-74 (IET-30252)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KMR 3/Oryza rufipogon (IC 22015/WR120) and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main axis is semi straight and panicle attitude of branches semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **14.09.2024**

Certificate of Registration REG/2025/0066

(1) Registration Number and date of grant: - **REG/2025/0066 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **DRR Dhan 65 (IET 27641)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KMR 3/Oryza rufipogon (IC 22015/WR120) and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **10.10.2022**

Certificate of Registration REG/2025/0074

(1) Registration Number and date of grant: - **REG/2025/0074 & 06/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Plant Molecular Biology and Biotechnology, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012**, Chhattisgarh

(3) Denomination of the variety: **CG Tejaswi Dhan (IGKV DH Rice-1)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Double Haploid variety developed through Anther culture)/ Rice**

(5) Parentage and geographical location of the variety: **Safri-17/RP BIO 226 and IGKV, Raipur, Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain shape is medium (2.0-2.5 mm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.12.2021**

Certificate of Registration REG/2025/0105

(1) Registration Number and date of grant: - **REG/2025/0105 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pan Seeds Pvt Ltd, 69A Satish Mukherjee Road, Kolkata-700026**, West Bengal

(3) Denomination of the variety: **PAN-2150**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **AN-60A/AN-60B/AN-5081R and R&D Center, Khudkuri, Sankari, Burdwan, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Endosperm content of amylose medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **17.05.2022**

Certificate of Registration REG/2025/0106

(1) Registration Number and date of grant: - **REG/2025/0106 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pan Seeds Pvt Ltd, 69A Satish Mukherjee Road, Kolkata-700026**, West Bengal

(3) Denomination of the variety: **PAN-2140**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **AN-60A/AN-60B/AN-5116R and R&D Center, Khudkuri, Sankari, Burdwan, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **12.05.2022**

Certificate of Registration REG/2025/0107

(1) Registration Number and date of grant: - **REG/2025/0107 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pan Seeds Pvt Ltd, 69A Satish Mukherjee Road, Kolkata-700026**, West Bengal

(3) Denomination of the variety: **PAN-2145**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **AN-60A/AN-60B/AN-5131R and R&D Center, Khudkuri, Sankari, Burdwan, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) erect and panicle length of main axis long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.06.2021**

Certificate of Registration REG/2025/0108

(1) Registration Number and date of grant: - **REG/2025/0108 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pan Seeds Pvt Ltd, 69A Satish Mukherjee Road, Kolkata-700026**, West Bengal

(3) Denomination of the variety: **PAN-2430**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **AN-92A/AN-92B/AN-10076R and R&D Center, Khudkuri, Sankari, Burdwan, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Leaf anthocyanin colouration present and panicle length of main axis long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **20.05.2021**

Certificate of Registration REG/2025/0126

(1) Registration Number and date of grant: - **REG/2025/0126 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, Telangana

(3) Denomination of the variety: **27S45**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **15PRJN58A/15PRJN58B/R915 and Madhapur, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma weak and grain weight of 1000 fully developed grains low.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0145

(1) Registration Number and date of grant: - **REG/2025/0145 & 09/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keveri Seed Company Ltd, H.No. 1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KRH7117 (KAVERI-7117) (IET-31193)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KR20SA050/KR20SB050/KR20SR054 and R&D Centre Wargal Mandal, Medak, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface medium and endosperm content of amylose medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.05.2023**

Certificate of Registration REG/2025/0151

(1) Registration Number and date of grant: - **REG/2025/0151 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri, Dist: (Formerly Rangareddy Dist)-500100**, Telangana

(3) Denomination of the variety: **NP 7020**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **NPGK 03/NPGK 505 and R&D Centre Konaipalle R&D Farm Medchal Mandal, Medchal- Malkajgiri Dist. Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour medium and panicle number per plant medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **21.05.2019**

Certificate of Registration REG/2025/0152

(1) Registration Number and date of grant: - **REG/2025/0152 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya**

Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri, Dist: (Formerly Rangareddy Dist)-500100, Telangana

(3) Denomination of the variety: **NP 7008**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **NPKG 09/NPGK 111 and R&D Centre Konaipalle R&D Farm Medchal Mandal, Medchal- Malkajgiri Dist. Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main axis drooping and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **08.06.2020**

Certificate of Registration REG/2025/0154

(1) Registration Number and date of grant: - **REG/2025/0154 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Savannah Seeds Pvt. Ltd., PH-1A, 10th Floor, Tower-A, Emaar Digital Greens, Golf Course Extension Road, Sector-61, Gurugram-122098**, Haryana

(3) Denomination of the variety: **SRD 55**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SV-13-1-G-373/EC NO 792010/ and R&D Farm, Vill. Kondakal, Shankarpally Mandal, Shamshabad, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and flag leaf attitude of blade (late observation) semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **15.06.2016**

Certificate of Registration REG/2025/0226

(1) Registration Number and date of grant: - **REG/2025/0226 & 05/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KR20SB050**

(4) Name of: Family: **Gramineae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Other/ Rice**

(5) Parentage and geographical location of the variety: **1020B*/1090B/BP-13-2*XXR and R&D Centre Wargal Mandal, Medak, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Leaf length of blade medium and culm attitude semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0296

(1) Registration Number and date of grant: - **REG/2025/0296 & 04/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KRH7428**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KR18SA005/KR18SB005/KR20SR058 and R&D Centre Wargal Mandal, Medak, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma yellowish and grain width medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.06.2023**

Certificate of Registration REG/2025/0491

(1) Registration Number and date of grant: - **REG/2025/0491 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Vasantrao Naik Marathwada Krishi Vidyapeeth, Director of Research, Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani-431402, Dist: Parbhani**, Maharashtra

(3) Denomination of the variety: **PBNR 03-2**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **PBNR 52/IET 12077 and Upland Research Scheme, Vasantrao Naik Marathwada Krishi vidyapeeth, Parbhani**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour is medium and leaf colour of ligule is white.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0492

(1) Registration Number and date of grant: - **REG/2025/0492 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri, Dist: Ahmednagar-413722**, Maharashtra

(3) Denomination of the variety: **Phule Kolam (VDN-1832)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **VDN 12-06/CB 06-555 and ARS, Vadgaon Maval, Dist. Pune, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Stem:Length (excluding panicles; excluding floating rice) is short and Flag leaf: Attitude of blade (early observation) is semi-erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **08.10.2024**

Certificate of Registration REG/2025/0553

(1) Registration Number and date of grant: - **REG/2025/0553 & 09/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, H.No. 1-7-36 to 42, Sardar Patel Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KRH7374 (Kaveri-7374) (IET-30565)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety:
KR20SA049/KR20SB049/KR20SR055 and R&D Centre Wargal Mandal, Medak, Hyderabad

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) erect and panicle attitude of branches is erect to semi-erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.05.2024**

Certificate of Registration REG/2025/0573

(1) Registration Number and date of grant: - **REG/2025/0573 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **SeedWorks International Ltd., Survey No. 530A, Gowdavelly Village, Medchal Mandal, Malkajgiri-Medchal District-501403**, Telangana

(3) Denomination of the variety: **US 362**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **5056A/5056B/8208R and R&D Farm, Vill. Gowdavelly, Medchal mandal, Medchal-Malkajigiri dist, Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle awns absent and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **06.05.2020**

Certificate of Registration REG/2025/0574

(1) Registration Number and date of grant: - **REG/2025/0574 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **SeedWorks International Ltd., Survey No. 530A, Gowdavelly Village, Medchal Mandal, Malkajgiri-Medchal District-501403**, Telangana

(3) Denomination of the variety: **5056A**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **IR79126B/Pusa Basmati and R&D Farm, Vill. Gowdavelly, Medchal mandal, Medchal-Malkajigiri dist, Telangana**

(6) Details of the distinguishing features or the characteristics: **Stem thickness thick and panicle awns absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **US 362 (Hybrid) from it was sold on 06.05.2020**

Certificate of Registration REG/2025/0575

(1) Registration Number and date of grant: - **REG/2025/0575 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **SeedWorks International Ltd., Survey No. 530A, Gowdavelly Village, Medchal Mandal, Malkajgiri-Medchal District-501403**, Telangana

(3) Denomination of the variety: **8208R**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **6126/Swarna Sub-1 and R&D Farm, Vill. Gowdavelly, Medchal mandal, Medchal-Malkajigiri dist, Telangana**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma weak.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **US 362 (Hybrid) from it was sold on 06.05.2020**

Certificate of Registration REG/2025/0582

(1) Registration Number and date of grant: - **REG/2025/0582 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **University of Agricultural Sciences, GKVK, Bangalore-560065**, Karnataka

(3) Denomination of the variety: **MSN-99 (Samruddhi, IET-28349)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KMR 4/BPT 5204 (4-1-1-4) and ZARS, VC Farm, Mandya**

(6) Details of the distinguishing features or the characteristics: **Leaf width of blade is narrow & Panicle: attitude of branches is erect to semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **15.01.2021**

Certificate of Registration REG/2025/0607

(1) Registration Number and date of grant: - **REG/2025/0607 & 04/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Savannah Seeds Pvt. Ltd., PH-1A, 10th Floor, Tower-A, Emaar Digital Greens, Golf Course Extension Road, Sector-61, Gurugram-122098**, Haryana

(3) Denomination of the variety: **SAVA 7501 (SHX-468) (IET 28128)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SV-17-RT-035/SV-17-RT-036/SV-14-RT-361 and R&D Farm, Vill. Kondakal, Shankarpally Mandal, Shamshabad, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) semi erect and panicle length of main axis long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **10.05.2021**

Certificate of Registration REG/2025/0649

(1) Registration Number and date of grant: - **REG/2025/0649 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Living Seed Technologies LLP, H.No.: 1-81, Maisireddepalle (Vill), Medchal (Mdl), Medchal-Malkajgiri (Dist)-501401**, Telangana

(3) Denomination of the variety: **SUPER SONIKA (LVP-661)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **LVP-101/LVP-999 and Medchal, Medchal-malkajgiri, Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **22.05.2021**

Certificate of Registration REG/2025/0657

(1) Registration Number and date of grant: - **REG/2025/0657 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director**

ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030, Telangana

(3) Denomination of the variety: **DRRH-6 (IIRRH-130) (IET28123)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR68897A/IR68897B/RP6380-46 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle: Curvature of main axis- Drooping and Panicle: Exertion-Party exserted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/0669

(1) Registration Number and date of grant: - **REG/2025/0669 & 09/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal Malkajgiri Dist (Formerly Rangareddy Dist)-500100**, Telangana

(3) Denomination of the variety: **NPS-2008 A**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **NPS 146A/SHS1 B and R&D Centre Konaipalle R&D Farm Medchal Mandal, Medchal- Malkajgiri Dist. Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour dark and spikelet colour of stigma purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.06.2020**

Certificate of Registration REG/2025/0766

(1) Registration Number and date of grant: - **REG/2025/0766 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keladi Shivappa Nayaka University of Agricultural and Horticultural Sciences, Shivamogga, Iruvakki, Sagar Taluk, Shivamogga-577412**, Karnataka

(3) Denomination of the variety: **SAHYADRI JALAMUKTHI (KHP-14 / IET-30872)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KHP-11/Mysore Mallige (Local adapted variety) and ZAHRS, Navile, Shivamogga, Karnataka**

(6) Details of the distinguishing features or the characteristics: **Stem: Length (excluding panicle; excluding floating rice)-Medium and Grain: Weight of 1000 fully developed grains-High.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.11.2024**

Certificate of Registration REG/2025/0767

(1) Registration Number and date of grant: - **REG/2025/0767 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keladi Shivappa Nayaka University of Agricultural and Horticultural Sciences, Shivamogga, Iruvakki, Sagar Taluk, Shivamogga-577412**, Karnataka

(3) Denomination of the variety: **SAHYADRI SIRI**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KMLT-4/KPR-2 and ZAHRS, Navile, Shivamogga, Karnataka**

(6) Details of the distinguishing features or the characteristics: **Panicle: length of main axis-Long and panicle: Curvature of main axis- Deflexed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **27.11.2024**

Certificate of Registration REG/2025/0768

(1) Registration Number and date of grant: - **REG/2025/0768 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keladi Shivappa Nayaka University of Agricultural and Horticultural Sciences, Shivamogga, Iruvakki, Sagar Taluk, Shivamogga-577412**, Karnataka

(3) Denomination of the variety: **Kaje 25-9 (BMR-Kajejaya) (IET-30120)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Base population of Kajejaya red rice variety and ZAHRS, Brahmavar, karnataka**

(6) Details of the distinguishing features or the characteristics: **Panicle: length of main axis-Medium and Grain: Width-Very broad and Decorticated grain: Width-Broad.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **09.06.2025**

Certificate of Registration REG/2025/0769

(1) Registration Number and date of grant: - **REG/2025/0769 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Keladi Shivappa Nayaka University of Agricultural and Horticultural Sciences, Shivamogga, Iruvakki, Sagar Taluk, Shivamogga-577412**, Karnataka

(3) Denomination of the variety: **Sahyadri Sapthami (BMR-US-1-24-2)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Base population of Uma red rice variety and ZAHRS, Brahmavar, karnataka**

(6) Details of the distinguishing features or the characteristics: **Leaf: intensity of green colour-Light and Culm: attitude-Semi erect and Decorticated grain: Colour-Red.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **21.06.2025**

Certificate of Registration REG/2025/0838

(1) Registration Number and date of grant: - **REG/2025/0838 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 75 (IET 30107)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Samba Mahsuri*2/IR121050-6-6 (Habataki/ST 12) and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Panicle: Exertion-Well exerted and Decorticated grain: Width-Medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29.11.2024**

Certificate of Registration REG/2025/0839

(1) Registration Number and date of grant: - **REG/2025/0839 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 77 (IET 28636)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **GSR IR1-8-S6-S3-Y2/GSR IR 1-9-S9-Y3-SU1 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Grain: Length-Long and Decorticated grain: Shape (in lateral view)-Long slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **10.12.2024**

Certificate of Registration REG/2025/0840

(1) Registration Number and date of grant: - **REG/2025/0840 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 76 (IET 29808)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU 1121*2/Swarna and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Grain: Length-Long and Decorticated grain: Shape (in lateral view)-Long slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.12.2024**

Certificate of Registration REG/2025/0943

(1) Registration Number and date of grant: - **REG/2025/0943 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **University of Agricultural Sciences, Lingsugur Road, Raichur-584104**, Karnataka

(3) Denomination of the variety: **SPOORTHI (GNV 1906: IET 28694)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IR 68144-2B-2-2-3-1-166/JORYEONGBYEO//BR802-118-4-2 (BRRI DHAN 29)///BASMATI 370 (ACC 6426)/4/IR72967-12-2-3/5/IR05A193/IR 75862-206-2-8-3-B//IR 69428-6-1-1-3-3////IR05A199/JORYEONGBYEO//IR69428-6-1-1-3-3/4/IR00A117/6/IR07F289/2*IR69428-6-1-1-3-3//IR09N481 and AICRP on Rice, Agricultural Research Station, Gangavathi-583227**

(6) Details of the distinguishing features or the characteristics: **Flag leaf: Attitude of blade (late observation)-Semi-erect and Grain: Length-Medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **21.05.2025**

Certificate of Registration REG/2025/0974

(1) Registration Number and date of grant: - **REG/2025/0974 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012**, Chhattisgarh

(3) Denomination of the variety: **CHHATTISGARH DHAN 1919**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Shyamala/G 93-02 and IGKV, Raipur, Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: **Leaf length of blade is medium, panicle exertion is well exerted and decorticated grain colour is light brown.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.12.2021**

Certificate of Registration REG/2025/0975

(1) Registration Number and date of grant: - **REG/2025/0975 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012**, Chhattisgarh

(3) Denomination of the variety: **CHHATTISGARH RICE HYBRID-2 (IRH 103) (IET 24956)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IR79156A/IR79156B/R-710-32 and IGKV, Raipur, Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) is semi erect, stem thickness is thick and panicle secondary branching is strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **07.10.2020**

Certificate of Registration REG/2025/0978

(1) Registration Number and date of grant: - **REG/2025/0978 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012**, Chhattisgarh

(3) Denomination of the variety: **BAUNA LUCHAI-CTLM (CHHATTISGARH TROMBAY LUCHAI MUTANT)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Luchai accession and IGKV, Raipur, Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main Axis is semi-straight & Panicle Exertion is well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.09.2024**

Certificate of Registration REG/2025/0979

(1) Registration Number and date of grant: - **REG/2025/0979 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012**, Chhattisgarh

(3) Denomination of the variety: **TROMBAY CHHATTISGARH SONAGATHI MUTANT (TCSM)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Sunagathi and IGKV, Raipur, Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: **Leaf Intensity of green colour dark & Panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.12.2021**

Certificate of Registration REG/2025/0980

(1) Registration Number and date of grant: - **REG/2025/0980 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012**, Chhattisgarh

(3) Denomination of the variety: **CHHATTISGARH BHAVYA DHAN (IET 29523)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **R 1033-2559-1-1/Gopalbhog and IGKV, Raipur, Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: **Panicle: Curvature of main axis-Drooping and Spikelet: Colour of tip of lemma-Yellowish.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **08.10.2024**

Certificate of Registration REG/2025/1070

(1) Registration Number and date of grant: - **REG/2025/1070 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 3rd Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **ADV 8283 (IET-29690)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **149009A/159009B/160401R and ARS, Kucharam village, Manoharabad mandal, Medak district, Telangana**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain length long and decorticated grain shape long bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **06.05.2023**

Certificate of Registration REG/2025/1080

(1) Registration Number and date of grant: - **REG/2025/1080 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **CR Dhan 414 (IET 27051)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Gayatri/SR 26B and ICAR-CRRI, Cuttack**

(6) Details of the distinguishing features or the characteristics: **Leaf shape of ligule acute and spikelet colour of stigma light green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1081

(1) Registration Number and date of grant: - **REG/2025/1081 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **CR Dhan 324 (Abhaya Paushtik)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Doubled Haploid (DH) Variety)/ Rice**

(5) Parentage and geographical location of the variety: **CRMS 31A/CRL 22R and ICAR-CRRI, Cuttack**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and decorticated grain shape long slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.06.2024**

Certificate of Registration REG/2025/1082

(1) Registration Number and date of grant: - **REG/2025/1082 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **CR Dhan 911 (Basudev) (IET 28414)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Doubled Haploid (DH) Variety)/ Rice**

(5) Parentage and geographical location of the variety: **BS6444G and ICAR-CRRI, Cuttack**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and panicle attitude of branches erect to semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.06.2024**

Certificate of Registration REG/2025/1083

(1) Registration Number and date of grant: - **REG/2025/1083 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **CR Dhan 312 (CR 3808-13) (IET 25997)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Population developed using genetic male sterile line IR 36 mutant and 13 genotypes such as IET 17885,IET 17886, IET 19356, Jogen (AC 40922), Mansarovar (AC 40844)Manoharsali (AC 40509) and ASD 18 (AC 40865), IET 20755, IET 20737, IET 20443, IET 20553, IET and ICAR-CRRI, Cuttack**

(6) Details of the distinguishing features or the characteristics: **Stem thickness thick and grain length medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **07.12.2023**

Certificate of Registration REG/2025/1084

(1) Registration Number and date of grant: - **REG/2025/1084 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **CR Dhan 807 (CR 4333-35-2-2-1, IET 30438)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Sahbhagidhan/Robin and ICAR-CRRI, Cuttack**

(6) Details of the distinguishing features or the characteristics: **Leaf shape of ligule acute and spikelet colour of stigma light green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1085

(1) Registration Number and date of grant: - **REG/2025/1085 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **CR Dhan 809 (IET 30282)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Naveen/CR-3006-8-2 and ICAR-CRRI, Cuttack**

(6) Details of the distinguishing features or the characteristics: **Leaf shape of ligule acute and spikelet colour of stigma light green.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2025/1086

(1) Registration Number and date of grant: - **REG/2025/1086 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **CR Dhan 323 (Jyotsna)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Other (Doubled Haploid (DH) Variety)/ Rice**

(5) Parentage and geographical location of the variety: **CRMS 31A (W)/CRL 22R and ICAR-CRRI, Cuttack**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface medium, flag leaf attitude of blade (early observation) semi erect and panicle length of main axis long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **28.06.2024**

Certificate of Registration REG/2025/1087

(1) Registration Number and date of grant: - **REG/2025/1087 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **CR Dhan 704 (Shyamdev)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **(PMS 17A/PMS 17B) X CR 546R and ICAR-CRRI, Cuttack**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long, flag leaf attitude of blade (late observation) erect and panicle attitude of branches erect to semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **13.05.2024**

Certificate of Registration REG/2025/1088

(1) Registration Number and date of grant: - **REG/2025/1088 & 04/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Tamil Nadu Agricultural University, Director, Centre for Plant**

Breeding and Genetics, Tamil Nadu Agricultural University, Coimbatore-641003, Tamil Nadu

(3) Denomination of the variety: **CO 54 (CB 12588)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **CB 04110/CB 05501 and CPBG, TNAU, Coimbatore**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) semi erect, panicle length of main axis long and panicle curvature of main axis semi straight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **19.02.2021**

Certificate of Registration REG/2025/1089

(1) Registration Number and date of grant: - **REG/2025/1089 & 04/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Tamil Nadu Agricultural University, Director, Centre for Plant Breeding and Genetics, Tamil Nadu Agricultural University, Coimbatore-641003**, Tamil Nadu

(3) Denomination of the variety: **CO 55 (CB 15714) 4 (IET 27873)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **ADT 43/GEB 24 and CPBG, TNAU, Coimbatore**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) semi erect and decorticated grain shape short slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **26.08.2021**

Certificate of Registration REG/2025/1090

(1) Registration Number and date of grant: - **REG/2025/1090 & 04/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Tamil Nadu Agricultural University, Director, Centre for Plant Breeding and Genetics, Tamil Nadu Agricultural University, Coimbatore-641003**, Tamil Nadu

(3) Denomination of the variety: **CO 56 (CB 12132) (IET 27408 & IET 25531)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **CO (C) 50/CB 05501 and CPBG, TNAU, Coimbatore**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour dark, stem length (excluding panicle; excluding floating rice) medium and panicle secondary branching strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **22.10.2019**

Certificate of Registration REG/2025/1091

(1) Registration Number and date of grant: - **REG/2025/1091 & 04/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Tamil Nadu Agricultural University, Director, Centre for Plant Breeding and Genetics, Tamil Nadu Agricultural University, Coimbatore-641003**, Tamil Nadu

(3) Denomination of the variety: **CO 57 (IET 31924)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **CO (C) 50/Kavuni and CPBG, TNAU, Coimbatore**

(6) Details of the distinguishing features or the characteristics: **Culm attitude semi erect and stem length (excluding panicle; excluding floating rice) short.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **23.02.2023**

Certificate of Registration REG/2025/1092

(1) Registration Number and date of grant: - **REG/2025/1092 & 05/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Tamil Nadu Agricultural University, Director, Centre for Plant Breeding and Genetics, Tamil Nadu Agricultural University, Coimbatore-641003**, Tamil Nadu

(3) Denomination of the variety: **CO 58 (IET 25577)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Improved white ponni/Apo and CPBG, TNAU, Coimbatore**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) erect, panicle attitude of branches erect to semi erect and decorticated grain shape (in lateral view) long slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **09.02.2024**

Certificate of Registration REG/2025/1093

(1) Registration Number and date of grant: - **REG/2025/1093 & 05/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Tamil Nadu Agricultural University, Director, Centre for Plant Breeding and Genetics, Tamil Nadu Agricultural University, Coimbatore-641003**, Tamil Nadu

(3) Denomination of the variety: **CO RH 5 (IET 24986)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TNAU 60S X CBSN 405 and CPBG, TNAU, Coimbatore**

(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colouration of apex medium, spikelet colour of stigma purple and spikelet colour of tip of lemma purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.09.2018**

Certificate of Registration REG/2025/1126

(1) Registration Number and date of grant: - **REG/2025/1126 & 05/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012**, Chhattisgarh

(3) Denomination of the variety: **Chhattisgarh Devbhog (IET 23879) (R-1656-1146-5-513-1)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Swarna/Jira Shankar and IGKV, Raipur, Chhattisgarh**

(6) Details of the distinguishing features or the characteristics: **Panicle awns absent and panicle secondary branching weak.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.04.2019**

Certificate of Registration REG/2025/1129

(1) Registration Number and date of grant: - **REG/2025/1129 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Chaudhary Sarwan Kumar Himachal Pradesh Krishi Vishvavidyalaya, Palampur-176062**, Himachal Pradesh

(3) Denomination of the variety: **Him Palam Dhan 3 (IET 27472) (HPR 2865)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Palampur purple/Kasturi and RWRC, Malan**

(6) Details of the distinguishing features or the characteristics: **Grain length short and decorticated grain shape long bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **19.05.2025**

Certificate of Registration REG/2025/1130

(1) Registration Number and date of grant: - **REG/2025/1130 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Chaudhary Sarwan Kumar Himachal Pradesh Krishi Vishvavidyalaya, Palampur-176062**, Himachal Pradesh

(3) Denomination of the variety: **Him Palam Dhan 4 (IET 28882) (HPR 3201)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **HPR 2143/AC 19146 and RWRC, Malan**

(6) Details of the distinguishing features or the characteristics: **Grain length short and decorticated grain shape long slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **21.04.2025**

Certificate of Registration REG/2025/1252

(1) Registration Number and date of grant: - **REG/2025/1252 & 08/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, Delhi

(3) Denomination of the variety: **DRR DHAN 79 (IET-29859)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Krishna hamsa/IRBB60//Krishna Hamsa/Tetep/Krishna hamsa/IR 71033-121-15-B-DSB2 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) semi erect and panicle exertion mostly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **20.05.2025**

Certificate of Registration REG/2026/0052

(1) Registration Number and date of grant: - **REG/2026/0052 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahatma Phule Krishi Vidyapeeth, Rahuri, Dist: Ahilyanagar-413722**, Maharashtra

(3) Denomination of the variety: **Phule Super Pawana (IGP-13-12-19)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Mutant of Pawana and ZARS, Western Ghat Zone, Dist. Nashik, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface absent, panicle curvature of main axis deflexed and panicle awns is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0118

(1) Registration Number and date of grant: - **REG/2026/0118 & 16/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Eldorado Agritech Limited, Plot No. A11 & A12/1, Road No. 1 & 12, IP Nacharam, Medchal-Malkajgiri, Hyderabad-500076**, Telangana

(3) Denomination of the variety: **Srikar 2123 (SRH 333) (IET-30573)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **SRA104/SRB104/SRR103 and R&D centre, Medchal-Malkajgiri, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade horizontal and panicle curvature of main axis dropping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **22.05.2025**

Certificate of Registration REG/2026/0128

(1) Registration Number and date of grant: - **REG/2026/0128 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Anand Agricultural University, University Bhawan, Anand-388110, Ta & Dist: Anand**, Gujarat

(3) Denomination of the variety: **Gujarat Aerobic Rice 201 (GAR 201: Anand Akshat) (IET-27208)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Ratna/NWGR2010 and Main Rice Research Station, Nawagam-387540 Gujrat**

(6) Details of the distinguishing features or the characteristics: **Leaf anthocyanin colouration of collar present and spikelet colour of tip of lemma purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **07.06.2024**

Certificate of Registration REG/2026/0318

(1) Registration Number and date of grant: - **REG/2026/0318 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR DHAN 87 (IET-31110)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Swarna/IRGC 4105 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) semi erect and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.03.2026**

(1) Registration Number and date of grant: - **REG/2026/0319 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR DHAN 83 (IET-32045)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Krishna hamsa/IRBB60//KH/IR96321 1447-461-B-1//KH/IR81896-96-B-B-195/KH/IR 7437-46-1-1-13//KH/DSB2 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour light and panicle curvature of main axis drooping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.02.2026**

Certificate of Registration REG/2026/0357

(1) Registration Number and date of grant: - **REG/2026/0357 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 84 (Mahajaya) (IET-32051)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Jaya/Nil of MTU 1010 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Stem thickness thick, stem length excluding panicle (excluding floating rice) medium and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.03.2026**

Certificate of Registration REG/2026/0358

(1) Registration Number and date of grant: - **REG/2026/0358 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 85 (IET-32054)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Improved samba mahsuri2*2/Abhaya/Aganni and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Stem thickness thick, stem length excluding panicle (excluding floating rice) medium and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.03.2026**

Certificate of Registration REG/2026/0359

(1) Registration Number and date of grant: - **REG/2026/0359 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 89 (Super Swarna) (IET-32064)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Swarna/Nil of improved Samba mahsuri and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Stem thickness thick, stem length excluding panicle (excluding floating rice) medium and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04.03.2026**

Certificate of Registration REG/2026/0388

(1) Registration Number and date of grant: - **REG/2026/0388 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 81**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IR 51511-B-B-34-B/TCCP 266-2-49-B-B-3 and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Culm attitude erect and decorticated grain shape (in lateral view) short bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **09.03.2026**

Certificate of Registration REG/2026/0407

(1) Registration Number and date of grant: - **REG/2026/0407 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 90 (IET-29581)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **BPT5204/Varadhan and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **18.02.2026**

Certificate of Registration REG/2026/0450

(1) Registration Number and date of grant: - **REG/2026/0450 & 03/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 88 (IET-28070)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KMR3/Oryza rufipogon (IC 22015/WR120) and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi straight and panicle attitude of branches semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **05.03.2024**

Certificate of Registration REG/2026/0508

(1) Registration Number and date of grant: - **REG/2026/0508 & 03/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Institute of Rice Research, Director, ICAR- Indian Institute of Rice Research, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **DRR Dhan 73 (IET-30242)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Samba Mahsuri (BPT 5204) and ICAR-IIRR, Hyderabad-500030**

(6) Details of the distinguishing features or the characteristics: **Time of heading (50% of plants with panicle) early, panicle exertion well exerted and spikelet density of pubescence of lemma absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **12.11.2025**

Certificate of Registration REG/2026/0514

(1) Registration Number and date of grant: - **REG/2026/0514 & 03/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **M/s Prabhat Agri Biotech Limited, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri Dist. (Formerly Rangareddy Dist.)-500100**, Telangana

(3) Denomination of the variety: **PNPG-114 (IET-30819)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **PNP115/PNP310 and R&D Farm, Medchal, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface strong and panicle length of main axis medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2026/0646

(1) Registration Number and date of grant: - **REG/2026/0646 & 03/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Professor Jayashankar Telangana Agricultural University, Director of Research, PJTAU, Administrative Office, Rajendranagar, Hyderabad-500030**, Telangana

(3) Denomination of the variety: **Kampasagar Vari-6251 (KPS-6251) (IET 29975)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Cotton Dora Sannalu (MTU 1010)/Chittimutyalu and PJTSAU, Hyderabad, Ranga Reddy, Telangana-500030**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour medium and Time of maturity (days) early.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24.05.2023**

Certificate of Registration REG/2008/515

(1) Registration Number and date of grant: - **REG/2008/515 & 10/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahyco Private Limited, 19 Raj Mahal, 4th Floor, 84 Veer Nariman Road, Mumbai-400020**, Maharashtra

(3) Denomination of the variety: **M 3432**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Inbred Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **FM-20 and R&D Farm,Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at the base of glume is present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **(Hybrid:07.06.2007, MRM 3838, REG-2008-516)**

Certificate of Registration REG/2009/44

(1) Registration Number and date of grant: - **REG/2009/44 & 12/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4,**

4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034, Telangana

(3) Denomination of the variety: **NM-119**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **POP 18-9-12-4-2-1-2-1 and R&D Centre, Kandlakoya farm, Ranga Reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Ear anthocyanin colouration of silk is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.05.2001**

Certificate of Registration REG/2009/45

(1) Registration Number and date of grant: - **REG/2009/45 & 12/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NM-58**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **POP 16-11-6-2-3-1-1-1 and R&D Centre, Kandlakoya farm, Ranga Reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Ear time of silk emergence is early.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.07.1997**

Certificate of Registration REG/2009/46

(1) Registration Number and date of grant: - **REG/2009/46 & 12/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NM-206**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **POP 25-1-16-5-2-1-1-1 and R&D Centre, Kandlakoya farm, Ranga Reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel time of anthesis is late.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.07.1997**

Certificate of Registration REG/2009/48

(1) Registration Number and date of grant: - **REG/2009/48 & 12/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NM-115**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Maize**

(5) Parentage and geographical location of the variety: **POP 13-8-11-4-1-2-2-1 and R&D Centre, Kandlakoya farm, Ranga Reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Ear anthocyanin colouration of glumes of cob is dark purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03.05.2001**

Certificate of Registration REG/2009/63

(1) Registration Number and date of grant: - **REG/2009/63 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-501401**, Telangana

(3) Denomination of the variety: **NMH-459**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: (**NMH 63 X NM-206) X (NM-108 X NM-58) and R&D Centre, Kandlakoya farm, Ranga Reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel density of spikelets is dense and leaf anthocyanin colouration of sheath is present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **01.07.1997**

Certificate of Registration REG/2009/64

(1) Registration Number and date of grant: - **REG/2009/64 & 17/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NMH-2277**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: (**NM-45 X NM-115) X (NM-119 x NM-85) and R&D Centre, Kandlakoya farm, Ranga Reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is straight and anthocyanin colouration of glumes of cob is light purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **26.12.1998**

Certificate of Registration REG/2009/238

(1) Registration Number and date of grant: - **REG/2009/238 & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Asha Agrisciences Pvt. Ltd., Survey No. 69, 2nd Floor, Block-B, Kandlakoya, Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri-500100**, Telangana

(3) Denomination of the variety: **LAXMI-4959**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **SX-2043 X SX-2052 and Yaaganti seeds pvt, ltd, R&D farm, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches narrow and leaf width of blade broad.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **02.05.2002**

Certificate of Registration REG/2011/426

(1) Registration Number and date of grant: - **REG/2011/426 & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, Telangana

(3) Denomination of the variety: **P 3436**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH1WGN X PHM6M and Chikkaballapur, Karnataka**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is straight and ear colour of top of grain is yellow with cap.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2012/237

(1) Registration Number and date of grant: - **REG/2012/237 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NM-85**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical & Other (Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **POP 16-11-6-2-3-1-1-1 and R&D Centre, Kandlakoya farm, Ranga Reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is drooping & type of grain is semi flint/semi dent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **26.12.1998**

Certificate of Registration REG/2012/248

(1) Registration Number and date of grant: - **REG/2012/248 & 12/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NM-61**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical & Other (Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **POP 21-9-4-3-3-2-1-1 and R&D Centre, Kandlakoya farm, Ranga reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is straight, ear anthocyanin colouration of silk is absent, ear length withour husk is medium and ear anthocyanin colouration of glumes of cob is dark purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **07.01.2002**

Certificate of Registration REG/2012/253

(1) Registration Number and date of grant: - **REG/2012/253 & 15/01/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Yaaganti Seeds Pvt Ltd, 3rd Floor, 8-2-277/45, UBI Colony, Road No.3, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **GP-1107**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical & Other (Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **MC (C1)21-3-8-4-1 and Yaaganti seeds pvt, ltd, R&D farm, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Small leaf angle between blade and stem, absent of anthocyanin colouration of glumes excluding base, absent of anthocyanin colouration of anthers.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **One of the parent of Hybrid Laxmi-999 (first sold on 02.05.2002**

Certificate of Registration REG/2012/257

(1) Registration Number and date of grant: - **REG/2012/257 & 12/02/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Yaaganti Seeds Pvt Ltd, 3rd Floor, 8-2-277/45, UBI Colony, Road No.3, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **GP-5022**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical & Other (Parental Line)/ Maize**

(5) Parentage and geographical location of the variety: **EIPOP 15-7-11-6-1-2-B and Yaaganti seeds pvt, ltd, R&D farm, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of glumes excluding base is absent and tassel anthocyanin colouration of anther is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **One of the parent of Hybrid Laxmi-2277 (first sold on 05.05.2009**

Certificate of Registration REG/2013/265 H

(1) Registration Number and date of grant: - **REG/2013/265 H & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 3rd Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **PAC7753 (PAC 753)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PAC7753F X PAC7753M and R&D Farm, ARS, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between the main axis and lateral branches is wide.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **23.07.2012**

Certificate of Registration REG/2013/266 H

(1) Registration Number and date of grant: - **REG/2013/266 H & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 3rd Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **PAC7751 (PAC751)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PAC7751 F X PAC7751 M and R&D Farm, ARS, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is drooping and ear shape is conico-cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **06.10.2012**

Certificate of Registration REG/2013/298

(1) Registration Number and date of grant: - **REG/2013/298 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, Tamil Nadu

(3) Denomination of the variety: **RMH3022**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **RM666 X RM676 and R&D Farm, Ammampalayam, Attur, Tamil Nadu**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume is present and tassel length of main axis above lowest side branch is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **25.05.2011**

Certificate of Registration REG/2013/333

(1) Registration Number and date of grant: - **REG/2013/333 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NMH-1247**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **NM-183 X NM-199 and R&D Centre, Kandlakoya farm, Ranga reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches is narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **12.06.2013**

Certificate of Registration REG/2013/365

(1) Registration Number and date of grant: - **REG/2013/365 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ganga Kaveri Seeds Pvt Ltd, #604, Babukhan Estate, Basheerbagh, Hyderabad-500001**, Telangana

(3) Denomination of the variety: **GK3090**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **MZ 1052 X MZ 1107 and Sunada farm, Medchal, Randa Reddy, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Tassel Time of anthesis is late.**
Tassel Anthocyanin colouration of anthers is absent.
Ear Type of grain is semi-flint/Semi-dent.

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **13.09.2012**

Certificate of Registration REG/2013/369 H

(1) Registration Number and date of grant: - **REG/2013/369 H & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 3rd Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **PAC7745 (PAC 745)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PAC7745F X PAC7745M and ARS, Begur, Koppa Road, Bangalore**

(6) Details of the distinguishing features or the characteristics: **Anthocyanin colouration of glumes of cob is white.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **14.11.2011**

Certificate of Registration REG/2013/958

(1) Registration Number and date of grant: - **REG/2013/958 & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMMH 809**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TM 800072 X TM 8000110 and R&D Centre, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is drooping and tassel angle between main axis and lateral branches is wide.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **23.04.2013**

Certificate of Registration REG/2014/349

(1) Registration Number and date of grant: - **REG/2014/349 & 08/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 2nd Floor (West Wing) Worldmark 1, Aerocity, New Delhi-110037**, Delhi

(3) Denomination of the variety: **BIO 9782 (BIO237)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **BY778nm X BY 101271 and Research Farm, Mokila Village, Shankarpally Mandal, Rangareddy, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Tassel length of main axis and above lowest side branches is medium and ear shape is conico-cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2014/351

(1) Registration Number and date of grant: - **REG/2014/351 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001**, Delhi

(3) Denomination of the variety: **BIO 032**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **BIO 82015HI X BIO 101271 and Research Farm, Mokila Village, Shankarpally Mandal, Rangareddy, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Tassel length of main axis and above lowest side branches is medium and ear shape is conico-cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialized**

Certificate of Registration REG/2019/60

(1) Registration Number and date of grant: - **REG/2019/60 & 10/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sasidharan. C, Cholaparambathu House Thirunarayanapuram Pulamanthole (PO) Malappuram-679323**, **Kerala**

(3) Denomination of the variety: **GOPIKA**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Aiswarya/Jyothi and Cholaparambathu house Thirunarayanapurum Pulamanthole Malappuram, Keral**

(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colouration of apex very strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **15.03.2014**

Certificate of Registration REG/2019/178 H

(1) Registration Number and date of grant: - **REG/2019/178 H & 30/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMRH 5786**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM110032/TM140781 and TriMurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium leaf senescence and long slender decorticated grain shape.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **30.05.2019**

Certificate of Registration REG/2020/59

(1) Registration Number and date of grant: - **REG/2020/59 & 02/09/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H. NO 1-8-201, Flat No 208, 209, Ashoka my Home Chambers, SP Road, Secunderabad- 500003**, **Telangana**
(3) Denomination of the variety: **ATPDR 2119**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **two lines from Ataash germplasm/ and R &D centre of Limagrain India Pvt.Ltd, Yadaram, Ts**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation)semi erect, panicle length of main axis medium and decorticated grain shape short bold.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Can. var. explitedin the devlopment of hybrid LG90103**

Certificate of Registration REG/2020/60

(1) Registration Number and date of grant: - **REG/2020/60 & 10/07/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Worldmark 1, 2nd Floor (West Wing, Aerocity, Vasant Kunj, New Delhi-110037**, **Delhi**
(3) Denomination of the variety: **BIO HR411136R**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Other (Inbred line)/ Rice**
(5) Parentage and geographical location of the variety: **HR0471/HR0457 and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**
(6) Details of the distinguishing features or the characteristics: **Short panicle length of main axis and mostly exerted panicle exeration.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Explited for the devlopment of Bio 688**

Certificate of Registration REG/2020/77 H

(1) Registration Number and date of grant: - **REG/2020/77 H & 06/10/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **LIMAGRAIN INDIA PVT LTD, H. NO 1-8-201, Flat No 208, 209, Ashoka my Home Chambers, SP Road, Secunderabad- 500003**, **Telangana**
(3) Denomination of the variety: **LG 90103**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **ATPDA0051/ADPDR2119 and R &D centre of Limagrain India Pvt.Ltd, Yadaram, TS**
(6) Details of the distinguishing features or the characteristics: **Panicle exertion well exerted.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2020/79 H

(1) Registration Number and date of grant: - **REG/2020/79 H & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, Worldmark 1, 2nd Floor (West Wing, Aerocity, Vasant Kunj, New Delhi-110037**, **Delhi**

(3) Denomination of the variety: **BIO 688**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **IR70369A/IR70369B/HR411136/ and Bioseed Research India, Mokila Village, Shankar Pally Mandal, Ranga Reddy dist. AP**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of stigma purple, panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **07.05.2019**

Certificate of Registration REG/2020/80 H

(1) Registration Number and date of grant: - **REG/2020/80 H & 09/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NPH-X1**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **NPS2030A/NPS2342 and Nuziveedu seeds Ltd, R & D centre, Gundla pocham, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Mostly exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2020/80 A

(1) Registration Number and date of grant: - **REG/2020/80 A & 09/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NPS 2030 A**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **NPS35A/NPS2307 and Nuziveedu seeds Ltd, R & D centre, Gundla pocham, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Partly exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2020/80 B

(1) Registration Number and date of grant: - **REG/2020/80 B & 09/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NPS 2030 B**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Other (Parental Line)/ Rice**

(5) Parentage and geographical location of the variety: **NPS2473/NPS D434 and Nuziveedu seeds Ltd, R & D centre, Gundla pocham, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Mostly exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2020/80 R

(1) Registration Number and date of grant: - **REG/2020/80 R & 09/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, **Telangana**

(3) Denomination of the variety: **NPS 2342**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Other/ Rice**

(5) Parentage and geographical location of the variety: **NP60R/NP505R and Nuziveedu seeds Ltd, R & D centre, Gundla pocham, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Well exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2020/121 H

(1) Registration Number and date of grant: - **REG/2020/121 H & 15/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMRH 5559**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM110003A/TM140012 and TriMurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**
(6) Details of the distinguishing features or the characteristics: **Partly exerted panicles.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **30.05.2019**

Certificate of Registration REG/2020/122 H

(1) Registration Number and date of grant: - **REG/2020/122 H & 10/06/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**
(3) Denomination of the variety: **KRH7299**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **KOS08ME0004A/PD-922R and R & D farm,Kaveri seed company Ltd, Gouraram, P. O. Wargal Mandal, Medak, Telangana**
(6) Details of the distinguishing features or the characteristics: **Semi erect flag leaf attitude of blade (late observation) and panicle awns absent.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **26.05.2020**

Certificate of Registration REG/2020/330 H

(1) Registration Number and date of grant: - **REG/2020/330 H & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Navsari Agricultural University, Eru Cross Road, Vijalpore, Navsari-396450**, **Gujarat**

(3) Denomination of the variety: **GRH-2 (NVSR-H-1011)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **NVSRMS1/12KP10 and Regional Rice Research station, Navsari Agricultural University, Vyara**

(6) Details of the distinguishing features or the characteristics: **Presence of panicle awns, erect panicle attitude of branching, short decorticated grain length, presence of decorticated grain aroma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2020/359 H

(1) Registration Number and date of grant: - **REG/2020/359 H & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **RH169047 (ADV8100)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **140209A/150209B/169002R/ and Advanta Enterproses Limited, ARS, survey No. 132/131, Vill. Kucharam, Monoharabad, Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle awns absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2020/360 H

(1) Registration Number and date of grant: - **REG/2020/360 H & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **RH150025(ADV 8082)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **140209A/150209B/169006R/ and Advanta Enterproses Limited, ARS, survey No. 132/131, Vill. Kucharam, Monoharabad, Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of internodes absent and panicle secondary branches strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **26.04.2019**

Certificate of Registration REG/2020/361 H

(1) Registration Number and date of grant: - **REG/2020/361 H & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **RH169001(PAC837 Plus)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**

Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **140027/169012 and Advanta Enterproses Limited, ARS, survey No. 132/131, Vill. Kucharam, Monoharabad, Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of stigma white, stem anthocyanin colouration of nodes absent and panicle exertion mostly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **03.01.2020**

Certificate of Registration REG/2020/362 H

(1) Registration Number and date of grant: - **REG/2020/362 H & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **RH169046 (ADV801 Plus)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **149001/159001/169006/ and Advanta Enterproses Limited, ARS, survey No. 132/131, Vill. Kucharam, Monoharabad, Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **04.07.2016**

Certificate of Registration REG/2020/363 H

(1) Registration Number and date of grant: - **REG/2020/363 H & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Advanta Enterprises Limited, #8-2-418, 4th Floor, Krishnama House, Road No. 7, Banjara Hills, Hyderabad-500034**, **Telangana**

(3) Denomination of the variety: **RH159002(PAC807 Plus)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **140010/150010/169002/ and Advanta Enterproses Limited, ARS, survey No. 132/131, Vill. Kucharam, Monoharabad, Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **20.05.2019**

Certificate of Registration REG/2021/3 H

(1) Registration Number and date of grant: - **REG/2021/3 H & 05/08/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**
(3) Denomination of the variety: **TMRH 5750**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **TM110036A/TM14078R and TriMurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade semi erect and spikelet colour of tip of lemma yellowish.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **21.05.2020**

Certificate of Registration REG/2021/0019

(1) Registration Number and date of grant: - **REG/2021/0019 & 06/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Tamil Nadu Agricultural University, Director of Research, Tamil Nadu Agricultural University, Coimbatore-641003**, **Tamil Nadu**
(3) Denomination of the variety: **CO 53 (CB 06803 (IET 24057)**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **PKM (R)3/Norungan and Department of Rice, Centrefor Plant Breedeng and Genetics , TNAU, Tamilnadu-641003**
(6) Details of the distinguishing features or the characteristics: **Long length of blade in leaf, medium spikelet density of pubescence of lemma and short stem length.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **February 2020**

Certificate of Registration REG/2021/0066

(1) Registration Number and date of grant: - **REG/2021/0066 & 07/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pan Seeds Pvt Ltd, 69A Satish Mukherjee Road, Kolkata-700026**, **West Bengal**
(3) Denomination of the variety: **PAN 847**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **PAN804/AN3236 and R & D centre of PAN seeds Pvt. Ltd, Vill Daichanda, P.O. Huria, Burdwan, WB**
(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colouration of keel absent or very week and lemma anthocyanin colouration of area below apex absent.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0071

(1) Registration Number and date of grant: - **REG/2021/0071 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa 1652**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Pusa1638/Kalanamak and Division of genetics , ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface absent and panicle awns present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0083

(1) Registration Number and date of grant: - **REG/2021/0083 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, College of Agriculture Raipur, IGKV-492012, Chhattisgarh**

(3) Denomination of the variety: **CG JAWAPHOOL TROMBAY (RTR-31)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Jawaphool (Acc. No.IC379643/ and Department Genetics and Plant Breedeng IGKV Raipur-492021**

(6) Details of the distinguishing features or the characteristics: **Very long panicle length of main axis, deflexed flag leaf attitude of blade (late observation), spreading panicle attitude of branches.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **02.02.2021**

Certificate of Registration REG/2021/0084

(1) Registration Number and date of grant: - **REG/2021/0084 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, College of Agriculture Raipur, IGKV-492012, Chhattisgarh**

(3) Denomination of the variety: **VIKRAM TCR (Vikram-Trombay Chhattisgarh Rice)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Safari-17 (Acc.no S-345)/ and Department Genetics and Plant Breedeng IGKV Raipur-492021**

(6) Details of the distinguishing features or the characteristics: **Semi erect flag leaf attitude of blade, long panicle length of main axis, strong panicle secondary branching, partly exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **02.02.2021**

Certificate of Registration REG/2021/0089

(1) Registration Number and date of grant: - **REG/2021/0089 & 06/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Dr. Panjabrao Deshmukh Krishi Vidyapeeth, P.O. Krishinagar, Akola-444104**, **Maharashtra**

(3) Denomination of the variety: **SAKOLI-9 (SKL-2-50-56-45-30-60)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **PKV HMT/Kishor and Agriculture Research Station , Sakoli, Dist.Bhandara, Maharashtra**

(6) Details of the distinguishing features or the characteristics: **Medium pubescence on leaf blade surface, long stem length, long panicle length of main axis and white decorticated grain colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **12.06.2017**

Certificate of Registration REG/2021/0096

(1) Registration Number and date of grant: - **REG/2021/0096 & 06/12/2022**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Navsari Agricultural University, Eru Cross Road, Vijalpore, Navsari-396450**, **Gujarat**

(3) Denomination of the variety: **GR 17 (Sardar)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Gurjari/Jaya and Regional Rice Research station, Navsari Agricultural University, Vyara, Gujrat**

(6) Details of the distinguishing features or the characteristics: **Purple spikelet colour tip of lemma, panicle awns absent and erect panicle attitude of branches.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **11.11.2019**

Certificate of Registration REG/2021/0098 H

(1) Registration Number and date of grant: - **REG/2021/0098 H & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, H.No. 02-076/3/302, 3rd Floor, Saibaba Complex, PetBasheerabad, Quthbullapur Mandal, Secunderabad-500067, Medchal Dist, Telangana**

(3) Denomination of the variety: **MP 3310**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **100808A/100872R and R&D Centre farm, Mahindra Agri Solutions Ltd, Toopran, Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma yellowish, panicle attitude of branches semi erect to spreading.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0099 H

(1) Registration Number and date of grant: - **REG/2021/0099 H & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, H.No. 02-076/3/302, 3rd Floor, Saibaba Complex, PetBasheerabad, Quthbullapur Mandal, Secunderabad-500067, Medchal Dist, Telangana**

(3) Denomination of the variety: **MP 3020**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **100727A/101274R and R&D Centre farm, Mahindra Agri Solutions Ltd, Toopran, Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect and panicle secondary branches strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0100 H

(1) Registration Number and date of grant: - **REG/2021/0100 H & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, H.No. 02-076/3/302, 3rd Floor, Saibaba Complex, PetBasheerabad, Quthbullapur Mandal, Secunderabad-500067, Medchal Dist**, **Telangana**

(3) Denomination of the variety: **MP 3110**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **100808A/10741R and R&D Centre farm, Mahindra Agri Solutions Ltd, Toopran, Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0101 H

(1) Registration Number and date of grant: - **REG/2021/0101 H & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nu Genes Pvt. Ltd., Door No:-1-8-303/45, 2nd Floor, Chain Arcade, Minister Road, Rasoolpura, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **NU 47051**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **NGRA27/NGRB28/NGRR742/ and R&D Centre farm, Nu genes Pvt.Ltd, Patala, Toopran, Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain length medium and decorticated grain shape (in lateral view) long slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0102

(1) Registration Number and date of grant: - **REG/2021/0102 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mali Agri Tech Private Limited, 80/1 Subhash Avenue, Ranaghat, 741201, Nadia**, **West Bengal**

(3) Denomination of the variety: **MALI-8**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Gontra Bidhan 1/ and 80/1 Subhash Avenue, Ranaghat, Nadia, WB**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **15.11.2017**

Certificate of Registration REG/2021/0117

(1) Registration Number and date of grant: - **REG/2021/0117 & 04/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009**, **USA**

(3) Denomination of the variety: **B304**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **B126/B300 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colouration of apex absent and panicle awn present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0123 H

(1) Registration Number and date of grant: - **REG/2021/0123 H & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KRH7623**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KR18SA005/KR18SB009 and R & D farm,Kaveri seed company Ltd, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium grain length and short bold decorticated grain shape (in lateral view).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0124 H

(1) Registration Number and date of grant: - **REG/2021/0124 H & 20/09/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KRH7425**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KR18SA005/KR18SB005 and R & D farm,Kaveri seed company Ltd, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium grain weight of 1000 fully developed grains and medium slender decorticated grain shape (in lateral view).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0125

(1) Registration Number and date of grant: - **REG/2021/0125 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KRV7155**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RH11S x V50005/KGPOS5057+KGPOS5057+TRH4110001N/ and R & D farm,Kaveri seed company Ltd, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Grain length short and grain width is very narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0132 H

(1) Registration Number and date of grant: - **REG/2021/0132 H & 04/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH17119**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C088/M062 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Panicle number per plant medium and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0133 H

(1) Registration Number and date of grant: - **REG/2021/0133 H & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH13144 (AZ7888)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C140/M033 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Panicle distribution of awns is tip only and grain phenol reaction of lemma is present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0187

(1) Registration Number and date of grant: - **REG/2021/0187 & 04/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Km. Mousumi Biswas, Village/Post: Chhayaghari, Taluka: Daulatabad, District: Murshidabad-704302**, **West Bengal**

(3) Denomination of the variety: **M-JAMINI**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Lohat/IR36 and Vill.Post Chayaghari, , Daulatabad, Dist. Murshidabad**

(6) Details of the distinguishing features or the characteristics: **Leaf anthocyanin colouration of auricles purple and panicle curvature of main axis deflexed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0188

(1) Registration Number and date of grant: - **REG/2021/0188 & 07/05/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mali Agri Tech Private Limited, 80/1 Subhash Avenue, Ranaghat, 741201, Nadia**, **West Bengal**

(3) Denomination of the variety: **MALI E-7**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MaliCMS 9A/Mali MR28R and Mali AgriTech Pvt.Ltd. Nadia, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect & panicle exertion mostly exerted and leaf collar present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **27.11.2018**

Certificate of Registration REG/2021/0189 H

(1) Registration Number and date of grant: - **REG/2021/0189 H & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mali Agri Tech Private Limited, 80/1 Subhash Avenue, Ranaghat, 741201, Nadia, West Bengal**

(3) Denomination of the variety: **MALI-484**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **MaliCMS 9A/Mali MR91 and Mali AgriTech Pvt.Ltd. Nadia, West Bengal**

(6) Details of the distinguishing features or the characteristics: **flag leaf attitude of blade semi erect and grain weight of 1000 fully developed grains medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **08.07.2020**

Certificate of Registration REG/2021/0190 H

(1) Registration Number and date of grant: - **REG/2021/0190 H & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mali Agri Tech Private Limited, 80/1 Subhash Avenue, Ranaghat, 741201, Nadia, West Bengal**

(3) Denomination of the variety: **MALI HIRO-2**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **MaliCMS 9A/Mali MR28R and Mali AgriTech Pvt.Ltd., Kumarshatpur, Ranaghat, Nadia, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Leaf anthocyanin colouration of collar present, spikelet colour of stigma purple and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **24.011.2017**

Certificate of Registration REG/2021/0194

(1) Registration Number and date of grant: - **REG/2021/0194 & 06/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director**
ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi

(3) Denomination of the variety: **Robin mutant (Herbicide Tolerant Mutant)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Other (Mutant Variety)/ Rice**

(5) Parentage and geographical location of the variety: **Induce mutant of Nagina 22/ and TNAU, Coimbatore**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of early observation is semi erect and decorticated grain shape (in lateral view) short bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2021/0224 H

(1) Registration Number and date of grant: - **REG/2021/0224 H & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy District-501401**, **Telangana**

(3) Denomination of the variety: **NPH-X4**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **NPS2030/NPS2014 and Nuziveedu seeds Ltd, R & D centre, Gundla pocham, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and panicle curvature of main axis deflexed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **13.06.2019**

Certificate of Registration REG/2022/0008

(1) Registration Number and date of grant: - **REG/2022/0008 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **GMS Agritech Private Limited, BH-93, 1st Floor, Sector-II, Salt Lake City, Kolkata-700091**, **West Bengal**

(3) Denomination of the variety: **GMS-165B**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Open pollinated)/ Rice**

(5) Parentage and geographical location of the variety: **GMS-8-3--3/GMS-872 and Baheri Nimtala, Baheri, Bolpur, Birhum**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis very long and panicle secondary branching is strong.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **29.10.2018**

Certificate of Registration REG/2022/0013

(1) Registration Number and date of grant: - **REG/2022/0013 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 54 (IET 25653) (RP 5943-421-16-1-1-B)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RP5124-11-4-3--2-1/IR78877-208-B-1-1 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Green basal leaf sheath colour, semi-erect flag leaf attitude of blade (early observation), semi erect to spreading panicle attitude of branches and very short decorticated grain length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **29.01.2021**

Certificate of Registration REG/2022/0014

(1) Registration Number and date of grant: - **REG/2022/0014 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan-55 (RP 5591-123-16-2 (IET 26194)**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Oryza sativa* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **MTU1010/IR79915-B-83-4-3 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium panicle length of main axis, semi-erect flag leaf attitude of blade (late observation), well exerted panicle, long decorticated grain length, long bold decorticated grain shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **29.01.2021**

Certificate of Registration REG/2022/0015

(1) Registration Number and date of grant: - **REG/2022/0015 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 51 (IET 25484)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Swarna/C101A51 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium leaf blade width, medium time of heading (50% of plants with panicles), medium panicle length of main axis, medium panicle number per plant and early leaf senescence.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **27.03.2022**

Certificate of Registration REG/2022/0016

(1) Registration Number and date of grant: - **REG/2022/0016 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 58**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Improved Samba Mahsuri*3///FL478/ and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium spikelet density of pubescence of lemma, well exerted panicle and medium grain width (1000 grain weight in g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **18.01.2022**

Certificate of Registration REG/2022/0017

(1) Registration Number and date of grant: - **REG/2022/0017 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 59**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Akshayadhan*2/FBR1-15/ and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Erect flag leaf attitude of blade (early observation).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **18.01.2022**

Certificate of Registration REG/2022/0012 H

(1) Registration Number and date of grant: - **REG/2022/0012 H & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012**, **Delhi**

(3) Denomination of the variety: **AH7043**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PDM-260-1 X PDM-4441 and ICAR-IARI, RRC Dharwad, Karnataka.**

(6) Details of the distinguishing features or the characteristics: **Leaf angle between blade and stem is wide and tassel anthocyanin colouration of anthers is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2022/0047 H

(1) Registration Number and date of grant: - **REG/2022/0047 H & 13/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMMH 2852**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TM 800297 X TM 800118 and R&D, Trimurti Plant Sciences Pvt. Ltd., Village- Ramayapalli, Mandal-Manoharabad, Dist.- Medak, Pin code- 502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is curved and kernel shape is toothed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2022/0052 H

(1) Registration Number and date of grant: - **REG/2022/0052 H & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Medchal Malkajgiri Dist/Rangareddy Dist-501401, Telangana**

(3) Denomination of the variety: **NMH 4144**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **NM-284 X NM-1414 and Research & Development Centre, M/s Nuziveedu Seeds Ltd, Kandlyakoya Farm, Ranga Reddy district, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is curved and ear shape is cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **08.06.2021**

Certificate of Registration REG/2022/0074 H

(1) Registration Number and date of grant: - **REG/2022/0074 H & 06/08/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KMH8388**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **KM20SX013 X KM20SY014 and R&D Center of the company at Gowraram, Wargal Mandal; Dist.- Medak; Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume is present and ear colour of top of grain is yellow with cap.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2022/0157 H

(1) Registration Number and date of grant: - **REG/2022/0157 H & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Siri Seeds (India) Pvt. Ltd., 301 & 302, 3rd floor, 6-3-1099/1100, Babukhan Millenium Center, Raj Bhavan Road, Somajiguda-500082, Hyderabad**, **Telangana**

(3) Denomination of the variety: **SMH-4636**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **SML 9058W X SML 9802Z and R&D center, Siri Seeds (India) Pvt. Ltd., village- Danthapally, Mandal- Shivampet, District- Medak, Pin code- 502335, Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel time of anthesis medium, tassel anthocyanin colouration at base of glume present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **01.06.2022**

Certificate of Registration REG/2022/0164 H

(1) Registration Number and date of grant: - **REG/2022/0164 H & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMMH 836**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TM 800328 X TM800118 and R&D, Trimurti Plant Sciences Pvt. Ltd., Village- Ramayapalli, Mandal- Manoharabad, Dist.- Medak, Pin code- 502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Ear colour of top of grain orange and kernel shape toothed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2023/0030 H

(1) Registration Number and date of grant: - **REG/2023/0030 H & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Star Agrotech Pvt. Ltd., Govind Prasad Rajgarhia, Managing Director, Star Agrotech Pvt. Ltd., D-38, 2nd Floor, Bharani Complex, Minister Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **SMH 3564 (STAR X 7 POWER)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **SMGP 1695 X SMGP 164 and R&D Station, Dabilpur & M.Pally, Medchal District, Telangana.**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade straight and ear anthocyanin colouration of glumes of cob white.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2023/0039 H

(1) Registration Number and date of grant: - **REG/2023/0039 H & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **IMH 224**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **IML 22 X IML 16 and RMR & SPC, Begusarai and ICAR-IIMR, Ludhiana**

(6) Details of the distinguishing features or the characteristics: **Ear colour of top of grain orange and kernel shape round.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2023/0070 H

(1) Registration Number and date of grant: - **REG/2023/0070 H & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri-Dist- 500100, Telangana**

(3) Denomination of the variety: **NMH-8392**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**

Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **SM-725 X SM-830 and Research & Development Centre, M/s Nuziveedu Seeds Ltd, Kandlyakoya Farm, Ranga Reddy district, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume (in middle third of main axis) present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **26.09.2022**

Certificate of Registration REG/2023/0071 H

(1) Registration Number and date of grant: - **REG/2023/0071 H & 11/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, No. 5-225/1/A, GMR Complex, Gundlapochampalli, Manikya Reddy Colony, Medchal Mandal, Kompally, Hyderabad-500100**, **Telangana**

(3) Denomination of the variety: **MM 2169**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **203742 X 203741 and R&D Farm, Mahindra Agri solutions Ltd, Village- Brahmanapally Farm, Mandal-Tupran, Dist.- Medak, Pin-502334, State- Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume present and kernel shape round.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2023/0126

(1) Registration Number and date of grant: - **REG/2023/0126 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Ellora Natural Seeds Pvt. Ltd., Plot No. 04, Gut No. 117 Nakshatrawadi, Paithan Road, Beside HDFC Bank, Aurangabad-431001**, **Maharashtra**

(3) Denomination of the variety: **ELLORA COMMANDO 1112**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **EMAIF11 X EMAIM12 and R&D Department, Ellora Natural Seeds Pvt. Ltd., Gut No. 06, Patoda, Gangapur-Nehari, Tal, Aurangabad, MH-431136**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume (in middle third of main axis) present, ear shape is conical and ear anthocyanin colouration of glumes of cob white.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **01.03.2023**

Certificate of Registration REG/2024/0095

(1) Registration Number and date of grant: - **REG/2024/0095 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa Biofortified Maize Hybrid-1**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-PV5 X PMI-PV10 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Ear diameter without husk is medium and ear shape is conico cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2024/0096

(1) Registration Number and date of grant: - **REG/2024/0096 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa HQPM-1 Improved**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-PV7 X PMI-PV6 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of braceroot is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2024/0097

(1) Registration Number and date of grant: - **REG/2024/0097 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa HM4 Male Sterile Baby Corn (Shishu)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-MST-101 X HKI323 and ICAR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Absence of fertile pollen grain.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2024/0098

(1) Registration Number and date of grant: - **REG/2024/0098 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3524**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH4DYW X PH496K and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume (in middle third of main axis) absent, Tassel anthocyanin colouration of glumes excluding base (in middle third of main axis) present and leaf width of blade (leaf of upper ear) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **27.05.2021**

Certificate of Registration REG/2024/0099

(1) Registration Number and date of grant: - **REG/2024/0099 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P35105**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **1PLQS54 X 1PHTT38 and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches (in lower third of tassel) strongly curved and ear shape is conico-cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2024/0100

(1) Registration Number and date of grant: - **REG/2024/0100 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P34407 (PM-21111 L)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **1PQKF31 X PH20F3 and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of braceroot is absent and ear anthocyanin colouration of silks (on day of emergence) absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2024/0101

(1) Registration Number and date of grant: - **REG/2024/0101 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P33309**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH2RBC X PHDMK and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches (in lower third of tassel) straight.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised.The female parent (PH2RBC; REG/2017/2268; Date of applied 13.10.2017) and male parent (PHDMK; REG/2012/16; Date of applied 08.02.2012) both already applied to PPV&FRA.**

Certificate of Registration REG/2024/0154

(1) Registration Number and date of grant: - **REG/2024/0154 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC9198**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **G8546Z X H6939Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India- 561203.**

(6) Details of the distinguishing features or the characteristics: **Ear number of rows of grains medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **30.05.2020**

Certificate of Registration REG/2024/0158

(1) Registration Number and date of grant: - **REG/2024/0158 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMMH 8418**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **TM 800683 X TM 800671 and R&D, Trimurti Plant Sciences Pvt. Ltd., Village- Ramayapalli, Mandal- Manoharabad, Dist.- Medak, Pin code- 502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade straight and kernel shape indented.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **B3571Z X H7369Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India- 561203.**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume (in middle third of main axis) absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **24.04.2018**

Certificate of Registration REG/2024/0160

(1) Registration Number and date of grant: - **REG/2024/0160 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC8209**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **H4721Z X G9194Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India- 561203.**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is straight & ear shape is conico- cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **23.04.2021**

Certificate of Registration REG/2024/0161

(1) Registration Number and date of grant: - **REG/2024/0161 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC9210**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **H2689Z X G0866Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India- 561203.**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade is straight, tassel anthocyanin colouration at base of glume absent and tassel attitude of lateral branches is curved.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **16.05.2022**

Certificate of Registration REG/2024/0162

(1) Registration Number and date of grant: - **REG/2024/0162 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC9217**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **G8546Z X B4558Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India- 561203.**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume absent, tassel attitude of lateral branches curved and ear shape is conico cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **19.10.2021**

Certificate of Registration REG/2024/0163

(1) Registration Number and date of grant: - **REG/2024/0163 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P18245**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH4BYD X PH459P and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade (on leaf just above upper ear) straight and kernel shape indented.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. The male parent (PH459P) used for development of other hybrid (P1891; REG/2024/0259).**

Certificate of Registration REG/2024/0164

(1) Registration Number and date of grant: - **REG/2024/0164 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P1890**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH2CT2 X PH1BFW and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume (in middle third of main axis) absent, ear shape conico-cylindrical and ear anthocyanin colouration of glumes of cob dark purple.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **23.02.2022**

Certificate of Registration REG/2024/0165

(1) Registration Number and date of grant: - **REG/2024/0165 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P34104**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **1PLQS54 X 1PDFU69 and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of glumes excluding base (in middle third of main axis) absent and ear anthocyanin colouration of silks (on day of emergency) absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **11.06.2024**

Certificate of Registration REG/2024/0166

(1) Registration Number and date of grant: - **REG/2024/0166 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3312**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH27AC X 1PUSS84 and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches wide, ear anthocyanin colouration of silks (on day of emergency) absent and kernel shape indented.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **25.09.2023**

Certificate of Registration REG/2024/0167

(1) Registration Number and date of grant: - **REG/2024/0167 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Green Gold Seeds Pvt Ltd, Gut No. 65, Narayanpur Shivar, Waluj, Tq: Gangapur, Aurangabad-431133**, **Maharashtra**

(3) Denomination of the variety: **GOLD 1166**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **GMI 64 X GMI 65 and Cereals research & development farm, Green Gold Seeds Pvt Ltd, Gut No. 65 Narayanpur shivar, Waluj, Taluka- Gangapur, District- Aurangabad-43113, MH. And Research & Development Centre for Oilseeds & Pulses, Green Gold Seeds Pvt Ltd, Village + PO- Pakhora,**

(6) Details of the distinguishing features or the characteristics: **Leaf attitude of blade (on leaf just above upper ear) straight, tassel anthocyanin colouration of anthers (in middle third of main axis on fresh anthers) present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **18.06.2018**

Certificate of Registration REG/2024/0169

(1) Registration Number and date of grant: - **REG/2024/0169 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer CropScience Ltd., Bayer House Central Avenue, Hiranandani Estate, Thane (West)-400607**, **Maharashtra**

(3) Denomination of the variety: **DKC9208**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **H5683Z X G1252Z and Corn breeding team at Muppadaghatta village, Kadnur, Banglore, India- 561203.**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of anthers absent, tassel attitude of lateral branches straight and ear colour of top of grain is yellow with cap.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **19.01.2022**

Certificate of Registration REG/2024/0244

(1) Registration Number and date of grant: - **REG/2024/0244 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KMH8577 (KMH018)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **KM19SX005 X KML2766 and R&D Center of the company at Gowraram, Wargal Mandal; Dist.- Siddipet; Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration of glumes excluding the base is absent and leaf anthocyanin colouration of sheath is absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **16.12.2022**

Certificate of Registration REG/2024/0245

(1) Registration Number and date of grant: - **REG/2024/0245 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KMH8121**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **KM19SX007 X KM21SY035 and R&D Center of the company at Gowraram, Wargal Mandal; Dist.- Siddipet; Telangana.**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is straight and ear number of rows of grain is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2024/0247

(1) Registration Number and date of grant: - **REG/2024/0247 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy Dist)-500100**, **Telangana**

(3) Denomination of the variety: **NMH-4786**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **NM-1090 X NM-1411 and Research & Development Centre, M/s Nuziveedu Seeds Ltd, Kandlyakoya Farm, Ranga Reddy district, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at base of glume (in middle third of main axis) present, leaf width of blade (leaf of upper end) broad and kernel shape indented.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **27.02.2020**

Certificate of Registration REG/2024/0248

(1) Registration Number and date of grant: - **REG/2024/0248 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy Dist)-500100**, **Telangana**

(3) Denomination of the variety: **NM-1411**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other(Inbred parental line)/ Maize**

(5) Parentage and geographical location of the variety: **NM-153/NM-161 and Research & Development Centre, M/s Nuziveedu Seeds Ltd, Kandlyakoya Farm, Ranga Reddy district, Telangana**

(6) Details of the distinguishing features or the characteristics: **Density of spikelet's (in middle third of main axis) dense and ear length without husk medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **The candidate variety was exploited for the development of hybrid NMH-4786 and sold on 27.02.2020.**

Certificate of Registration REG/2024/0259

(1) Registration Number and date of grant: - **REG/2024/0259 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P1891**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH1KTF X PH459P and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel anthocyanin colouration at the base of glume (in middle third of main axis) absent, tassel attitude of lateral branches (in lower third of tassel**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **29.01.2024**

Certificate of Registration REG/2024/0355

(1) Registration Number and date of grant: - **REG/2024/0355 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001**, **Delhi**

(3) Denomination of the variety: **Karimnagar Makka (KNMH-4010141)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **KML 225 X BML 7 and Agricultural Research Station, PJTSAU, Karimnagar-505001.**

(6) Details of the distinguishing features or the characteristics: **Leaf width of blade is medium and ear shape is cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2024/0361

(1) Registration Number and date of grant: - **REG/2024/0361 & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3532**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH4H7G X PH459P and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Tassel angle between main axis and lateral branches wide and kernel 1000 seed wt medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Female parent (PH4H7G) used for development of other hybrid (P3526; REG/2020/32)**

Certificate of Registration REG/2024/0362

(1) Registration Number and date of grant: - **REG/2024/0362 & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **P3319**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PH177S X 1PUSS84 and Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081, Telangana**

(6) Details of the distinguishing features or the characteristics: **Plant ear placement low, leaf width of blade (leaf of upper ear) broad.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised. Female parent (PH177S) used for development of other hybrid (P3388; REG/2017/644 & P3592; REG/2017/2368).**

Certificate of Registration REG/2024/0374

(1) Registration Number and date of grant: - **REG/2024/0374 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director**

ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi

(3) Denomination of the variety: **Pusa Biofortified Maize Hybrid-2 (APH2)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-PV5 X PMI-PV11 and IACR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Tassel attitude of lateral branches is curved and ear shape is cylindrical.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2024/0375

(1) Registration Number and date of grant: - **REG/2024/0375 & 06/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Agricultural Research Institute, The Director, ICAR-Indian Agricultural Research Institute, Pusa Campus-110012, Delhi**

(3) Denomination of the variety: **Pusa Biofortified Maize Hybrid-3 (APH3)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Zea mays* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Hybrid/ Maize**

(5) Parentage and geographical location of the variety: **PMI-PV5 X PMI-PV12 and IACR-IARI, New Delhi**

(6) Details of the distinguishing features or the characteristics: **Ear type of grain is flint and kernel weight is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialised**

Certificate of Registration REG/2009/100

(1) Registration Number and date of grant: - **REG/2009/100 & 22/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NCS-14**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-157/NC-189 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **1995**

Certificate of Registration REG/2010/353

(1) Registration Number and date of grant: - **REG/2010/353 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401**, Telangana

(3) Denomination of the variety: **PRCH - 710 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-17 Bt2/PSCP-18 and Pravardhan Seeds Pvt.Limited, R & D development Farm, Pargi, Rangareddy dist, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Flower pollen colour cream.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **2010**

Certificate of Registration REG/2009/70

(1) Registration Number and date of grant: - **REG/2009/70 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4,**

4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034, Telangana

(3) Denomination of the variety: **NCS -15**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-182/NC-188 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24-05-1995**

Certificate of Registration REG/2009/86

(1) Registration Number and date of grant: - **REG/2009/86 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri Dist-501401**, Telangana

(3) Denomination of the variety: **NCS-99**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-158/NC-182 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Small boll weight of seed cotton/boll and dense seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24-05-1995**

Certificate of Registration REG/2009/88

(1) Registration Number and date of grant: - **REG/2009/88 & 17/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NCS-36**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1130/NC-183 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Digitate leaf shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24-05-1995**

Certificate of Registration REG/2009/90

(1) Registration Number and date of grant: - **REG/2009/90 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-5**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-153/NC-154 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Medium long fibre length (2.5% span length) (mm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24-05-1995**

Certificate of Registration REG/2009/95

(1) Registration Number and date of grant: - **REG/2009/95 & 06/08/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-16**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-180/NC-190 and Nuziveedu Seeds Pvt.Ltd, Ankireddypalem village, Guntur district, AP**
(6) Details of the distinguishing features or the characteristics: **Light red leaf colour.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **15-06-1995**

Certificate of Registration REG/2010/331

(1) Registration Number and date of grant: - **REG/2010/331 & 27/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Sungro Seeds Private Limited, 19 Raj Mahal, 4th Floor, 84 Veer Nariman Road, Mumbai-400020**, Maharashtra

(3) Denomination of the variety: **VC-31**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Typical/ Tetraploid Cotton**
(5) Parentage and geographical location of the variety: **Selection from different zones/ and R&D, Vikram Seeds Pvt.Ltd, Choila, Bayad, Sabarkantha, Gujarat**
(6) Details of the distinguishing features or the characteristics: **Very bold seed index (100 seed wt. in gram).**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **24-05-1996**

Certificate of Registration REG/2009/92

(1) Registration Number and date of grant: - **REG/2009/92 & 20/09/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-3**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-157/NC-168 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Medium long fibre length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **15-06-1996**

Certificate of Registration REG/2009/87

(1) Registration Number and date of grant: - **REG/2009/87 & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NCS-999**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1171/NC-91 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Medium seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **19-05-1999**

Certificate of Registration REG/2009/91

(1) Registration Number and date of grant: - **REG/2009/91 & 13/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formely Rangareddy Dist)- 500100**, Telangana

(3) Denomination of the variety: **NCS-101**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-201/NC-183 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Large boll weight of seed cotton/boll (g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29-05-1999**

Certificate of Registration REG/2009/162

(1) Registration Number and date of grant: - **REG/2009/162 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **ANITHA**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-174/NC-156 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Boll opening open and fibre strength (g/tex) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29-05-1999**

Certificate of Registration REG/2009/78

(1) Registration Number and date of grant: - **REG/2009/78 & 08/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NCS-116**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-106/NC-107 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Exerted flower stigma & open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **31-05-1999**

Certificate of Registration REG/2009/96

(1) Registration Number and date of grant: - **REG/2009/96 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-109**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-170/NC-185 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Medium seed index 100 seed weight in gram.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **04-05-2001**

Certificate of Registration REG/2009/105

(1) Registration Number and date of grant: - **REG/2009/105 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-555**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-173/NC-161 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Open opening of boll and coarse fineness of fibre.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03-06-2003**

Certificate of Registration REG/2009/161

(1) Registration Number and date of grant: - **REG/2009/161 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-570**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1135/NC-1101 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **03-06-2003**

Certificate of Registration REG/2009/43

(1) Registration Number and date of grant: - **REG/2009/43 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 2nd Floor, (West Wing) Worldmark 1, Aerocity, New Delhi-110027**, Delhi

(3) Denomination of the variety: **BIO 6488-2 BG II**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **CH00118 (BIO 6011810)/CH00102 (BIO 60102212) and Bioseed Research India Pvt.Ltd, Mokilla, Shankarpally, Ranga Reddy, AP**

(6) Details of the distinguishing features or the characteristics: **Open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **02-05-2008**

Certificate of Registration REG/2008/544

(1) Registration Number and date of grant: - **REG/2008/544 & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS 854 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-2151 Bt2/NC-102 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour cream and fibre length (2.5% span length) long.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **14-06-2008**

Certificate of Registration REG/2008/545

(1) Registration Number and date of grant: - **REG/2008/545 & 22/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NCS 906 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1107 Bt/NC-1102 Bt and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **High ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

Certificate of Registration REG/2008/541

(1) Registration Number and date of grant: - **REG/2008/541 & 22/03/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NCS 908 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1108 Bt/NC-112 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Ovate boll shape and very high ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **05-07-2008**

Certificate of Registration REG/2010/8

(1) Registration Number and date of grant: - **REG/2010/8 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NCS-856 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-152 Bt2/NC-1154 Bt and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Boll weight of seed cotton/boll (g) small.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **07-05-2009**

Certificate of Registration REG/2010/350

(1) Registration Number and date of grant: - **REG/2010/350 & 11/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401**, Telangana

(3) Denomination of the variety: **PRCH - 505 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-07 Bt2/PSCP-04 and Pravardhan Seeds Pvt.Limited, R & D development Farm, Pargi, Rangareddy dist, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Open boll opening.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **09-05-2009**

Certificate of Registration REG/2010/10

(1) Registration Number and date of grant: - **REG/2010/10 & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-862 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-112 Bt/NC-216 Bt2 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Very bold seed index (100 seed wt. in gram).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **18-05-2009**

Certificate of Registration REG/2008/543

(1) Registration Number and date of grant: - **REG/2008/543 & 05/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formely Rangareddy Dist)- 500100**, Telangana

(3) Denomination of the variety: **NCHB 945 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium barbadense* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1126 Bt/NC-105 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Medium seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **29-05-2009**

Certificate of Registration REG/2008/546

(1) Registration Number and date of grant: - **REG/2008/546 & 22/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formely Rangareddy Dist)- 500100**, Telangana

(3) Denomination of the variety: **NCS 907 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1108 Bt/NC-107 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Cream flower pollen colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **30-05-2009**

Certificate of Registration REG/2010/14

(1) Registration Number and date of grant: - **REG/2010/14 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-866 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-107 Bt2/NC-99 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Large weight of seed cotton/boll of boll.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **02-06-2009**

Certificate of Registration REG/2008/542

(1) Registration Number and date of grant: - **REG/2008/542 & 10/04/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy- Dist-501401**, Telangana

(3) Denomination of the variety: **NCS 910 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1108 Bt/NC-159 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Cream flower pollen colour and medium seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **12-06-2009**

Certificate of Registration REG/2010/15

(1) Registration Number and date of grant: - **REG/2010/15 & 15/07/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-902 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-159 Bt/NC-152 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Medium seed fuzz.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **23-03-2010**

Certificate of Registration REG/2010/362

(1) Registration Number and date of grant: - **REG/2010/362 & 26/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor,**

Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401, Telangana

(3) Denomination of the variety: **PRCH - 333 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-08 Bt2/PSCP-04 and Pravardhan Seeds Pvt.Limited, R & D development Farm, Pargi, Rangareddy dist, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Medium boll weight of seed cotton/boll (g).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **06-05-2010**

Certificate of Registration REG/2010/359

(1) Registration Number and date of grant: - **REG/2010/359 & 05/12/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, Block B, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **PRCH - 704 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-14 Bt2/PSCP-04 and Pravardhan Seeds Pvt.Limited, R & D development Farm, Pargi, Rangareddy dist, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Yellow flower pollen colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **08-05-2012**

Certificate of Registration REG/2009/180

(1) Registration Number and date of grant: - **REG/2009/180 & 17/10/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001**, Delhi

(3) Denomination of the variety: **BIO 6588-2 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **CH00071/CH00102 and Bioseed Research India Pvt.Ltd, Mokilla, Shankarpally, Ranga Reddy, AP**

(6) Details of the distinguishing features or the characteristics: **Very high ginning %.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **BIO 6588-2 BGII sod as 6588 Bt2 on 14/04/2009**

Certificate of Registration REG/2009/254

(1) Registration Number and date of grant: - **REG/2009/254 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-1118 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1118/NC-71 Bt and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Exerted flower stigma**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can. Var exploited for development of hybrid NCHB-992 Bt and hybrid sold on 19/06/2007.**

Certificate of Registration REG/2009/255

(1) Registration Number and date of grant: - **REG/2009/255 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-1107 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Inbred parent line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1107/NC 91 Bt and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can. Var exploited for development of hybrid NCS-906 Bt (REG/2008/545) and hybrid sold on 03/07/2008**

Certificate of Registration REG/2009/279

(1) Registration Number and date of grant: - **REG/2009/279 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-1102 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1102/NC-71 Bt and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **round boll shape.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can. Var exploited for development of hybrid Super Mallika Bt (REG/2008/480) and hybrid sold on 13/06/2007.**

Certificate of Registration REG/2009/154

(1) Registration Number and date of grant: - **REG/2009/154 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-71 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-71/Event Mon 531 Bt and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Exerted flower stigma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can.var exploited for development of hybrid Bunny Bt2 (NCS-145 Bt) and hybrid sold on 28/05/2005**

Certificate of Registration REG/2009/155

(1) Registration Number and date of grant: - **REG/2009/155 & 06/02/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-71 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-71/EVENT Mon 15985 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Exerted flower stigma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can.var exploited for development of hybrid Bunny Bt2 (NCS-145 Bt2) and hybrid sold on 18/05/2007**

Certificate of Registration REG/2009/156

(1) Registration Number and date of grant: - **REG/2009/156 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-108 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Inbred parent line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-108/Mon 531 Event BG-1 Donor and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **very high ginning %**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **can.var exploited for development of hybrid Mallika Bt (NCS-207 Bt). Hybrid sold on 05/06/2005**

Certificate of Registration REG/2009/247

(1) Registration Number and date of grant: - **REG/2009/247 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-1126 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Parental line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1126/NC-71 Bt (BG-I Donor line) and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Boll opening open.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can.var exploited for development of hybrid NCHB-945 Bt. Hybrid sold on 29/05/2009**

Certificate of Registration REG/2009/246

(1) Registration Number and date of grant: - **REG/2009/246 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy District-501401**, Telangana

(3) Denomination of the variety: **NC 1171 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parent line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1171/NC-71 Bt and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **small seed index (100 seed wt. in gm.)**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can.var exploited for development of hybrid Super Bunny Bt (NCS-929 Bt). Hybrid sold on 18/05/2007**

Certificate of Registration REG/2009/221

(1) Registration Number and date of grant: - **REG/2009/221 & 06/03/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-108 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Transgenic & Other (Parental Line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-108/EVENT Mon 15985 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **High ginning %**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can.var exploited for hybrid NCS-207 BGII and hybrid sold on 17/06/2007**

Certificate of Registration REG/2009/249

(1) Registration Number and date of grant: - **REG/2009/249 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NC-2151 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Inbred parent line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-2151/NC-71 Bt2 (BG-II Donor line) and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Seed index (100 seed wt. in g) bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Can.var exploited for hybrid NCS-854 Bt2 and hybrid sold on 14/06/2008**

Certificate of Registration REG/2009/421

(1) Registration Number and date of grant: - **REG/2009/421 & 27/06/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **DCM Shriram Limited, 5th Floor Kanchenjunga Building, 18 Barakhamba Road, New Delhi-110001**, Delhi

(3) Denomination of the variety: **Bio 60254I2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Other (Inbred parent line)/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **60254/MTC-512.01 and Bioseed Research India Pv.Ltd, Farm, Kharar Alipur, Hisar, Haryana**

(6) Details of the distinguishing features or the characteristics: **Medium leaf hairiness.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Exploited for development of hybrid BIO 2113-2 SOLD AS Bt2 Bunty on 22/04/2009**

Certificate of Registration REG/2010/19

(1) Registration Number and date of grant: - **REG/2010/19 & 04/02/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NCS-855 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-173 Bt2/NC-161 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Leaf hairiness medium and plant stem hairiness medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Male parent exploited for development of another hybrid NCS-555. the hybrid sold on 03/06/2003**

Certificate of Registration REG/2009/20

(1) Registration Number and date of grant: - **REG/2009/20 & 06/01/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, Telangana

(3) Denomination of the variety: **KCH-15 K39 BGII**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **JC-761/KCS-89 BG II and R & D, Kaveri seed company Ltd, Secunderabad**

(6) Details of the distinguishing features or the characteristics: **Exerted flower stigma.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialised**

Certificate of Registration REG/2010/7

(1) Registration Number and date of grant: - **REG/2010/7 & 22/05/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NCS-852 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-2151 Bt2/NC-91 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **White fibre colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialised**

Certificate of Registration REG/2010/18

(1) Registration Number and date of grant: - **REG/2010/18 & 05/08/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, NSL ICON, No.8-2-684/2/A, Plot No. 1 TO 4, 4th Floor, Opp. ICICI Bank, Road No. 12, Banjara Hills, Hyderabad-500034**, Telangana

(3) Denomination of the variety: **NCS-903 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-1154 Bt/NC-102 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Flower pollen colour yellow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialised**

Certificate of Registration REG/2010/20

(1) Registration Number and date of grant: - **REG/2010/20 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NCS-857 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**

Category/Type of variety/Common name: **New/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC 1154 Bt2/NC 102 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialised**

Certificate of Registration REG/2010/358

(1) Registration Number and date of grant: - **REG/2010/358 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, Block B, 2nd Floor, Kandlakoya Gundlapochampally (Vill. & Panchayat), Medchal-Mandal, Rangareddy Dist.-501401**, Telangana

(3) Denomination of the variety: **PRCH - 724 Bt**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **New/ Transgenic & Hybrid/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-17 Bt/PSCP-22 and Pravardhan Seeds Pvt.Limited, R & D development Farm, Pargi, Rangareddy dist, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Flower petal colour cream and seed index (100 seed wt. in g) bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **Not commercialised**

Certificate of Registration REG/2010/351

(1) Registration Number and date of grant: - **REG/2010/351 & 04/02/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pravardhan Seeds Pvt Ltd, Survey No. 69, 2nd Floor, Block B, Kandlakoya Gundlapochampally, Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **PRCH - 504 Bt 2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **PSCP-03 Bt2/PSCP-04 and Pravardhan Seeds Pvt.Limited, R & D development Farm, Pargi, Rangareddy dist, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Flower stigma exerted and fibre uniformaity (%) good.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The male parent exploited for development of Hybrid PCH-115 Bt. The hybrid sold on 19/05/2007**

Certificate of Registration REG/2010/11

(1) Registration Number and date of grant: - **REG/2010/11 & 09/06/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri Dist (Formerly Rangareddy District)-500100**, Telangana

(3) Denomination of the variety: **NCS-853 Bt2**

(4) Name of: Family: **Malvaceae**
Genus & Species: ***Gossypium hirsutum* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid & Transgenic/ Tetraploid Cotton**

(5) Parentage and geographical location of the variety: **NC-2151 Bt2/NC-1101 and Nuziveedu Seeds Pvt. Ltd, R & D, Kalakal Village, Ranga Reddy district, Andhra Pradesh**

(6) Details of the distinguishing features or the characteristics: **Boll opening open and fibre strength medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof. **The male parent exploited for the development of another hybrid NCS-570. Exploited hybrid sold on 03/06/2003.**

Certificate of Registration REG/2020/246

(1) Registration Number and date of grant: - **REG/2020/246 & 22/05/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **University of Agricultural Sciences, Director of Research, UAS, GKVK, Bengaluru-560065**, **Karnataka**

(3) Denomination of the variety: **Daksha (KMP-175)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Thanu/IET 15963 and University of Agricultural Sciences : GKVK, Bengaluru-560065, Karnataka**

(6) Details of the distinguishing features or the characteristics: **Weak pubescence of leaf blade surface, strong density of pubescence of lemma, white colour of stigma, drooping panicle curvature of main axis, medium slender decorticated grain shape and white decorticated grain colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **12.06.2018**

Certificate of Registration REG/2022/0018

(1) Registration Number and date of grant: - **REG/2022/0018 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 53 [RP-6113-Patho-BB9 (IET 27294)]**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Improved Samba Mahsuri/PAU3554 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium density of pubescence of lemma in spikelet and well exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **29.01.2021**

Certificate of Registration REG/2022/0019

(1) Registration Number and date of grant: - **REG/2022/0019 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 49 (IET 24557)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RP Bio226/CSR27 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Stem anthocyanin colouration of node present, purple spikelet colour tip of lemma, medium decorticated grain width, white decorticated grain colour.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **27.03.2018**

Certificate of Registration REG/2022/0020

(1) Registration Number and date of grant: - **REG/2022/0020 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 62**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Imroved Samba mahsuri X C101A51 (Pi)/Tetap (Pi-54) and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface absence, medium spikelet density of pubescence of lemma and well exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **21.12.2021**

Certificate of Registration REG/2022/0021

(1) Registration Number and date of grant: - **REG/2022/0021 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 48 (IET 24555)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RPBio226*1/CSR27 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Very strong pubescence of blade surface on leaf, medium stem thickness and well exerted panicle.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **27.03.2018**

Certificate of Registration REG/2022/0022

(1) Registration Number and date of grant: - **REG/2022/0022 & 14/11/2024**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**
(3) Denomination of the variety: **DRR Dhan 56 (IET 26803)**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **Phalguna/Huang-Hau-Zhan and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**
(6) Details of the distinguishing features or the characteristics: **Semi-erect flag leaf attitude of blade (early observation), panicle awns absent and medium decorticated grain length.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **27.07.2024**

Certificate of Registration REG/2022/0023

(1) Registration Number and date of grant: - **REG/2022/0023 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 60**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Imroved Samba mahsuri*2/Swarna and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Medium density of pubescence of lemma on spikelet and well exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **18.10.2021**

Certificate of Registration REG/2022/0024

(1) Registration Number and date of grant: - **REG/2022/0024 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 57**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **BPT5204/IR-46/Azucena and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Weak density of pubescence of lemma on spikelet, medium panicle length of main axis, semi erect flag leaf attitude of blade (late observation), semi erect panicle attitude of branches and well exerted panicle.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **18.10.2021**

Certificate of Registration REG/2022/0036

(1) Registration Number and date of grant: - **REG/2022/0036 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 47 (IET 23356)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IR78877-208-B-1-1/IR78878-53-2-2-2 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Green basal leaf sheath colour, short stem length (excluding panicle; excluding floating rice), deflexed panicle curvature of main axis and broad decorticated grain width.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0037

(1) Registration Number and date of grant: - **REG/2022/0037 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 50 (IET 25671)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Samba Mahsuri Sub-1/IR81896_B-B-195 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **Very strong pubescence of leaf blade surface, medium decorticated grain width, erect flag leaf attitude of blade and white leaf colour of ligule.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **06.06.2020**

Certificate of Registration REG/2022/0039

(1) Registration Number and date of grant: - **REG/2022/0039 & 12/06/2023**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001, Delhi**

(3) Denomination of the variety: **DRR Dhan 52 (IET 23354) (RP 5125-12-5-3-B-IR84898-B)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IR78877-208-B-1-1/IR78878-53-2-2-2 and ICAR-Indian Institute of Rice Research, Rajendranagar, Hyderabad, Telangana**

(6) Details of the distinguishing features or the characteristics: **White spikelet colour tip of lemma, long decorticated grain length, broad decorticated grain width, long bold decorticated grain shape (in lateral view) and medium endosperm content of amylose.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **01.04.2019**

Certificate of Registration REG/2022/0044

(1) Registration Number and date of grant: - **REG/2022/0044 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Assam Agricultural University, Jorhat-785013**, **Assam**

(3) Denomination of the variety: **TTB-AAU-Dhan-41 (Labanya)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **(BahdurX Manika Madhuri) Black rice collectionfrom RARS titabor/ and Regional Agricultural Research Station, AAU, Titabor**

(6) Details of the distinguishing features or the characteristics: **Flag leag attitude erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0053

(1) Registration Number and date of grant: - **REG/2022/0053 & 03/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009**, **USA**

(3) Denomination of the variety: **M090**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **G12822/G14320 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium and spikelet colour of tip of lemma yellowish.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0054

(1) Registration Number and date of grant: - **REG/2022/0054 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **M095**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **G12872/G14414 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Leaf width of blade medium, spikelet density of pubescence of lemma absent and panicle number per plant few.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0055

(1) Registration Number and date of grant: - **REG/2022/0055 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **M039**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **PL213/PL214 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade erect and panicle attitude of branches semi erect to spreading.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0056

(1) Registration Number and date of grant: - **REG/2022/0056 & 04/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **B310**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **B083/G10452 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade semi erect.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0057

(1) Registration Number and date of grant: - **REG/2022/0057 & 04/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **M093**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **M018/BIN X 13019/21/ and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Stem thickness medium, panicle length of main axis medium.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0058

(1) Registration Number and date of grant: - **REG/2022/0058 & 03/07/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**
(3) Denomination of the variety: **B312**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **B152/G14334 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**
(6) Details of the distinguishing features or the characteristics: **Coleoptile colour colourless and culm attitude semi erect.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0059

(1) Registration Number and date of grant: - **REG/2022/0059 & 07/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mali Agri Tech Private Limited, 80/1 Subhash Avenue, Ranaghat, 741201, Nadia, West Bengal**

(3) Denomination of the variety: **BANGABANDHU-1 PLUS (MALI-1832)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **BANGLABANDU-1/MTU1010 and Mali AgriTech Pvt.Ltd., Kumarshatpur, Ranaghat, Nadia, West Bengal**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade semi erect, panicle curvature of main axis is deflexed and panicle attitude of branches is semi erect to spreading.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **18.04.2021**

Certificate of Registration REG/2022/0060

(1) Registration Number and date of grant: - **REG/2022/0060 & 03/07/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **M017**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **G4031/G1181 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Leaf length of blade medium and decorticated grain shape long bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0117 H

(1) Registration Number and date of grant: - **REG/2022/0117 H & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **GMS Agritech Private Limited, BH-93, 1st Floor, Sector-II, Salt Lake City, Kolkata-700091**, **West Bengal**

(3) Denomination of the variety: **GMS-386**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **GMS212A/GMS405R and Baheri Nimtala, P.O. Baheri, Bolpur, Birhum , WB**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma medium and grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **31.05.2019**

Certificate of Registration REG/2022/0118 H

(1) Registration Number and date of grant: - **REG/2022/0118 H & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **GMS Agritech Private Limited, BH-93, 1st Floor, Sector-II, Salt Lake City, Kolkata-700091**, **West Bengal**

(3) Denomination of the variety: **GMS 2264**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **GMS212A/GMS-R-342 and Baheri Nimtala, P.O. Baheri, Bolpur, Birhum , WB**

(6) Details of the distinguishing features or the characteristics: **Grain weight of 1000 fully developed grains medium and grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: Not commercialized

Certificate of Registration REG/2022/0143 H

(1) Registration Number and date of grant: - **REG/2022/0143 H & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **JK Agri Genetics Ltd, 1-10-177, 4th Floor, Varun Towers, Begumpet, Hyderabad-500016**, **Telangana**

(3) Denomination of the variety: **JKRH-1135**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **JKRA1119/JKRR10657 and R & D Centre, JK Agri Genetics Ltd, Ravalkole (TS)**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:

NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0176

(1) Registration Number and date of grant: - **REG/2022/0176 & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Navsari Agricultural University, Eru Cross Road, Vijalpore, Navsari-396450, Gujarat**

(3) Denomination of the variety: **GR-18 (Devli Kolam)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **GAR13/JGL- 3828 and Regional Reseach sation, NAU, Vyara, Gujrat**

(6) Details of the distinguishing features or the characteristics: **Presence of leaf auricles and absence of panicle awns.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2022/0184

(1) Registration Number and date of grant: - **REG/2022/0184 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Navsari Agricultural University, Eru Cross Road, Vijalpore, Navsari-396450, Gujarat**

(3) Denomination of the variety: **GR 16 (Tapi) (NVSR 2233)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **GR5/Danteshwari and Regional Reseach sation, NAU, Vyara, Gujrat**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (Early observation) erect and flag leaf attitude of blade (late observation) erect.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **04.06.2020**

Certificate of Registration REG/2023/0001

(1) Registration Number and date of grant: - **REG/2023/0001 & 02/09/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**
(3) Denomination of the variety: **Rasi Jalmitra**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**
(5) Parentage and geographical location of the variety: **RRV513/RPV14095 and R & D centre , Rasi seeds (P) Ltd., Ammampalayam Attur, Coimbature**
(6) Details of the distinguishing features or the characteristics: **Grain width medium (2.6-3.0 mm)**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **17.05.2022**

Certificate of Registration REG/2023/0050

(1) Registration Number and date of grant: - **REG/2023/0050 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, No. 5-225/1/A, GMR Complex, Gundlapochampalli, Manikya Reddy Colony, Medchal Mandal, Kompally, Hyderabad-500100**, **Telangana**

(3) Denomination of the variety: **MPR 404 PLUS**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **101005/101495 and R&D Centre farm, Mahindra Agri Solutions Ltd, Toopran, Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Leaf length of blade medium and flag leaf attitude of blade (late observation) semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **15.12.2022**

Certificate of Registration REG/2023/0051

(1) Registration Number and date of grant: - **REG/2023/0051 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KRV7423**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **KGPOS5061/KPGOS-1245 and R & D farm,Kaveri seed company Ltd, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain length medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **17.05.2022**

Certificate of Registration REG/2023/0052

(1) Registration Number and date of grant: - **REG/2023/0052 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KRV7522**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **RH16MUV50011/RH11B X R30037 and R & D farm,Kaveri seed company Ltd, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0054

(1) Registration Number and date of grant: - **REG/2023/0054 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, No. 5-225/1/A, GMR Complex, Gundlapochampalli, Manikya Reddy Colony, Medchal Mandal, Kompally, Hyderabad-500100**, **Telangana**

(3) Denomination of the variety: **MPR 606 PLUS**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **101013/101495 and R&D Centre farm, Mahindra Agri Solutions Ltd, Toopran, Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **13.02.2023**

Certificate of Registration REG/2023/0055

(1) Registration Number and date of grant: - **REG/2023/0055 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, No. 5-225/1/A, GMR Complex,**

Gundlapochampalli, Manikya Reddy Colony, Medchal Mandal, Kompally, Hyderabad-500100, **Telangana**

(3) Denomination of the variety: **SOWBHAGYA GOLD**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **{(101000 x 101008-SL)-10-1}X {(100771x 100769)-5-1-2-1)-9-1/ and R&D Centre farm, Mahindra Agri Solutions Ltd, Toopran, Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0056 H

(1) Registration Number and date of grant: - **REG/2023/0056 H & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KRH7344**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KR20SA051/RH18B/R50231 and R & D farm,Kaveri seed company Ltd, Gouraram, P. O. Wargal Mandal, Medak, Telangana**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma medium and panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0057

(1) Registration Number and date of grant: - **REG/2023/0057 & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, No. 5-225/1/A, GMR Complex, Gundlapochampalli, Manikya Reddy Colony, Medchal Mandal, Kompally, Hyderabad-500100**, **Telangana**

(3) Denomination of the variety: **MPR 909**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **101012/101014 and R&D station, Toopran, Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma weak and decorticated grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **28.11.2022**

Certificate of Registration REG/2023/0058

(1) Registration Number and date of grant: - **REG/2023/0058 & 08/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pan Seeds Pvt Ltd, 69A Satish Mukherjee Road, Kolkata-700026**, **West Bengal**

(3) Denomination of the variety: **PAN-845**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Shatabdi (IET-4786)/AN268 and R &D centre of PAN seeds Ltd, Vill. Daichanda, P O Huria, Khandaghosh Dist. Burdwan 713424 , WB**

(6) Details of the distinguishing features or the characteristics: **Leaf width of blade medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof:

Certificate of Registration REG/2023/0064

(1) Registration Number and date of grant: - **REG/2023/0064 & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri-Dist- 500100**, **Telangana**

(3) Denomination of the variety: **NP-58**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **PNR1024/PNR175 and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium (21-25 cm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **19.05.2022**

Certificate of Registration REG/2023/0065

(1) Registration Number and date of grant: - **REG/2023/0065 & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri-Dist- 500100**, **Telangana**

(3) Denomination of the variety: **NP-6161**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **PNR1026/PNR1061 and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain length medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0066

(1) Registration Number and date of grant: - **REG/2023/0066 & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri-Dist- 500100**, **Telangana**

(3) Denomination of the variety: **NP-9624**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **NP55/NP3114-2 and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colouration of apex absent and decorticated grain shape (in lateral view) medium slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **06.06.2022**

Certificate of Registration REG/2023/0067

(1) Registration Number and date of grant: - **REG/2023/0067 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri-Dist- 500100**, **Telangana**

(3) Denomination of the variety: **NP-5115**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Suraj plus/RS63 and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Culm attitude semi erect, grain weight of 1000 fully developed grains low (15-20 g) and grain width narrow (2.1-2.5 mm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0068

(1) Registration Number and date of grant: - **REG/2023/0068 & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri-Dist- 500100**, **Telangana**

(3) Denomination of the variety: **NP-102**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **PRN42/PRN164 and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Panicle awn absent and decorticated grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0069

(1) Registration Number and date of grant: - **REG/2023/0069 & 03/10/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri-Dist- 500100, Telangana**

(3) Denomination of the variety: **NP 7373**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **PNR9369/PNR1024 and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally, Ranga Reddy Dist, TS**

(6) Details of the distinguishing features or the characteristics: **Stem length (excluding panicle; excluding floating rice) short (91-110 cm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0072

(1) Registration Number and date of grant: - **REG/2023/0072 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **ZESE1931**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SN14337/M018 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, TS**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width broad (>2.5 mm).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0073

(1) Registration Number and date of grant: - **REG/2023/0073 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **ZEYA1916**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **G12264/G13563 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, TS**

(6) Details of the distinguishing features or the characteristics: **Panicle number per plant few (<11).**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0101

(1) Registration Number and date of grant: - **REG/2023/0101 & 03/06/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **University of Agricultural Sciences, UAS, GKVK, Bangalore-560065, Karnataka**

(3) Denomination of the variety: **Mandya Jyothi (KMP-220)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**

Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Jyothi/BR-2655 and Zonal Agricultural Reseach station, V.C Farm, Madya571405**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface weak, culm attitude erect and stem length (excluding panicle; excluding floating rice) medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **23.06.2022**

Certificate of Registration REG/2023/0127

(1) Registration Number and date of grant: - **REG/2023/0127 & 02/04/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMRH 2112**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM110049/SSTM140098R and TriMurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Grain width is narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **02.05.2022**

Certificate of Registration REG/2023/0130

(1) Registration Number and date of grant: - **REG/2023/0130 & 05/05/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099**, **Karnataka**
(3) Denomination of the variety: **DR8375**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **RA0001/R120S043R and R &D Centre Rallis India Limited, Toopran Mandal, Siddipet Revenue Division, TS**
(6) Details of the distinguishing features or the characteristics: **Culm attitude semi erect and decorticated grain aroma absent.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **06.06.2022**

Certificate of Registration REG/2023/0131

(1) Registration Number and date of grant: - **REG/2023/0131 & 03/09/2026**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rasi Seeds Pvt Ltd, Rasi Enclave, Green Fields, 737 C Puliyakulam Road, Coimbatore-641045**, **Tamil Nadu**
(3) Denomination of the variety: **RRX3360**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **RPS4/TV56 and R &D Farm, Rasi seeds (P)Ltd, Attur (TN) & Jounti (Delhi**
(6) Details of the distinguishing features or the characteristics: **Basal leaf sheath colour light purple and spikelet colour of stigma purple.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **28.05.2021**

Certificate of Registration REG/2023/0166

(1) Registration Number and date of grant: - **REG/2023/0166 & 03/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Pioneer Overseas Corporation, C/o Pioneer Hi-Bred Private Limited, V-Ascendas, Atria Block, 12th Floor, Plot No. 17, Software Unit Layout, Madhapur, Hyderabad-500081**, **Telangana**

(3) Denomination of the variety: **RA608**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SNV86M5/R872 and Hyderabad Telangana**

(6) Details of the distinguishing features or the characteristics: **Panicle exertion well exerted and grain length medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2023/0170

(1) Registration Number and date of grant: - **REG/2023/0170 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Navsari Agricultural University, Eru Cross Road, Vijalpore, Navsari-396450**, **Gujarat**

(3) Denomination of the variety: **GNR-9 (Lalkada Gold)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IR28/Lalkada and Regional Reserch station, Navsari Agricultural University, Vyara, Gujrat**

(6) Details of the distinguishing features or the characteristics: **Leaf intensity of green colour medium, panicle length of main axis medium and decorticated grain shape is long slender.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **23.04.2022**

Certificate of Registration REG/2023/0171

(1) Registration Number and date of grant: - **REG/2023/0171 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Kaveri Seed Company Ltd, #513-B, 5th Floor, Minerva Complex, SD Road, Secunderabad-500003**, **Telangana**

(3) Denomination of the variety: **KRH7317**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **KOSO8ME0004A/K98R and R &D, Kaveri seed Ltd, Gowraram P.O wargal Mandal, Medak, TS**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width medium.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **07.05.2015**

Certificate of Registration REG/2024/0026

(1) Registration Number and date of grant: - **REG/2024/0026 & 06/05/2026**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Rallis India Limited, Plot No. 3, KIADB 4th Phase, Bommasandra, Bangalore-560099, Karnataka**
(3) Denomination of the variety: **DR8101**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **RI19S028A/RI20S036R and Rallis Reserch station, Toopran, Mandal, Siddipet, TS**
(6) Details of the distinguishing features or the characteristics: **Basal leaf sheath colour light purple and decorticated grain aroma absent.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **26.05.2022**

Certificate of Registration REG/2024/0029

(1) Registration Number and date of grant: - **REG/2024/0029 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy Dist)-500100**, **Telangana**
(3) Denomination of the variety: **NPH-BX44**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**
(5) Parentage and geographical location of the variety: **NPS8006/NPS4127 and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally, Ranga Reddy Dist, TS**
(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface medium and panicle awns present.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA
(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**
(10) If the variety is sold or otherwise disposed of, details thereof: **13.05.2022**

Certificate of Registration REG/2024/0030

(1) Registration Number and date of grant: - **REG/2024/0030 & 02/09/2025**
(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Nuziveedu Seeds Ltd, Survey No. 69, Kandlakoya Gundlapochampally Municipality, Medchal-Mandal, Medchal-Malkajgiri (Formerly Rangareddy Dist)-500100**, **Telangana**
(3) Denomination of the variety: **NPS 8006 A**
(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Other (Parental Line)/ Rice**
(5) Parentage and geographical location of the variety: **NPS2012/NPS2003 and Nuziveedu seeds Ltd, R & D centre, Gundlapochampally, Ranga Reddy Dist, TS**
(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect and panicle curvature of main axis drooping.**
(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**
(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **13.05.2022**

Certificate of Registration REG/2024/0043

(1) Registration Number and date of grant: - **REG/2024/0043 & 02/09/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **TriMurti Plant Sciences Private Limited, 101, MGR Estates, Dwarakapuri colony, Punjagutta, Hyderabad-500082**, **Telangana**

(3) Denomination of the variety: **TMRH 5544**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **TM110001A/TM140128R and TriMurti Plant Sciences Pvt.Ltd, Ramayapalli Farm, Manoharabad, Medak-502336, Telangana**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **09.05.2023**

Certificate of Registration REG/2024/0060

(1) Registration Number and date of grant: - **REG/2024/0060 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Astha Agri Genetics, Village: Shikarpur Tufanganj Block, Cooch Behar-736159**, **West Bengal**

(3) Denomination of the variety: **SHRISTHI**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Rajendra Mahsuri/Swarna and Tufanganj Block, Cooch Behar, WB**

(6) Details of the distinguishing features or the characteristics: **Panicle awns absent and grain width medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0085

(1) Registration Number and date of grant: - **REG/2024/0085 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Plant Molecular Biology and Biotechnology, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012, Chhattisgarh**

(3) Denomination of the variety: **ZINCO RICE-MS (IET 25477) (R-RHZ-L1-23)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Lalmati/IR68144B-18-2-1-1 and Department of Genetics and Plant Breeding, IGKV**

(6) Details of the distinguishing features or the characteristics: **Strong anthocyanin colouration of keel in lemma, yellowish colour of tip of lemma in spikelet and medium decorticated grain length.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **01.04.2019**

Certificate of Registration REG/2024/0086

(1) Registration Number and date of grant: - **REG/2024/0086 & 14/11/2024**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Plant Molecular Biology and Biotechnology, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012, Chhattisgarh**

(3) Denomination of the variety: **PROTEZIN (IET 25470) (R-RHZ-R-56)**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Ciherang/IR75862-106-28-3-B-B-B and Department of Plant Molecular Biology & Biotechnology and Deparment of Genetics and Plant breeding, IGKV**

(6) Details of the distinguishing features or the characteristics: **Few panicle number per plant, semi erect panicle attitude of branches, high grain weight of 1000 fully developed grains.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **07.10.2020**

Certificate of Registration REG/2024/0171

(1) Registration Number and date of grant: - **REG/2024/0171 & 03/03/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Mahindra Agri solutions Ltd, H.No. 02-076/3/302, 3rd Floor, Saibaba Complex, PetBasheerabad, Quthbullapur Mandal, Hyderabad-500067, Rangareddy Dist, Telangana**

(3) Denomination of the variety: **MP 3033**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **105008A/10874R and R & D Station, Hyderabad**

(6) Details of the distinguishing features or the characteristics: **Spikelet colour of tip of lemma is white and grain weight of 1000 fully developed grains are high.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **06.01.2020**

Certificate of Registration REG/2024/0193

(1) Registration Number and date of grant: - **REG/2024/0193 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **B196**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **B139/G12712 and Bayer Bio science Pvt.Ltd, Multi Crop breeding station, Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Panicle awns present.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0194

(1) Registration Number and date of grant: - **REG/2024/0194 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **C162**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SN7912-2-2-1/B099 and Bayer Bio science Pvt.Ltd, Multi Crop breeding station, Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Leaf length of blade medium and spikelet density of pubescence of lemma weak.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0197

(1) Registration Number and date of grant: - **REG/2024/0197 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **M225**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SN14604/M071 and Bayer Bio science Pvt.Ltd, Multi Crop breeding station, Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Leaf length of blade medium and culm attitude is semi erect.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0198

(1) Registration Number and date of grant: - **REG/2024/0198 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **M227**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**

Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M130/M108 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Cum attitude semi erect and panicle length of main axis medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0201

(1) Registration Number and date of grant: - **REG/2024/0201 & 18/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **B162**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SN7912-2-1/B099 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Leaf width of blade is medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0202

(1) Registration Number and date of grant: - **REG/2024/0202 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **M111**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M056/G10160 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colouration of area below apex is absent and panicle exertion mostly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0203

(1) Registration Number and date of grant: - **REG/2024/0203 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **B188**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IR58025/IR80559 and Bayer Bio science Pvt.Ltd, SY No249,/2AA &246/2AA, Shakarpalli Road , Khanapur, Rajendranagar, Mandal, R. R. Dist**

(6) Details of the distinguishing features or the characteristics: **Leaf pubescence of blade surface weak and leaf length of blade medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0204

(1) Registration Number and date of grant: - **REG/2024/0204 & 04/12/2025**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Indira Gandhi Krishi Vishwavidyalaya, Department of Genetics and Plant Breeding, Indira Gandhi Krishi Vishwavidyalaya, Raipur-492012, Chhattisgarh**

(3) Denomination of the variety: **Sanjeevani Rice**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (Notified)/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Layacha/CGR 22847;L:910/ and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Lemma anthocyanin colourationof apex is strong & Panicle Awns is Absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **08.10.2024**

Certificate of Registration REG/2024/0206

(1) Registration Number and date of grant: - **REG/2024/0206 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M218**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M130/SN13061 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Panicle exertion mostly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0211

(1) Registration Number and date of grant: - **REG/2024/0211 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M216**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M080/M071 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma weak.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0212

(1) Registration Number and date of grant: - **REG/2024/0212 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **M205**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **SN13384/M067 and Bayer Bio science Pvt.Ltd, Multi Crop breeding station, Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) erect and grain length medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0213

(1) Registration Number and date of grant: - **REG/2024/0213 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **B163**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **G10092/B083 and Bayer Bio science Pvt.Ltd, Multi Crop breeding station, Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main axis dropping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the

community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0214

(1) Registration Number and date of grant: - **REG/2024/0214 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M219**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M130/M086 and Bayer Bio science Pvt.Ltd, Multi Crop breeding station, Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width broad.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0215

(1) Registration Number and date of grant: - **REG/2024/0215 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M143**

(4) Name of: Family: **Poaceae**

Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M018/G6865 and Bayer Bio science Pvt.Ltd, Multi Crop breeding station, Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Sterile lemma colour straw and decorticated grain shape (in lateral view) long bold.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0216

(1) Registration Number and date of grant: - **REG/2024/0216 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M141**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IN02RS14C13-006-015D/M049 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Sterile lemma colour straw and decorticated grain width broad.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0217

(1) Registration Number and date of grant: - **REG/2024/0217 & 06/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **C 197**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **C112/3*/B197 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Panicle exertion partly exerted and gelatinization temperature through alkali spreading value high.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0218

(1) Registration Number and date of grant: - **REG/2024/0218 & 05/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M224**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M018/BIN X 13019/21/ and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Panicle curvature of main axis deflexed.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0219

(1) Registration Number and date of grant: - **REG/2024/0219 & 05/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M222**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M130/SN13061 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis medium and panicle awns absent.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0220

(1) Registration Number and date of grant: - **REG/2024/0220 & 02/04/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **INH220025**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C312/M145 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Panicle length of main axis long and grain width medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety: **NA**

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **05.05.2022**

Certificate of Registration REG/2024/0221

(1) Registration Number and date of grant: - **REG/2024/0221 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M215**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**

Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M010/BHRI41 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Stem thickness is thick and grain length medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0222

(1) Registration Number and date of grant: - **REG/2024/0222 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **C 154**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **C112/3*/B154 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Panicle awn absent and panicle exertion partly exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0223

(1) Registration Number and date of grant: - **REG/2024/0223 & 07/09/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 800 North Lindbergh Blvd., St. Louis, MO 63167, USA**

(3) Denomination of the variety: **M221**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **M130/M086 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (early observation) erect and grain length medium.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0225

(1) Registration Number and date of grant: - **REG/2024/0225 & 05/08/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH20883**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **C162/M111 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Spikelet density of pubescence of lemma weak.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and

contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0228

(1) Registration Number and date of grant: - **REG/2024/0228 & 07/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **UACI Seeds and Biotech Pvt. Ltd., 20, Parkside Road, Rajeswari Niwas, 3rd Floor, Kolkata-700026, West Bengal**

(3) Denomination of the variety: **SS 336**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **Gontra Bidhan 1/MTU1010 and UACi seeds &Bitech Pvt. Ltd Reserch farm, Orgram, Purba Burdwan, WB**

(6) Details of the distinguishing features or the characteristics: **Panicle exertion well exerted.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0229

(1) Registration Number and date of grant: - **REG/2024/0229 & 07/07/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **UACI Seeds and Biotech Pvt. Ltd., 20, Parkside Road, Rajeswari Niwas, 3rd Floor, Kolkata-700026, West Bengal**

(3) Denomination of the variety: **SS 2014**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **New/ Typical/ Rice**

(5) Parentage and geographical location of the variety: **IET4786/IR58025b and UACi seeds &Bitech Pvt. Ltd Reserch farm, Orgram, Purba Burdwan, WB**

(6) Details of the distinguishing features or the characteristics: **Decorticated grain width narrow.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the

'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **Not commercialized**

Certificate of Registration REG/2024/0230

(1) Registration Number and date of grant: - **REG/2024/0230 & 02/04/2026**

(2) Name and address of applicant or breeder in whose name the certificate has been issued or registered: **Bayer Crop Science LP, 2 T.W. Alexander Drive, Research Triangle Park, NC 277009, USA**

(3) Denomination of the variety: **INH220021**

(4) Name of: Family: **Poaceae**
Genus & Species: ***Oryza sativa* L.**
Category/Type of variety/Common name: **Extant (VCK)/ Hybrid/ Rice**

(5) Parentage and geographical location of the variety: **C312/M141 and Bayer Bio science Pvt.Ltd, R & D farm, MCBS- Chandipa, Shakarpally Mandal ,TS**

(6) Details of the distinguishing features or the characteristics: **Flag leaf attitude of blade (late observation) semi erect & panicle curvature of main axis is drooping.**

(7) In case of 'essentially derived variety', the details of the 'initial variety' from which the 'Essentially derived variety' is claimed to have been derived: **NA**

(8) Name and address of the contributor, nature and amount of the contribution or the community knowledge used in the development of the plant variety:
NA

(9) Terms and conditions of the agreement, if any, entered into between the breeder and contributor: **NA**

(10) If the variety is sold or otherwise disposed of, details thereof: **05.05.2022**
